

Free Lung Cancer Screening Scans

The American Cancer Society is partnering with IU Health Ball, IU Health Blackford and IU Health Jay to provide free lung cancer screening scans. These Saturday screening events will also provide health and wellness resources and incentives from IU Health and other local partners. Free snacks and refreshments available.

How It Works

Eligibility

Between the ages of 50 to 80 years old, with a 20 pack-year smoking history and currently smoke or have quit within the past 15 years are eligible for this free screening.

The Scan

You will receive a non-invasive low-dose CT scan, performed by an experienced medical professional. This low-dose CT scan is quick and painless and will only take 20 minutes from start to finish. No prescan procedures are required.

How to Schedule

Scan the location QR code below or call 765.702.1373 and let them know you would like a free lung cancer scan at IU Health Blackford, IU Health Jay or the Imaging Center.

September 7, 2024

Imaging Center
2598 W White River Blvd, Muncie, IN 47303
