

Free Cervical and Breast Cancer Screening

Indiana University Health Ball Memorial Hospital is hosting a free Breast and Cervical Cancer Screening (clinical breast exam, pap test, hpv test) at the IU Health Ball Memorial Family Medicine Residency Center on **Thursday, October 3**. Appointments begin at 6 pm. Space is limited so those interested must make an appointment.

The screenings offered are a clinical breast exam, a pap test and an HPV test for the following:

- Women ages 21-65
- With no pap exam in the past year
- Hasn't had a total hysterectomy
