Track your health and benefits on your schedule

Are you overwhelmed at the thought of managing your health and your health benefits on your own? The tools and resources available at myahabenefits.com can help make it easier to keep your health on track.

When you log on to myahabenefits.com you can:

- email or print temporary ID cards, or request additional ID cards;
- see a summary of your benefit plan;
- check your cost sharing for the year;
- estimate your costs for many procedures;
- view your claims;
- confirm benefits enrollment for yourself and eligible family members;
- find tools that can help you with your well-being goals.

Find a Provider Tool

This tool can help you make confident decisions about your health.

In just a few clicks, you can:

- identify network doctors, hospitals, and other medical facilities;
- access doctor and hospital profiles; and
- compare doctors and hospitals.

Getting started is easy

1. Visit myahabenefits.com and register today!
2. Create your user account.
3. Start managing your health care.

Tools to help you manage your health and health care dollars

Out-of-pocket feature. See how much you've met toward your annual out-of-pocket maximum — copayment, deductible, coinsurance — and how much remains.

Cost estimator.* Built into your Find a Provider tool to help you compare costs for a procedure among health care providers. See an estimate of your costs for a procedure based on your plan and what you've already paid out-of-pocket.

Achieve Well-being. Personalized well-being tools that can help you achieve what's important to you in a way that's simple, easy, and fun:

- complete a well-being profile;
- develop an action plan;
- track activity levels and sync your devices;
- get reminders and messages to help keep you motivated.

**The care cost estimator provides estimates for comparison only. The accuracy of expected costs may vary based on claim volume, type of service, and profile of the member population.*
