Principal Updates

- We are proud of our students who attended our Summer Learning Camp and Extended School Year programs. Great work this summer!
- Our students have been tending to our garden all summer and even getting to try some of our vegetables. Keep an eye out this year if you are interested in joining our Garden Club!
- We are excited to offer school supplies for all students this school year to relieve the burden on families. Students will only need a backpack, lunch box, pencil box, headphones, and athletic sneakers!
- Our custodians have been working hard all summer to get the building ready for students and staff to return on September 5th! Thank you for all you do for our school!
