

TEACHER'S GRANT APPLICATION

Chesterfield Public Education Fund
P.O. Box 67
Crosswicks, NJ 08515

Thecpef@gmail.com

Your Name(s) Michael Brayton

Date of Request: 2/22/18

SUMMARY OF PROJECT (ONE PARAGRAPH) PLEASE INCLUDE WHO, WHAT, WHY & HOW

Breakout EDU is a kit that allows the teacher to create unique and interactive lessons similar to the popular Escape Rooms around the world today. This company provides all of the materials needed for a teacher to create this "escape room" feeling for a particular skill, topic, or lesson. Along with getting 2 kits, the company also provides the purchaser with the online resource database. This database includes hundreds of lessons created by teachers and company that we would be able to download and implement into our classroom. The lessons will ask the class to use certain skills in various subject areas to solve the puzzle. Examples could be them needed to solve a math word problem with the answer being a lock combination or even needing to read a passage and decipher a code in order to retrieve a password. The Breakout EDU package will create a memorable experience for the class and allow them to learn the topic at hand in a more unique and creative way. Needing to work together as a team and putting their minds together will be a great lesson for them to learn.

DETAILS OF PROJECT (INCLUDE PROJECT SPECIFICS, TARGETED POPULATION, COSTS, ETC.)

While I am asking for this project to be used in our second grade classrooms, this kit could be transferred and used across any grade level. There are various lessons and subject areas that teachers could pull from. This results in all classrooms being able to use the Breakout kit.

I plan to use this kit in many different ways. This is a great tool to use for enrichment purposes for a given topic. This also allows the class to work on social and teamwork skills (needing to work as a group in order to solve it in time). Lastly, with the wide range of lessons found on their provided platform, it is a great way to differentiate among all of the different kinds of learners.

The Breakout kit includes everything listed below x6 and 6 Platform Access Codes for \$800.00:

- 1 Large Breakout EDU Locking Box
- 1 Small Breakout EDU Locking Box
- 1 Hasp
- 1 Alphabet Multilock
- 1 Directional Multilock
- 1 Color Wheels for Multilock
- 1 Shape Wheels for Multilock
- 1 Number Wheels for Multilock
- 1 three-digit lock
- 1 four-digit lock
- 1 key lock (with three identical keys)
- 1 Deck of Reflection Cards
- 1 Red Lens Viewer
- 1 UV light
- 1 invisible ink pen

- 1 USB thumb drive (blank)
- 2 Hint cards

EVALUATION (HOW WILL YOU MEASURE STUDENT GROWTH)

Evaluation will be done through observation throughout the breakout lesson as well as the provided assessments for that particular lesson. This may include discussions, assessments, or even a created poster.

I have discussed this with the following two colleagues:

NAME: Jeanine May-Sivieri

NAME: Anne Lawrence

Please attach any additional information that would assist the CPEF in making a determination as to your Grant Proposal.

TOTAL GRANT AMOUNT REQUESTED:	\$800.00
----------------------------------	----------

Please submit completed Grant applications for approval to:
mmazzoni@chesterfieldschool.com

it will then be forwarded to the CPEF

Chesterfield Elementary School
