Presentation of the Tentative 2019-2020 Budget

Superintendent Mr. Heino and Business Administrator Mr. Pisano presented the tentative 2019-2020 budget.

A motion was made by Mrs. Halaw and seconded by Mrs. Jablonski to approve the addition of a public comment on the budget following the tentative 2019-2020 budget presentation.

Public Comment on the 2019-2020 Tentative Budget

Chintan Shah stated you should be giving me all the tax comparisons, they should be side by side, per pupil spending and the other towns tax plus what state aid is coming in? When is tax money going back to the taxpayers? We need a tax break.

Jansky Placid stated you're not showing the public what's missing in the budget from 2016; there has been a 30% increase to tax payers. We need a tax break.

Scott Richter stated that spending does not equate to a good education. Recurring expenses need to stop. You have to stop taking the 2%. I disagree with that. We are a one school, school district. We don't need new positions, instead of hiring an administrator settle the teacher's contract.

Brian Kenny stated he just moved to Chesterfield in July. You know how much you're getting from the state; you can't keep going up 2% every year, don't spend for the future, don't overspend, wait until you get more money from the state. People are leaving this town. Don't increase the levy.

Kelley Johnson stated that last year she testified saying that we didn't have all of these things like bulletin boards and teacher contracts. We still don't have them. These kids don't have the basics. We are only at 55% funding. \$46 in taxes is nothing. You need to worry about providing for our teachers and the students not the tax payers. Why are we worrying about a tax increase when the township and NBR don't care, we voted for NBR's referendum. Raise the tax levy 2%.

Jignesh Shah stated why are we here at this meeting, we are the school that is receiving money. I feel an administrator is a sheer waste of money. We don't need an additional administrator. We don't have to hire everyone that we planned to hire, we don't even have results from the 1st coach and we want a 2nd coach. There is no proof it works. This school sustained on \$400,000. Where is 2.6 million dollars going? I am not for adding it to the top. We need just a little tax decrease. Have a plan. This board has a spending problem. \$46 does mean something to this public.

Jessica Wszolek stated I keep hearing we are getting additional aid. It is not additional aid, we are still under funded. These kids suffered for so long. \$46 to taxpayers does not make as much an impact as \$96,000 does to this school. Until we get where we need to be, give it to the kids. Teachers need a contract.

Andrea Katz thank you to the board, Mr. Heino and Mr. Pisano for putting a budget together that will help our children. My son is graduating this year and he spent his entire elementary years in an underfunded district. It was the teachers that helped him not this district and money. At least my daughters will have the opportunity to benefit from some of the additional funding. Do what is right for the children.

Aparna Shah said thank you for adding the public comment. The 11 letters sent to the board are not identical as stated on the agenda. It is not acceptable to increase the tax levy by 2% and you don't even have a spending plan visible. Why do we need an assistant principal vs. a teacher? The comparisons were not apples to apples with our regional partners. We need to see the bigger picture. It was not nice to the people in this room that you had an executive session during the meeting, their time is valuable.

Shamita Kumar stated I appreciate the budget and I am in favor of the 2% tax levy increase. This is not a dream come true, it was a nightmare that we all survived with basic services. We went to Trenton saying we want the money for the school. We didn't say we wanted it for taxes. If we don't invest in in this school now ten years from now you won't be able to sell your home. Schools that rank higher in test scores have higher home sales. Money will not fix a discipline problem, administration will.

Peggy Hallion stated Christina and Amy you both campaigned on tax relief. Where is the tax relief? Last week it was 1% and now its 2%, why? I sat on the board for 3 years. When we got \$400k per year and enrollment went up and up we had to tax the taxpayers. We hated doing it but we had to. Put the money in the bank until you need it. We are not going to get 100% in funding the max might be 65%. You asked this town to help with fair funding but now you're just going to keep the money. Go to zero percent for one year so we know you heard us.

Maggie Britton stated when I voted for the school board I never expected tax relief until we were fully funded. I appreciate that you are keeping the kids in mind. All the fighting we did was for the kids. I hear something about the contract; and I hope it's coming. We need to provide these teachers with resources.

Stacy Lindes stated I have been coming to the board meetings for years as a regular attendee. Dr. Brown you are the only other person who has been here for the entire time I've been attending. People in the audience, you need to come to the meetings more often so you know what is going on. The teachers have not had a contract for years. 2 years ago we gave the Superintendent a raise. Cushion is really important in a budget. Our kids need to come first before a \$46 tax relief.

A motion was made by Mrs. Halaw and seconded by Mr. Litt to approve the following:

Other Public Comments

Jignesh Shah stated, other people spoke when I was speaking earlier, I said to them next time stay out of my public comment time. I'm no longer in a public official position; I am a tax payer and can state my opinion. This is not acceptable; these meetings need to be controlled. You are allowing people to address for public comment and the board needs to take this seriously.

Shamita Kumar stated, is this a good time to say you guys are doing a great job. Thank you.

Scott Hurley stated, that the number of H.I.B. incidents on the report are wrong. His wife was talked out of filing an H.I.B. by one of your administrators. My wife and I are forming a committee in regards to the lack of discipline in the school.

Amanda Schmalbach stated that she disagrees that just because bullying isn't being reported doesn't mean it isn't happening. My son is experiencing bullying.

Adjournment

A motion was made to adjourn the meeting by Mrs. Jablonski and seconded by Mrs. Halaw at 10:23 p.m. All agreed.
