

TITLE I, PART A SCHOOLWIDE PLAN

**Name of District/Building: Manson School District/
Manson High School**

Date: October 11, 2022

Principal: Kamie Kronbauer

**Building Leadership Team: Erik Helleson, Lauren Griffith,
Samantha Lovelace**

District Vision

At Manson High School, we envision a compassionate and challenging school environment where students are valued as individuals; stretched to achieve their full potential; understand and contribute to a world they live in; acquire the social skills to be successful in a complex and rapidly changing world; are well nourished, safe and nurtured.

District Mission

Continuous Student Learning

School Vision: Pride, Passion, Grit

We are committed to rigorous, engaging, customized learning that increases all students' skills, understanding and knowledge about themselves and the world, as well as their ability to think critically, solve problems and reflect on their process of learning now and in the future.

COMPONENT #1: NEEDS ASSESSMENT

PROCEDURES TO SUPPORT YOUR COMPREHENSIVE PLAN

Plan

During the fall of the 2022-2023 school year, the BLT at Manson High School reviewed data, including state and local assessments that were administered prior to the pandemic. The table below encapsulates the extent of data review.

Type of Data	Timeframe of Review	Reviewers
Local Assessments	Yearlong, monthly	Classroom teachers
Graduation rate	Annually	Classroom teachers, counselor, principal
Classroom Based Assessments	Year long, ongoing	Classroom teachers
SBA and WCAS	Annually	All Staff
Attendance	Ongoing	Principal, attendance secretary, counselor
Discipline	Ongoing	Principal, counselor
Conference attendance rates	October and March	Principal, Teachers, Counselor, District office
WIDA	Ongoing	ELD Coordinator, classroom teachers, principal

SAT/ACT	Monthly, Trimester	Principal, teachers, counselor, BLT
SBA Interims	2X per year	Teacher Teams
F-List	Weekly	Teachers, Principal
SEL survey data	2 X per year	Principal, BLT, Counselor

DATA SUMMARY/ANALYSIS

Manson High School currently serves 220 students in Grades 9-12. Disaggregating the data, approximately 63% are Hispanic, 26.9% are English Learners with 12.9% being migrant; 11.4% of students receiving special services; and 69.7% are low income. The HS runs on a five-period day consisting of 65-minute classes. Students have access to core academic courses, career and technical courses, and college in the classroom courses. There is a principal that serve students 9-12 in a secondary building that houses a middle school, as well.

In addition to certificated/content endorsed teachers, there is an English Language Development coordinator for the district, a speech and language pathologist for the district, a special education teacher, a foreign language teacher, a fitness and health teacher, a band teacher, art teacher, shop/ag science teacher, computer science teacher, and two counselor who serve middle and high school students. The para-educators assigned to the high school serve students in the bilingual or special education program. The high school has a full-time secretary, attendance, and food service clerk.

Manson has strong Parent Involvement as indicated by a conference attendance rate in Fall 2021 of 93%, which has stayed consistent for three years in a row. Graduation, College in the High School and attendance rates are high relative to state averages, while discipline rates are low. Proficiency on state assessments were equal to or higher than state average for all student groups. In addition to historical data, current state and national data indicates that the Covid Pandemic had a major impact on the social/emotional health of students. Collecting, analyzing and responding to social and emotional information about our students will continue to be a priority for the 2022-23 school year.

See the Appendix for Data review.

Do

The Comprehensive Needs assessment of the data shows...

STRENGTHS

- Manson High School (MHS) scores on the SBA and WCAS are at or above the proficiency average for the State of Washington.
- Graduation rate remains high at 92% for every demographic.
- Social and Emotional Screener results indicate that students feel safe at school.
- Approximately 82% of students were involved in a club or sport.

	<p><u>AREAS FOR GROWTH</u></p> <ul style="list-style-type: none"> • Closing the achievement gap in proficiency levels on SBA and WCAS between Hispanic and White students is a top priority. • Ninth Grade on Track rate was only 73% last year and we know that this year's cohort will need extra support. • Social and Emotional Screener results indicated students were experience stress and anxiety related to their course work. • WIDA assessment is new and the data is just a baseline. However, the data showed that a majority of our multilingual students scored low in multiple domains. The most significant area of growth is the Speaking domain. <p>Based on the data review and areas of need, the Building Leadership Team recommends the following goals...</p> <p><u>GOALS</u></p> <ol style="list-style-type: none"> 1. All Multilingual Learners will show at least one level of growth in the speaking domain on the WIDA assessment in March. 2. All staff will be trained in Trauma Informed practices by the end of the school year. 3. 9th Grade-On-Track rate will increase from 73% to 80% by the end of the school year.
Study	<p>Monitoring progress along the way:</p> <ol style="list-style-type: none"> 1. English Language Development <ul style="list-style-type: none"> • When reviewing data, collaboration teams will disaggregate and analyze data with a focus on equity. They will use the WIDA performance descriptors to scaffold lessons for ML students. 2. Social/Emotional Development <ul style="list-style-type: none"> • Once the SEL survey/measurement tool has been administered, the BLT and staff will review the results to determine next steps. We will compare this data to previous year, looking at patterns, trends, areas of concern and celebration. • Attendance and discipline data will be monitored in an on-going process. 3. Academic Development <ul style="list-style-type: none"> • Monthly collaboration meetings to review student data from classroom and district/state/national assessments reviewed by teacher teams; Interim proctoring and review by teachers; and monitoring implementation. When reviewing data, collaboration teams will disaggregate and analyze data with a focus on equity.
Act	<ol style="list-style-type: none"> 1. English Language Development <ul style="list-style-type: none"> • Manson High School staff will learn WIDA standards and language uses. • Learn Sheltered Instructional strategies specifically focused on speaking 2. Social/Emotional Development <ul style="list-style-type: none"> • Manson High School students will participate in a social and emotional wellness survey 2X during the 2022/23school year. • The BLT will research and recommend a curriculum to use during StrongTime. • High school counselor will lead professional development on trauma informed practices. 3. Academic Development <ul style="list-style-type: none"> • Staff will align curriculum with WIDA standards • Develop a plan to help 9th grade students transition into high school

PROCEDURES TO SUPPORT SCHOOLWIDE REFORM STRATEGIES	
Plan	<p>Based on our 3 main areas of focus, the BLT recommends that Manson High School staff...</p> <ul style="list-style-type: none"> • Mitigate students' social and emotional stress by incorporating trauma informed strategies into classroom routines. • Adopt an SEL curriculum to be used during StrongTime. • Close the achievement gap between English language learners and non-English language learners by incorporating Sheltered Instructional strategies into classroom routines. • Close the achievement gap between English language learners and non-English language learners by learning how WIDA standard and proficiency descriptors can be used to develop scaffolded lesson plans. • Mitigate the 9th grade course failure rate by utilizing "Afters," maintaining 2-way parent communication and encouraging participation in school activities/athletics.
Do	<p>New Work</p> <p>1. Social/emotional: Approximately once a month on Building Late Starts, the high school counselor will lead staff in professional development around trauma informed strategies for the classroom. The BLT will review and recommend a curriculum for 25 minute "Strong Time" where students meet in groups with their mentor to receive SEL and academic instruction and support.</p> <p>2. Language Development: Approximately once a month on Building Late Starts and PD days, the BLT, English Language Director or ESD will lead the high school staff in professional development around effective Sheltered Instructional strategies for the classroom. The focus will be on increasing language acquisition and academic language.</p> <p>3. Academic: An After School program will begin in 1st trimester as an academic intervention designed to support struggling students. For the 2022-23 school year, the BLT will design and implement activities for staff to interact with colleagues and reflect on the effectiveness of strategies demonstrated during professional development.</p>
Study	Manson HS will monitor data across subject areas, WIDA scores, as well as SEL surveys, discipline referrals, attendance, local assessment scores, SBA Interim data used in instruction.
Act	Manson HS will monitor and adjust our practices on an ongoing basis.
COMPONENT #3: ACTIVITIES TO ENSURE MASTERY	
PROCEDURES TO SUPPORT YOUR ACTIVITIES TO ENSURE MASTERY	
Plan	MHS has added a full-time counselor that is shared with the MS. The counselors work to engage students through strategies in social skills and executive functioning. The counselor also works as a resource provider to partner with a local community health agency to provide mental health support here at the school. Our high school counselor supports students with academic counseling in terms of credits and college/career readiness. To further support this work, MHS has partnered with CVCH to have a mental health counselor on campus 2 days a week. MHS will also partner with HOPE Squad this year in efforts to support student wellness.
Do	Based on classroom data, there will be a focus on speaking and writing that needed growth across grade levels, specifically for our students identified as level 1 or 2 on WIDA assessment.

	Data driven PLC collaboration time will be foundational in helping our struggling students master content. In addition to supplemental interventions, teachers will provide language usage support in all content areas.
Study	Our staff will continue to review CBA, WIDA, Interim, and SBA data to determine what works for our students.
Act	We will respond to the data as indicated.
