Good Morning

I put a letter in your mailbox on November 2<sup>nd</sup> in regards to what you currently have for credits and clock hours that have been submitted to me. The letter was asking if you were anticipating getting another degree or additional credit/clock hours by September 12, 2024. I have not received it back yet. Please do so as soon as possible as we are looking at next year's budget.

Thanks for your help with this.
