Guiding Criteria

DRAFT

Criteria

- Address overcrowding at Beech Hill Elementary, Sand Hill Elementary, and Ashley Ridge High School.
- Provide ample capacity to support long-term enrollment growth in these school boundaries.
- Develop new attendance zone(s) for Beech Hill Elementary, Sand Hill Elementary, Ashley Ridge High School, Fort Dorchester High School, Newington Elementary, and Knightsville Elementary.
- Balance enrollments across all school buildings to ensure efficient and equitable use.
- Maintain geographic proximity and align with neighborhood boundaries.
- Minimize disruption to students and families.

These criteria represents the primary purpose of the redistricting process.

Options

DRAFT

We will utilize four options to relieve overcapacity issues. They are prioritized based on both the cost and time required to complete.

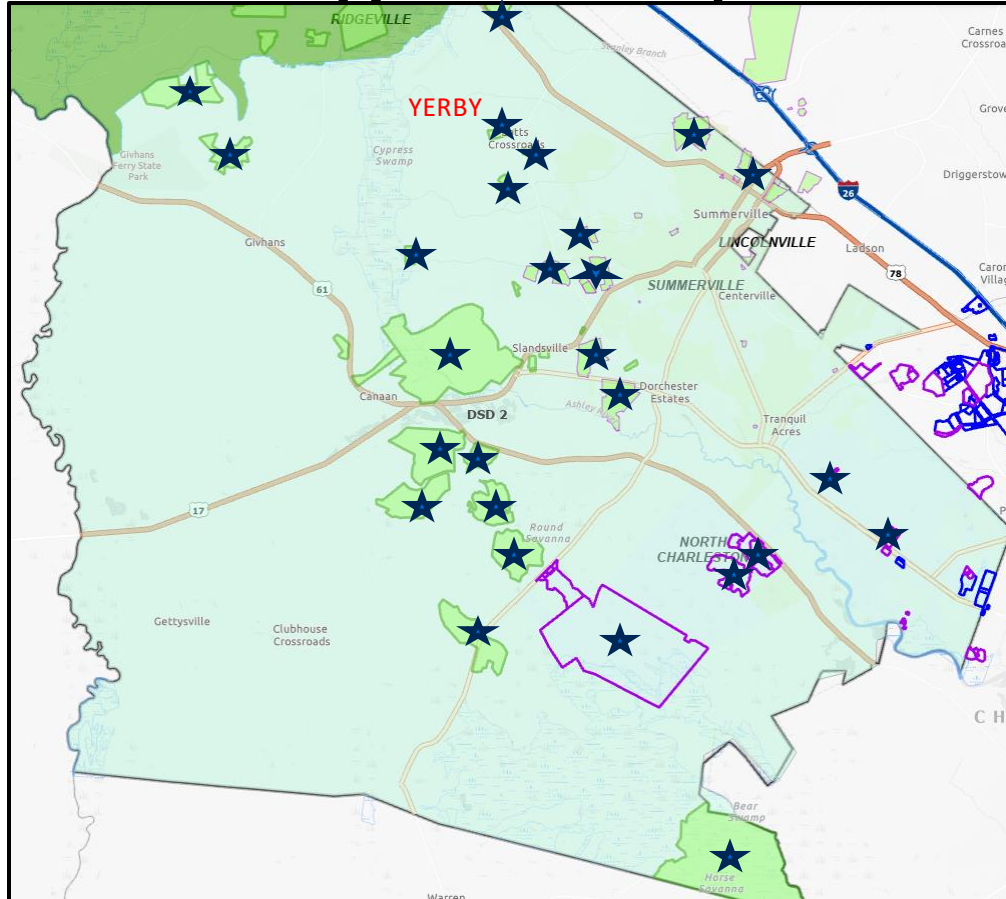

Options include:

1. Rezoning (6 months)
2. Learning Cottages (6-9 months)
3. Facility Additions (12-18 months)
4. New School Construction (36-48 months) will utilize four options to relieve overcapacity issues.

They are prioritized based on both the cost and time required to complete.

GENERAL COMMENTS

- As the development in the Ashley River area continues to grow, the attendance boundaries for FDHS near Ladson Road will move to the Northwest.
- This will begin to balance the geographical attendance zones for the three high schools as the population numbers shift.
- No Transfers into ARHS.
