IN-DISTRICT SCHOOL OF CHOICE

For Office Use Only

Date Received: _____

Received By: _____

Flushing Community Schools offers an In-District School of Choice Program that provides parents an opportunity to request their child attend an elementary school outside their home attendance area, but within the Flushing School District boundary.

In determining the selection of students for In-District School of Choice, all applications must be submitted by **April 19th, 2024**. Per the Flushing Community Schools Board of Education Policy, the following criteria for selection will be used in this order:

1. Students with a sibling already enrolled in the choice school.
2. All other students with an In-District School of Choice Request form on file after the deadline.

Notification will be made by July 19th, 2024 for parents who submitted the request by the deadline.

Requests received after the deadline will be considered in the order received and verified through a signed/dated administrator signature. **Requests will be honored if room is available in the appropriate grade without going into override numbers.** Parent notification will be made no later than the Friday prior to school starting.

IN-DISTRICT SCHOOL OF CHOICE SHUTTLE BUS TRANSPORTATION FORM

As a part of Flushing Community Schools policy for In-District School of Choice, parents are able to have their child(ren) utilize our existing transportation system to transport students to the requested school. Students will be transported from their home attendance school to their requested school and returned by bus shuttles, if a shuttle currently exists.

**If a shuttle does not currently exist, one will not be created for In-District School of Choice students.*

In utilizing the bus shuttles, instruction for students at the beginning and end of each day will be interrupted to allow time for the shuttles to transport students to and from their home attendance school for connection with their regular bus run.

On the form below, please indicate whether you intend to utilize the available bus transportation for your child during the current school year. Return this form with your In-District School of Choice Application by **April 19th, 2024.**
