Last Name: _____ First Name: _____

School: _____ Grade: _____

Flushing Community Schools 1 to 1 initiative allows your child to be assigned a Chromebook to be used at school as well as at home. Taking home a Chromebook expands the learning day and allows students to complete projects and assignments that were started at school.

Terms of Agreement

The student is responsible at all times for the care and appropriate use of the assigned Chromebook. If the student violates the guidelines agreed to in the District Acceptable Use Policy (AUP), or if other behavior transgressions occur through the use of the school issued device, his/her privilege to take the Chromebook home may be restricted or removed and he/she may be subject to disciplinary action.

I understand that if there are damages outside of normal wear and tear, I am responsible to pay the district the following:

- Full replacement cost of the Chromebook and operating license is approximately \$300.00
- Additional costs for damages are as follows:
 - Broken Screen - \$50.00
 - Damaged Keyboard - \$60.00
 - Lost Charger - \$30.00

The Chromebook remains the property of Flushing Community Schools. At the end of the school year or upon transfer from the district, parents and student agree to return the Chromebook to the school in the same condition it was issued to the student, less reasonable wear.

If for any reason you are not interested in a district provided Chromebook, please contact your building principal.
