

FLUSHING COMMUNITY SCHOOLS ANNOUNCES:

Early Childhood Center

Tuition Based Preschool

4-5 Year Old Program for the 2024/2025 school year!

Children who will turn 4 on or before December 1, 2024, are age ready for our 4-5 year old preschool program for the 24/25 school year. Read through all of the information provided to see if this program would be a great fit for your 4-5 year-old. If so, you will then follow all of the instructions listed to register your child for preschool.

All of our tuition-based programs take place right here at the ECC, where students will eventually attend kindergarten once they are age-ready. Participating in our preschool program will help ease the transition into Kindergarten as they will then be very familiar with our building and staff!

The 4-5 year-old preschool class is a wonderful program to help prepare your preschooler for Kindergarten. It is designed to help students build stamina for their 5-day a week, full day Kindergarten schedule. Our preschool staff works hard with students to help them gain independence, strengthen their confidence, and familiarize themselves with our building. Preschool staff works closely with our ECC Kindergarten teachers to ensure they are providing the correct instruction to best benefit students as they prepare to enter Kindergarten. Due to licensing rules and regulations, all preschool students must be potty-trained and able to take care of all bathroom needs.

For our 4-5 year old program, we offer a few different options for families to choose from. The options are:

- 5-Day AM Program- Monday-Friday- 9:15-11:45
- 5-Day PM Program- Monday-Friday- 12:30-3:00

If your family will require the child care support of Jr. Raider Latchkey, please contact Kathy McMahan, Latchkey Coordinator, at 810-591-1297. Space is limited.

**Flushing's Tuition-Based Preschool is not affiliated with GSRP or HeadStart. Please contact 810-591-KIDS for information on those programs.
