Kratt Elementary 2024-2025 - SPSA

Goal 1 - STUDENTS: Improve academic performance at challenging levels.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 1 Metrics	Required	Current Target	Actual	As Of	Target
SBAC ELA - Average distance from standard	✓	32 pts	-51 pts	2023-2024	-36 pts
SBAC ELA - percentage of students met/exceeded standard	✓	36.06 %	26.5 %	2023-2024	31 %
SBAC Math - Average distance from standard	✓	53 pts	-52.3 pts	2023-2024	-37 pts
SBAC Math - percentage of students met/exceeded standard	✓	28.44 %	27.4 %	2023-2024	32 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Implemented a rigorous and comprehensive language arts program aligned with CCSS.

Daily 30-minute intervention block with support from Teaching Fellows. This support happened regularly. The intervention by teaching fellows was overseen by Academic Coach

Multiple assessments utilized to identify grade 1-4 students in need of additional supports. Assessments included iReady results, fluency assessments, and DIBELS assessments. For the coming year, we anticipate Dibels being funded through Literacy Plan. PLC formative assessments given quarterly and planned for in assessment calendar.

PLC planning with strategic alignment of standards, curriculum, instruction, assessments, and tier II academic intervention.

92% of students are using iReady reading with 59% passing lessons with 70% or more. 92% of students using iReady math with 82% passing lessons with 70% or more.

Continued use of technology tools to support instruction.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

- Student attendance
 - All Students: 27.9% chronically absent
 - African American Students: 33.4% chronically absent Asian: 14.3% chronically absent
 - English Learners: 16% chronically absent Std w/disabilities: 41.2% chronically absent 2 or More Races: 41.6% chronically absent
- Many students are in need of SEL support. While this was planned for in the site plan last year to have Tier II specialist, District level staffing was unable to be fulfilled for Kratt.
- PLCs are developing in implementing student data in decision making and ILT has been focused on PLC+ and understanding. This year limited Regional ILT occurred but was focused on student engagement.
- PLCs are developing in alignment of instructional decisions.
- 2% of students with disabilities met proficiency on the math iReady diagnostic #2 compared to 20% overall.
- 3% of students with disabilities met proficiency on the reading iReady diagnostic #2 compared to 32% overall.

In grades 3-6 used FIAB in instructional planning and assessment calendar. In grades 1-6 implementation and PL using Math Lesson Design.

Increase English Learner Redesignation Rate:

Certificated tutor met with EL students for designated ELD instruction daily utilizing Wonders ELD curriculum.

Integrated ELD instruction given in classrooms.

Utilized teaching fellows 3 days a week to support EL students. Utilized ELD curriculum

Student behavior is another contributing factor student achievement. AA, SWD, students of 2 or more races were suspended at a higher rate.

All Students: 5% suspended at least one day

African American Students: 14% suspended at least one day Std w/disabilities: 1% suspended at least one day

2 or More Races: 7% suspended at least one day

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

The site had intended on using teaching fellows and Certificated Tutors primarily to perform interventions. The site allocated funds for a full-time instructor just for PE. This allowed teachers to work with colleagues in their PLC to push in and provide intervention and acceleration as planned for in grade level assessment calendars. The school site still utilized Teaching Fellows and 1 Certificated Tutor.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Next year we will continue with funding a TSA that specifically instructs the students in Physical Education freeing up classroom teachers to work with their PLC on push in supports in the area of mathematics and reading. The TSA will support the site by focusing on Campus Culture and student-centered rewards and recognition with an emphasis on family involvement. We will continue to fund one certificated tutor to focus on EL student support. We will continue to fund Teaching Fellows for push-in classroom support. Certificated Tutor and Teaching Fellows will work at the direction of Academic Coach and site administration. The Academic Coach will also continue the PL initiative around Math lesson Design.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

1 SSC - (Teacher/Staff, Parents, and Secondary Students).

Keep current actions with shifts that have been implemented this year.

2 ELAC:

Keep current actions with shifts that have been implemented this year.

3 Staff - (Credentialed Staff, Classified Staff, and Administrators):

Keep current actions with shifts that have been implemented this year.

Action 1

Title: Student Achievement in Literacy

Action Details:

Kratt students will be engaged in a rigorous and comprehensive language arts program aligned with the Common Core State Standards. Instructional practices will align with the FUSD Instructional Practice Guide for Literacy. To support all learners, Kratt will utilize a 30-minute blended learning block. Emphasis will be on reading support and intervention in literacy.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- Professional Learning Communities: Develop, administer, and analyze Common Formative Assessments
- Dibels reading assessments
- Fluency progress monitoring
- IAB and FIAB Blocks (3-6)
- SBAC ELA (3-6)
- ELPAC
- i-Ready Diagnostic assessments (3 times per year)
- i-Ready Standards Mastery assessments
- Student goal setting
- Grade level data chats
- Daily progress monitoring: Classroom observations using the IPG tool, feedback, and reflective conversations.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- High-quality Tier 1 instruction of ELA standards utilizing Wonders resources and materials ensuring the 4 Tights of Classroom Foundations: Objective, Aligned Instruction, Assessment (Checking for Understanding), and Closure. Focus of PLC and ILT will be around PLC+ and PLC Activator to set and work towards data based growth targets for individual PLCs utilizing the CCI process.
- 30 minute Daily Blended Learning Block of Tier 2 and 3 instruction-differentiated, personalized small instruction utilizing the i-Ready system for all students provided by classroom teachers utilizing small group instruction. Special emphasis in small groups will be placed on our statistically significant groups showing disproportionality. For reading, that is our SWD.
- 1 Certificated tutors to provide EL interventions during the RTI block (Tier 3)
- 2 Teaching Fellows to support first through third grade students in reading foundations during the RTI block (Tier 2)
- PLC created Common Formative Assessments & Data Analysis
- Supplemental Contracts and substitutes to support teacher planning, professional learning, ILT, grade level data chats, and monthly SST/IEP meetings.
- Funds to provide literacy professional learning for teachers and staff (Write Tools, Reading Foundation skills, Reading comprehension)
- Materials/supplies to support student achievement, professional learning of teachers, and parent engagement.
- On-line Instructional Programs (i.e., fluency, keyboarding, DIBELS, Star fall, etc)
- Funds to provide incentives and awards for students' academic progress and achievements.
- Technology to support instruction of students (i.e., tablets, headphones, projectors, etc.)

Specify enhanced services for EL students: Write to the data points called out in the metrics sections. Answer the questions in the text box below.

1. Identify Student Group (list only one at a time) in Red and all the areas they are identified in.

Specify enhanced services for low-performing student groups. By answering the questions in the text box below, write about each specific student group called out in the metrics section.

Specify (call out) the specific student groups that require support. Utilize the metrics from the Needs

Kratt currently has no identified red groups for ELA on California Dashboard.

2. Using Title I funds Only: What are the planned expenses to support this student group?

CT to perform intervention and support for EL students.

Teaching Fellows for Academic Instructional support.

Hand in Hand Mentor to support with student academic and attendance monitoring.

Positivity Project to support student overall SEL and connectedness to school.

3. As a site: What are planned actions to support this student group?

- Certificated Tutor will provide designated ELD through small group instruction to support access to CORE curriculum.
- Certificated Tutor will conduct ELPAC camp with EL students prior to ELPAC administration.
- Ongoing progress monitoring by teachers and CT. CT will review the EL Goal Setting Report and ELPAC scores with students, set goals, and monitor progress.
- CT and teachers will monitor EL and redesignated students quarterly.
- CT and VP and Academic Coach will meet regularly throughout the year to monitor how students are progressing and monitor program effectiveness.
- Teachers will provide integrated ELD throughout the day in every lesson/content area.
- CT, Admin, and Sped team will monitor students with IEP for language reclassification.
- Access to technology will be provided in order to enhance language acquisition, vocabulary, comprehension and written language.
- Materials and supplies will be purchased that support access to CORE curriculum
- Teacher PL on the use of ELD strategies (i.e., academic discourse and visual supports)
- ELPAC assessors will be funded to support ELPAC so that the CT can continue to focus on direct instruction with small groups.

Assessment and the SPSA PowerBI for student group data.

1. Identify the Student Group (list only one at a time) in Red and all the areas they are identified in.

Kratt currently has no identified red groups for ELA.

2. Using Title I funds Only: What are the planned expenses to support this student group?

Positivity Project to support student overall SEL and connectedness to school.

3. Using 7090/7091 funds only: What are the planned expenses to support this student group?

CT to work with EL students

TSA to allow teachers to work in small groups and provide incentives.

RCA for SEL support

Teaching Fellows to push in and work with small groups of students.

4. As a site: What are planned actions to support this student group?

- All teachers will review assessment data in order to determine the specific instructional needs of all students and develop an action plan to address needs. Teachers will identify students from significant subgroups on their reporting tools in order to easily identify trends and needs.
- All teachers will utilize assessment calendar to set goals for student not performing up to standards.
- Site funded Hand in Hand mentor to support identified low performing students, ELLs, Special Ed, African American, and students of poverty, to navigate the educational setting, in order to develop positive connections at school.
- SPED teachers will join GE teachers during PLCs to align grade level standards, utilize resources, and ensure rigor to help support students.
- SPED teachers will join district led WonderWorks PLCs to support students.
- Supplemental instruction materials, resources, and technology will be provided to support intervention for significant subgroups.
- Books will be purchased for staff to engage in professional readings that provide research-based strategies in working with: ELLs, Special Ed, African American, and students of poverty.
- Twice per year the RSP teacher and paraeducators will meet with general education teachers to review student IEP goals and progress of students.

Action 2

Title: Student Achievement in Mathematics

Action Details:

Kratt students will be engaged in a rigorous and comprehensive mathematics program aligned with the Common Core State Standards. Instructional practices will align with the FUSD Instructional Practice Guide for Math. An emphasis will be placed on conceptual and procedural understanding leading to opportunities for application to real world problems to include digital application using technology. The eight mathematical practices will be embedded throughout the lessons. Teachers will have access to push-in support from a PLC partner.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- High-quality first instruction of Math standards utilizing GoMath resources and materials ensuring the 4 Tights of Classroom Foundations: Objective, Aligned Instruction, Assessment (Checking for Understanding), and Closure
- Dedicated time in the instructional day for Tier 2 and 3 differentiated instruction provided by classroom teachers utilizing small group instruction. This will also include Push-in by PLC partner due to TSA providing Physical Education instruction. Special emphasis in small groups will be placed on our statistically significant groups showing disproportionality. For math, that is our SWD.
- PLC created Common Formative Assessments & Data Analysis (Tier 1)
- Supplemental Contracts and substitutes to support teacher planning, professional learning, ILT, Student Achievement Conferences, and monthly SST/IEP meetings.
- Opportunities to build capacity of staff to attend Institutes and Conferences to support student achievement.
- Materials/supplies to support student achievement, professional learning of teachers, and parent engagement.
- On-line Instructional Programs
- Funds to provide incentives and awards for students' academic progress and achievements.
- Technology to support instruction of students (i.e., tablets, headphones, projectors)
- Instructional Practices walks weekly to collect data on use of effective practices and to provide feedback.

School Level Dashboard

Goal 2 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture student survey - percent favorable in student-centered/real-world experiences domain	✓	86.47 %	82.7 %	2023-2024	86.8 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

- Prepare productive members of the community.
- Students had the opportunity to participate in Cross Country, Girls and Boys Volleyball, Girls and Boys Basketball, Track, Girls and Boys Softball so far this year
- Students have participated in Outdoor Structured facilitated by Teaching Fellows.
- PTA provided a free Bingo night, fall jog-a-thon, and dance.
- Student dressed up and participated in Red Ribbon Week, Kindness day, the 100th day of school, and plan to have activities for Read Across America.
- School psychologist, Hand in Hand Mentors, and Resource Counseling Assistant continued targeted weekly student support groups.
- Students had the opportunity to participate in school spelling bee, student council, and Minecraft.
- Students had the option to participate in at least one field trip sponsored by the Goal 2 office
- All Grade levels 1-6 were able to participate in an experience through College and Career Readiness

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Student attendance remained an issue in the 2023-2024 school year.

Students have experiences that require SEL support. While this was planned for in the current school year, lack of Tier II specialist made this a challenge.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

The site continued work on Tier I structures and instruction. Our Climate and Culture Team started work around attendance incentives. Our school schedules remain in a cycle of improvement to maximize SEL and career based activities.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

There continues to be struggles with staffing extra curricular activities, leaving participating staff feeling stretched by offering multiple opportunities for students. Funding a TSA that in part will focus on student rewards, opportunities, and family engagement will help alleviate the stress on the teaching and classified staff already in place. We will continue to offer a variety of opportunities for students and look to expand partnerships.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

<p>1 SSC - (Teacher/Staff, Parents, and Secondary Students).</p> <p>Keep current actions with shifts that have been implemented this year</p>	<p>2 ELAC:</p> <p>Keep current actions with shifts that have been implemented this year</p>	<p>3 Staff - (Credentialed Staff, Classified Staff, and Administrators):</p> <p>Keep current actions with shifts that have been implemented this year</p>

Action 1

Title: Prepare Productive Members of the Community

Action Details:

Kratt will prepare students to be productive members of the community by providing a variety of real-world learning experiences. These experiences will be in the areas of civic education, character counts, school leadership, community service/projects, lunch clubs, and additional opportunities through field trips, career speakers, and research presentations.

- Participation in student clubs, service projects, and Student Council

Owner(s):

Administrators, Classroom teachers, RCA, Lunch Clubs Teaching Fellow

Timeline:

- Quarterly
- Opportunities will be scheduled on our site yearly calendar

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- One teaching fellows will be provided to facilitate and support outdoor activities during lunch times 5 days per week.
- Students will participate in CTE study trips/experiences designated by the district.
- All students will participate in school-wide activities such as Red Ribbon Week and Read Across America which include opportunities to meet various community members from a variety of career fields.
- Student Council will be established each semester to promote leadership on campus, school connectedness, and provide opportunities for students to engage in a variety of activities that could lead to future careers (event planning, charity work, fund raising, etc.)
- Materials/supplies to support student learning experiences.
- Funds to provide incentives and awards for student participation and achievements.

Specify enhanced services for EL students: Write to the data points called out in the metrics sections. Answer the questions in the text box below.

1. Identify Student Group (list only one at a time) in Red and all the areas they are identified in.

Kratt currently has no student groups in red.

2. Using Title I funds Only: What are the planned expenses to support this student group?

Teaching Fellows to support student centered experiences, such as Red Ribbon Week, Read Across America, structured outdoor activities.

Hand in Hand Mentor to support with student academic, attendance monitoring, and school connectedness.

Positivity Project to support student overall SEL and connectedness to school.

3. As a site: What are planned actions to support this student group?

- EL students will participate in all grade level opportunities.
- Reading writing, listening, and speaking opportunities will be embedded in all activities to provide opportunities for language acquisition and use.

Specify enhanced services for low-performing student groups. By answering the questions in the text box below, write about each specific student group called out in the metrics section.

Specify (call out) the specific student groups that require support. Utilize the SPSA PowerBI for student group data.

1. Identify the student group (list only one at a time) in red and all the areas they are identified in.

Kratt elementary has identified African American students in the red on the California Dashboard.

2. Using Title I funds Only: What are the planned expenses to support this student group?

With Title I funds we plan to support African American students by utilizing Positivity Project daily (Tier 1) and having a Mentor that works on targeted supports (Tier 2).

3. Using 7090/7091 funds only: What are the planned expenses to support this student group?

With 7090 or 7091 funds we plan to support African American students by utilizing incentives and rewards for SEL, California Teaching Fellows for clubs and structured recess activities, materials and supplies that support learning, and a site funded TSA that in addition to teaching responsibility will focus on Campus Culture.

4. As a site: What are planned actions to support this student group? Here you can respond to work that is done by teachers, PLCs, ILT, and other baseline funded staff at your school sites or other district supports that you do not fund out of the SPSA

- Students will be supported through the CWAS, RCA and Hand in Hand Mentor when needed. Interventions and supports will be provided to students based on data/need.
- HSL, CWAS, RCA and Admin team will work with small groups to improve attendance and reduce misbehaviors. Specifically focused on African American, Asian, English learners and SWD

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Students will engage in recognition, Social emotional learning, and activities that decrease chronic absenteeism and suspensions.

- District provided Home Scholl Liaison that has helped with home to school connections.
- Quarterly awards that recognize student effort, achievement and character.
- Multiple all school rallies led by student council to increase sense of fun.
- Yearbook available to capture memories.
- Collaboration with PTA on fun events like Jog-a-thon, dance, and game night.
- Use of RCA and Hand in Hand Mentor
- Use of Second Step and Positivity Project.
- Use of B.A.R.K acronym for common language around expectations and guidelines for success.
- Days devoted to IEP and SST meetings to keep pace with parent requests and compliance.
- Extended learning opportunities through winter and summer camps. Plus, After School program daily.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Student engagement opportunities / Supports for SEL / Decrease Chronic Absenteeism.

- Chronic Absenteeism is at 29.9% as of March 4, 2024
- SWD chronic absenteeism is at 43.7% as of March 4, 2024
- English Learner chronic absenteeism is at 14% as of March 4, 2024
- 41 suspension incidents so far this school year.
- 27 of the suspensions are males.
- 63% of suspensions are for threat, attempt or causing physical injury.
- Lack of a Tler II specialist for second year in a row from Department of Prevention and Intervention.
- Lack of parent engagement in attendance meetings and other topics for students with chronic abences.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

The site intended on having a Tier II specialist for the second year in a row where staffing did not materialize. The school psychologist, RCA and Hand in Hand Mentor worked to subsidize this work in addition to other responsibilities. Implementation of the Second Step curriculum remains inconsistent even though the site added a daily SEL block to all grade level schedules. The Targeted Student Support Team remained consistent for the year and traction is beginning in areas of Tier I. A dedicated Tier II specialist will help the team be more proactive and targeted. The school Climate and Culture team continued on work around data points from the Climate Survey. Our goal was primarily focused on students reporting feeling safe at school. The site experienced a positive 5% growth in that area primarily focusing on Tier I structures. Consistency in staffing has helped changes to take hold including the use of our district funded campus safety assistant.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Kratt will continue to refine our tier I practices while focusing on targeted tier II moves that support our identified ATSI groups. We will continue to utilize staff including teaching fellows to sponsor lunch time club opportunities for students and structured activities during recess time. The Resource Counseling Assistant will continue to expand offerings through the student support center. The site plans to continue using a minimum of one Hand in Hand Mentor to support students in day-to-day challenges. We hope the district works to staff a dedicated Tier II specialist at our site. The school will continue to have a dedicated Campus Safety Assistant. That role expanded this year to include more student interactions and will continue to expand as a support to students to help make connections to the site.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

Timeline:

- Quarterly

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Provide wider array of options during recess: including clubs, noon-time library activities, outdoor structured activities, and additional play equipment. Specifically utilize TSA for club options and monitoring student engagement. (Tier 1)
- Resource Counseling Assistant will support alternative recess location for students in grades K-6 during morning/lunch recess and/or de-escalation room for short "time-aways" from class. Materials will be purchased to support these activities. (Tier 2)
- Character Counts will be emphasized in order to develop a positive school culture. Students will continue to earn charms for their "achievement necklace" by demonstrating character, kindness, and through participation in activities.
- A Teaching Fellow will plan and implement organized noon-time activities for students during lunch recesses. These activities will help engage students in team building and character development. (Tier 1)
- Quarterly behavior incentives will be offered to promote kindness, character counts, and encourage school connectedness. Organized by TSA and recognized at quarterly awards assembly.
- School assemblies will be provided to continue to build student belonging and school connectedness.
- Hand in Hand mentor and other student supports will continue to offer incentives to groups and case load to establish positive relationships and adult connectedness. (Tier 3)

Specify enhanced services for EL students: Write to the data points called out in the metrics sections. Answer the questions in the text box below.

All sites are required to speak to how they support English learner students. Sites with English learner students in red as indicated on the CA Dashboard and in the SPSA needs assessment are required to complete prompts 1-4.

1. Identify English learner students in Red and all the areas that they are identified in.

Kratt has no identified student groups in the red.

2. Using Title I funds Only: What are the planned expenses to support English learner students?

With Title I funds we plan to support English learners by utilizing teaching fellows for small group instruction and work with the CT. Provide Parent Involvement materials and supplies in native language, and utilize a Hand in hand mentor for SEL support.

3. Using 7090/7091 funds only: What are the planned expenses to support English learner students?

With 7090 or 7091 funds we plan to support English learner students by having a 3.5 hour CT on staff specifically working with EL students. Hire ELPAC assessors to complete ELPAC. Provide SEL incentives and a Resource Counseling Assistant for SEL support.

4. As a site: What are planned actions to support English learner students? Here you can respond to work that is done by teachers, PLCs, ILT, and other baseline-funded staff at your school sites or other district supports that you do not fund out of the SPSA

- EL students will participate in all grade level opportunities.
- Reading writing, listening, and speaking opportunities will be embedded in all activities to provide opportunities for language acquisition and use.

Kratt elementary has identified African American, Hispanic, Socioeconomically Disadvantaged, SWD, White students in the red on the California Dashboard.

2. Using Title I funds Only: What are the planned expenses to support this student group?

With Title I funds we plan to support these students by utilizing Positivity Project daily (Tier 1) and having a Mentor that works on targeted supports (Tier 2).

3. Using 7090/7091 funds only: What are the planned expenses to support this student group?

With 7090 or 7091 funds we plan to support these students by utilizing incentives and rewards for SEL, California Teaching Fellows for clubs and structured recess activities, materials and supplies that support learning, and a site funded TSA that in addition to teaching responsibility will focus on Campus Culture.

4. As a site: What are planned actions to support this student group? Here you can respond to work that is done by teachers, PLCs, ILT, and other baseline funded staff at your school sites or other district supports that you do not fund out of the SPSA

- Students will be supported through the CWAS, RCA and Hand in Hand Mentor when needed. Interventions and supports will be provided to students based on data/need.
- HSL, CWAS, RCA and Admin team will work with small groups to improve attendance and reduce misbehaviors. Specifically focused on African American, Hispanic, Socioeconomically Disadvantaged, SWD, White

Action 2

Title: Supports for Social-Emotional Learning

Action Details:

Kratt will continue to implement a Tiered Level of support for students' social and emotional learning. A Social and Emotional Learning team will monitor students' behaviors, programs, and school supports to ensure students are engaged in the learning and support they need. This will directly link to a reduction in student suspension rates.

- All teachers will implement weekly classroom meetings and Second Step lessons to support students with conflict resolution, bullying, social skills, self-awareness, self-management, social awareness and promote positive classroom and school climate (Tier 1)
- All teachers will teach the daily character strength using the Positivity Project program (Tier 1)
- Students will receive opportunities for alternative recess location (Kratt Doghouse), structured play, and support by the RCA with appropriate social interactions. (Tier 2)
- Identified students will receive support through informal or formal behavior support contracts/interventions with incentives/rewards to promote positive behavior (Tier 2 & 3)
- The Tier II specialist will organize and structure Tier 2 supports as well as meet with small groups of students. (Tier 2). Specific emphasis will be placed on student groups that were suspended at disproportionately high levels (African American, SWD, and students of 2 or more races.)
- One Hand in Hand Mentors will be funded as an intervention/ support for identified Tier 2 & 3 students. The mentors will work with identified at-risk students to focus on addressing chronic absenteeism through daily check-ins, make positive connections with students and families, push-in support to help students transition into class and focus on staying in class to support learning, and will participate in structured activities during morning and lunch recesses.
- Students and families will participate in a variety of hands-on rallies focused on character throughout the year provided by site funded TSA
- Teachers, Administration, School Psych, nurse, and parents will participate in Student Success Team meetings to determine Tier 3 behavioral/social-emotional interventions for identified students.
- Student incentives for displaying character and following school wide expectations will be celebrated at Black Top Friday and other school wide events and feature awards.
- Quarterly incentives will be offered to promote kindness, character counts, and engage students in school connectedness.

Action 3

Title: Decrease Chronic Absenteeism

Action Details:

Kratt will increase student attendance rates by creating a focus on the importance of attendance for future student success with staff, students, families, and the community. Kratt will implement a school-wide attendance program by establishing goals for improving attendance and provide communication throughout the year to all stakeholders on the importance of attendance and improving a positive school climate resulting in better schoolwide attendance. Kratt will continue to use our site funded TSA for PE and an emphasis on student recognition and award. .

Goal 4 Metrics	Required	Current Target	Actual	As Of	Target

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Professional Learning and Positive School Environment

- Teachers received ongoing instructional coaching and support from SWJN Math and Math lesson design.
- District Provided full-time Academic Coach to help with professional learning, instructional walks, collaboration with admin team, tier 1 practices, and teacher support.
- ILT continued with in-depth study and implementation of PLC+
- Climate and Culture Team emphasis on attendance, and common area expectations.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Implementation and cycle of improvement around changes made to better implement student supports, levels of misbehavior, PAWS Lines and incentives, and other tier 1 practices.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Regional ILT focus shifted from grading for Equity to Student Engagement this year. This is the second year in a row that a Tier II specialist has failed to materialize from the leadership of the Department of Prevention and Intervention. Our Tier II team has been running through Administration and the school psychologist. Collaboration with the Climate and Culture Team led to a focus on Tier I structures around Guidelines for Success, Common Area Expectations and regular school attendance. These efforts will continue to be expanded upon. While the school has benefited from improved Tier I structures, it will be necessary in the coming year to take targeted actions around our ATSI sub groups at the Tier II level independent of if district staffing can be fulfilled.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Next year we will continue Math lesson Design and continue to include all grade levels 1-6. We will continue to provide resources and different SEL needs in small groups to students in need. We will continue to expand the impact

of the site funded TSA in working in collaboration with the staff on culture-based activities, student recognition, and family involvement. When hiring new staff we will continue to consider diversity so that our staff is representative of our school community.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

1 SSC - (Teacher/Staff, Parents, and Secondary Students).

Goal 5 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture family survey - percent favorable in family engagement domain	✓	90.13 %	86.1 %	2023-2024	90 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Family Engagement Opportunities

- Teachers and school utilize electronic messaging platforms to communicate regularly with families.
- Parent / Teacher Conferences
- Back to School Night and Open House
- Weekly school message from Principal utilizing Parent Square and Smore
- Opportunities to serve in class, on field trips and in the community.
- Parent Meetings (IEP, SST, SSC, Parent Engagement, etc)
- Regional SSW communication with identified families for support.
- Quarterly events hosted by PTA in collaboration with the school (Movie Night, Game Night, Dance, Parent Breakfast, Jog-a-thon, etc.)
- Parent Participation Week in PE classes in spring semester.
- Blacktop Friday

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

- Lack of consistency in engagement with parent messages.
- Survey data suggests parents like attending events, but lack interests in learning opportunities and helping plan / run events,
- Language barriers for some families.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

We hosted a variety of events for parents to participate in. This included quarterly awards, weekly blacktop Friday events, PTA game night, math night, PTA Dance, Family engagement hour, etc. We post weekly to Parent Square, regularly on our leadership Instagram, and utilized communication folders.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

We will continue to use available platforms to communicate to families about what is happening at the school. Planned school-wide events took shape during the year and can be expanded upon next year. Intentional efforts to plan the yearly calendar with multiple stake-holders and tie events together to maximize participation. We would like to add additional opportunities for parents with incentives tied to healthy kids and regular school attendance.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

1 SSC - (Teacher/Staff, Parents, and Secondary Students).
