PKMS Weekly Update

We are thoughtful. We are empowered. We are connected.

We are PLEASANT KNOLL!

Weekly Recap

WEB Day was a huge success last Friday! Our 8th grade leaders really stepped up to show our 6th graders what PKMS is all about! Shoutout to Mrs. Wilke and Mrs. Coyne for all of their hardwork and planning to make this a huge success! The energy and camaraderie that our students have shown already this year is unmatched. We are so excited to see what this year at the Knoll will bring!
