## The Oriskany Sports Boosters

The Oriskany Sports Booster Club is a volunteer-run 501c3 not-for-profit organization established to support and supplement the athletic programs of the Oriskany Central School District. This group of dedicated parents and community members are involved in fundraisers throughout the year to help aid in the betterment of the student-athletes and their athletic experience. The Oriskany Sports Boosters strive to enhance the athletic experience for all our student-athletes and continue to promote strong relationships and involvement in the Oriskany Central School district and throughout the Oriskany Community.

All The money generated by the Oriskany Sports Boosters goes directly back to our student-athletes. The money helps to support scholarships for our graduating student-athletes or to help cover the costs of athletic equipment and apparel. The Oriskany Sports Boosters will also help cover the cost of clinics to enhance the student-athlete experience. The Oriskany Sports Boosters are the primary sponsor of the Oriskany Holiday Hoops Basketball Tournament and a supporter of several awards ceremonies held throughout the school year.

Everyone is encouraged to become a member. In doing so, you are helping an organization that gives back and supports student-athletes. We are always in need of parent and community volunteers to help achieve and continue our goals. Please consider joining our dedicated group of volunteers!
