ALPHARETTA
HIGH
SCHOOL

BUSINESS PARTNER PROGRAM

About Our School

Alpharetta High School serves over **2000 students** and **230 staff members** (many of whom live in the Alpharetta area). It is our objective to work with the community to achieve the goals evident in our school mission: *Alpharetta High School will be nationally competitive in academics, the arts, athletics, and altruism to the community.*

Specifically, our three partnership initiatives are:

- staff support and retention
- student academic support
- student well-being and independence support

We hope to find ways to send our teachers to professional conferences to better their craft, celebrate staff members who exceed expectations in their support of our community, tutor small groups of students in their deficit areas, and bring in experts who can help us reach our students who need social and emotional supports.
