Presentation:	District Financial Package 6	Date:	8/20/2024

ARTICLE VI, ~~Section 15~~ Specific Funding

- ~~1. Building Professional Development: A District commitment of \$5 per regularly enrolled student FTE, as of October 1st, on a District wide basis will be used to support building professional development. Allocation to each site is based on student FTE.~~

- ~~2. Special Services/Special Needs At-Risk Funds: A fund of \$20 times April elementary FTE of the previous year will be allocated for the purchase of supplies or instructional materials that support learning for students identified for special education, Title I, LAP, Bilingual, 504 services, or other intervention plans at the building level.
Money will be divided proportionately according to the number of such students per building as of April enrollment, and distributed on October 1st.
Decisions on utilization of funds will be by consensus of the building special education team.~~
