

Teche Elementary

Dear Parents/Guardians,

This school year (2024-2025) Student ID's will be handled a little differently. We want to make sure everyone understands the different types of ID's we have at Teche Elementary and how they will work this school year.

All students must have an ID by 8:15 AM daily.

Student's Normal ID

Used to scan on/off bus, in Library to check in/out books, and in Cafeteria for lunch.

Cost \$7.00 to replace

Each student at this time should have a 2024-2025 Student ID (which was paid for with Supply Fees)

Student's Classroom Temporary ID

MUST STAY IN CLASS

This ID is not to leave campus at the end of the day.

This ID can be used in the Library to check in/out books and in Cafeteria for lunch.

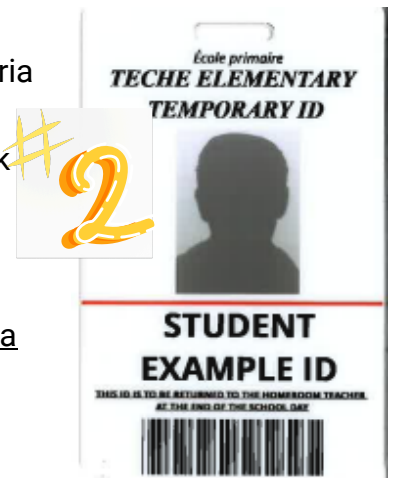

The student can rent this ID out daily (if they lose ID #1) for \$5.00 Bark Bucks.

If the student does not have any Bark Bucks' they will serve recess detention with the teacher.

On the fourth recess detention the student will get a minor referral as a dress code violation.

If this ID is LOST along with ID #1 replacement will cost \$10.00.

Classroom Temporary ID will not be replaced if lost unless paid for.

Paper Temporary ID

If both IDs have been lost and a replacement has not been purchased students will need to get a paper temporary ID.

This ID cost \$1.00 every time one is needed.

If the student does not have funds to purchase ID, they will then serve recess detention .

On the fourth Recess Detention the student will get a major referral as a dress code violation.
