2024 PSAT/NMSQT INFORMATION

On October 22, 2024, Wakulla High School and Wakulla Institute will administer the Preliminary Scholastic Aptitude Test (PSAT). This test measures skills important for college success and provides students with the tools they need to start planning for the future. Each year, students worldwide take the PSAT/NMSQT to enter scholarship competitions, prepare for the SAT, and gain valuable college and career planning tools.

WHY take the PSAT/NMSQT?

- Students can earn a comparative score for the Algebra 1 EOC – students need a 430 on the PSAT/NMSQT Math subtest to meet the mathematics assessment requirement for graduation.
- The PSAT/NMSQT is a screening test for high school students who wish to participate in the National Merit Scholarship Program. Participation could result in recognition and scholarships potentially covering the cost of attendance at major universities throughout the country.
