Logos

Our logo is the heart of our brand. It is the visual representation of our brand and one of the first impressions of our school. With consistent use, it becomes a powerful symbol of our identity and the standards we uphold. Its design must remain unaltered and can only be reproduced in its existing colors, or in black or white.

Do not change any part of the logo's colors or alter or distort its appearance in any manner outside of the specified variations. When incorporating the logo into a document, ensure it is not stretched or condensed.

File Formats

.png
Has transparent background, so background color shows through. Good for PowerPoint, web, etc. when background is a color.

.jpeg
Has solid white background. Good for use on letterhead, biz cards, web, etc., when background is white.

Color Palette:

The color palette is a recognizable feature of our brand. Consistent and strategic color usage helps reinforce brand recognition and creates a cohesive visual experience for audience.
