

**5  
GREAT REASONS  
YOUR CHILD  
SHOULD EAT  
SCHOOL MEALS**

*This institution is an equal opportunity provider.*

**1**

**THEY ARE SAFE**

Georgia's School Nutrition staff are ServSafe® certified, serving millions of safe and nutritious meals to Georgia's students. Our School Nutrition Program's health inspection scores are among the highest in Georgia!

**2**

**THEY SAVE YOU MONEY AND TIME**

School meals take the guesswork out of meal preparation for students and parents.

**3**

**THERE ARE ENOUGH FOR ALL**

When your child eats school meals, it does not reduce another child's ability to receive school meals. In fact, serving more school meals helps the local economy, your district school nutrition program and supports local farmers by serving Georgia grown items.

**4**

**THEY CONNECT WITH STUDENTS**

Students thrive in structured environments and school meals are a familiar part of their routine. School meals connect students to their school, peers and school staff.

**5**

**THEY ARE HEALTHY AND DELICIOUS**

Quality school meals are the mainstay of the Georgia School Nutrition Program! Our School Nutrition Professionals serve fresh and healthy meals that cater to students' nutritional needs. Our school meals also have the bonus of being absolutely delicious!
