The OCS Network is connected to the Internet, a network of networks, which enables people to interact with hundreds of thousands of networks and computers.

All access to the OCS Network shall be preapproved by the principal or program manager. The school or office may restrict or terminate any user's access, without prior notice, if such action is deemed necessary to maintain computing availability and security for other users of the systems. Other disciplinary action may be imposed as stated in the OCS **Student Rights and Responsibilities Policy 6.301**.

- Recognize and honor the intellectual property of others; comply with legal restrictions regarding plagiarism and the use and citation of information resources.
- Not read, modify, or remove files owned by other users.
- Restrict the use of the OCS Network and resources to the mission or function of the school system. The use of the OCS Network for personal use or for private gain is prohibited.
