**MAY**  
**1st - 16th**

Thank you to the  
EB VFW Post#133  
for partnering with EBEA  
and the  
East Brunswick Public  
Schools

The EBEA Educational Support Professional Council (ESP Council) is doing what they enjoy doing...*helping others*, and this time they are looking for your participation.

The ESP Council is holding a Mac N' Cheese Food Drive that will *"give a little comfort to those in need"*. And what better way than with a comforting, warm bowl of macaroni and cheese.

Donations will be collected and distributed by our ESP Council to those families in our district that can use a lunch or snack during the summer months when schools are closed.

So, let's help our community...

*"Make some MACARONI N' CHEESE please,  
Please help us give some macaroni n' cheese...  
It's nice and cheesy, and really pretty easy,  
so please help us give others some macaroni n' cheese!"*

***What type of donations are being accepted?*** Any type of prepackaged (non-perishable) macaroni and cheese.

***Where can I donate?*** Collection boxes will be located in the main lobby of each School, as well as the Support Operations Facility and Administration Building in the district.

***When are you collecting?*** Donations will be accepted starting May 1<sup>st</sup> and will continue through May 16<sup>th</sup>.

***Monetary donations:*** The East Brunswick VFW Post #133 on Cranbury Road will be working with us in taking monetary donations only.

***For additional information or larger donations:*** Please contact Florence Taliercio at [DirectorOfSupportStaff@my-ebea.org](mailto:DirectorOfSupportStaff@my-ebea.org)

**July 14<sup>th</sup> is National Mac and Cheese Day, please help us celebrate by giving as many packages of mac n' cheese as we can!**
