PBIS: Positive Behavior & Interventions Support

- PBIS is a school-wide approach to discipline for creating safer and more effective schools. It is a research based approach for exemplary results in both personal and academic growth.

- The process focuses on improving a school's ability to teach and support positive behavior for all students. Thus making instructional time more effective while creating a calm and structured environment conducive to learning.

Mission

At Garcia-Enriquez Middle School, our purpose is to ensure that all students master academic standards, experience social and emotional growth, and embody the campus's core values. We commit to serve as positive role models, provide a safe and supportive environment, facilitate learning and remediation, and offer extra-curricular activities that meet individual student needs.

Vision

Our vision at Garcia-Enriquez Middle School is to cultivate an environment that empowers the 21st century student to be future ready and inspire to reach their dreams.
