

Addendum A to RFP # 199-500240906: Field Lighting

USIC will mark underground utilities by September 6, 2024.

Additionally, a work order with Duke Energy has been placed regarding the cost and power availability at both locations.

Once both have been received, we will supply the information in a future addendum.

The following is a correction to the Schedule of Events that can be found on page 2.
