PRINCIPAL'S MESSAGE

Welcome Dixon Bulldogs! I encourage you to make the most of your middle school years! Be an active participant in your learning, set achievable goals, and work hard to exceed those goals! Be involved in your school and community; join a club, an athletic team, and/or participate in an extra-curricular activity. I challenge you to Unleash the Bulldog LIFE: lead, inspire, focus, and engage!

Academic Success

High Expectations=High Student Achievement

During this time in your life, education is your career. Coming to school each day is your job. These are the expectations of your job that you should meet each day:

- **Be Prepared**
- **Act Responsibly**
- **Respect Others**
- **Keep Safe**

Bulldogs know how to **BARK!**

Athletics

The athletics program is an important part of the school; however, it is secondary to its academic program. There are certain requirements that students must meet to participate in athletics:

1. Students must be in 7th or 8th grade.
2. Student must have passed a minimum of 4 classes (at least 3 of those must be core courses [Math, Science, Social Studies, Language Arts] plus 1 Encore class) from the previous semester.
3. Students will forfeit athletic eligibility when unlawful/unexcused absences, out-of-school suspensions, or any combination of unlawful/unexcused and out-of-school suspensions during the previous semester exceed ten (10) days.
4. Student must not have turned 15 on or before August 31st of the current school year. There are only two years of eligibility in middle school.

5. **Student** must receive a medical examination each academic year from a duly licensed physician, nurse practitioner or physician assistant.
6. Student and his/her parent must sign an Athletic Participation Permission form that includes the Gfeller-Waller Concussion Awareness form **prior to** participating in any tryout, practice or contest (new form must be signed each academic year).

There are also general athletic guidelines for Dixon Middle School:

- ❖ All fees and fines must be paid for a child to be eligible for athletics!
- ❖ Parents are responsible for the transportation of their child to and from practices and home athletic events. A student must have timely transportation to participate.
- ❖ All practices and tryouts are closed to visitors. † Coaches will share rules for individual sports.
- ❖ Team members may not participate in games or practices on days they are absent, in ISS, or suspended from school.
- ❖ **Removal from the team for disciplinary offenses is at the discretion of the coach and/or Administration.**

Attendance

Regular attendance is directly connected to student achievement. It is essential that students be in school every day. According to Onslow County Board Policy #4400, a student must be in attendance for 160 days per year-long course which means only 20 absences. All absences, whether excused or unexcused will be counted. Students with more than 20 absences (10 within the first ninety days and 10 within the last ninety days) in a school year shall not be promoted to the next grade except by determination of the principal or designee upon careful review of the student's records. Any "educational trips" must be submitted in writing to the principal for excused absence consideration.

A student is considered absent for the day if they are present for less than half the school day (11:05am). Absences require notes of explanation. Parents of students who are habitually absent may be charged legally for violation of the compulsory attendance law. Any absence after 10 will require a doctor's excuse.

The following reasons, as stated in North Carolina General Statute, are considered acceptable for being coded excused absences for **Daily Attendance** purposes.

Daily Attendance Excused Codes:

- Personal illness or injury
- Death in the immediate family
- Quarantine
- Educational Opportunity (Approval from the principal prior to the absence is required and all work must be made up.)
- Medical or dental appointments
- Court or administrative proceedings
- Religious observances

Any student who is absent will have a reasonable amount of time to make up any missed work upon their return to school. The student is responsible for requesting the missed work. Extended absences due to serious illness will be addressed by the student's teachers and/or administration on a case-by-case basis.

Bus Regulations

Because the safety of our children is a top priority, it is imperative that all parents and students review the Onslow County Schools' Student Discipline Policies and School Bus Safety Regulations Handbook. Of particular importance are School Bus Safety Student Conduct Rules and Misconduct on a School Vehicle. These policies will be enforced with parents and students receiving written notification of consequences based on severity of violations and prior rule infractions. Please help us ensure that the bus ride for all students is a safe one.

Dixon Middle School General Bus Rules include:

- Obey the bus driver promptly concerning conduct on the bus.
- Observe classroom conduct, except for ordinary conversation with students in the same seat, while getting on or off and while riding on the school bus.
- Be at the place designated both morning and afternoon ready to board the bus prior to the time shown on the posted schedule. The driver is responsible for maintaining this schedule and will not wait for tardy students.
- Help keep the bus clean, sanitary, and orderly and do not damage or abuse the cushions or other bus equipment. Students will be required to pay for

damages. For the child's safety, eating is not permitted on the school bus.

- Do not use drugs, alcohol, tobacco or profane language on the bus.
- Students are not permitted to use recording devices or radios on the bus.
- The number to reach the Dixon district bus coordinator is (910) 347-6708.

Visit <https://nc02213593.schoolwires.net/Page/1983> for additional behavior expectations on the school bus or at the bus stop.

Consequences for infractions of bus rules may include a written warning, suspension from riding the bus for one to two weeks, and up to losing the privilege to ride for the rest of the school year. The consequences assigned are at the discretion of the administration and the transportation office.

Child Nutrition

Child Nutrition offers healthy meals every school day. Each student is assigned a computerized student number to purchase breakfast and lunch. This number is to be used by that student only. Students may use their lunch number only once per meal. Misuse of another student's lunch number is considered theft and will result in disciplinary action.

Breakfast costs \$1.25; lunch costs \$2.50. Students may qualify for free meals or for reduced price meals.

A new application is required EACH school year beginning July 1 and are available throughout the school year.

Families who feel they may qualify are encouraged to fill out and submit meal benefit applications.

One application per family can be completed.

The information provided will be used to determine eligibility for free or reduced-priced meals. This information may also be used for other state or federally funded school benefits.

If your family chooses to apply, please complete a "**Free and Reduced Meal Price Application Form.**" Applications can be completed online at www.lunchapplication.com.

Communicable Diseases

If a child has a communicable disease (for example, pink eye or head lice) Board Policy 4230.5 requires that he/she remain at home until the disease is no longer contagious for the protection of other students and staff.

Conferences

We encourage parent-teacher conferences. A parent teacher conference or a phone call to a teacher is the first step a parent should take if there is a concern. Conferences should be scheduled with the child's teachers or by calling the school at (910) 347-2738. FERPA (confidentiality regulations) requires that conferences be arranged by the legal parent or legal guardian and that the legal parent or legal guardian be present at the conference.

Extra-curricular Activities

Attending extra-curricular and other after-school activities is considered a privilege. Students must have a signed permission slip to attend. **Students are expected to adhere to the school dress code and code of conduct while participating/attending school-related activities.** Students will not be permitted to attend such events if they are assigned ISS or OSS on the date of the event. Students must be picked up promptly after the event. Administration has the right to deny student attendance/participation in any event.

Grade Reports

To keep parents informed and involved in their child's education, report cards will be sent home every nine weeks. Parents are encouraged to sign up for Parent Portal on PowerSchool so that they have up to date information on their child's grades.

Hall Passes

When it is necessary for a student to be out of class for any reason, he/she must have a pass. Hall passes for specific destinations are used by each teacher. Failure to have a hall pass from a teacher will be considered skipping class. Only one student from each class should utilize a hall pass. Students should proceed directly to their destination without unnecessary detours.

Inclement Weather

In the event of inclement weather, OCS sends out phone alerts and posts to websites to notify students, parents and staff of school delays and closings. Parents/Guardians should ensure contact information is up to date. In the event of delayed opening, the buses will also run late.

Instructional Time

One important way that a school can have a positive and direct impact on student achievement is through the protection of instructional time. For this reason, **no visitors will be allowed in classrooms during**

the school day unless they are a guest speaker, part of a planned instructional activity, or have planned of time with the front office.

Media Center

Students may check out a maximum of two books at a time. Books may be checked out for a two-week period and may be renewed twice. Students with overdue or lost books cannot check out additional books until this is taken care of. If a student loses or damages books checked out in his/her name, they must pay for the book.

Medication

Except in special circumstances, which have been approved by a physician and the school nurse (i.e., certain asthma inhalers), all medication is dispensed from the school office. All medications require a physician completed medication form completed that is filed with the school. **This properly completed form and the medication need to be brought to the office by the parent/guardian.** Students are not permitted to carry medicine themselves nor are they allowed to self-medicate. For safety reasons, over-the-counter medications (i.e., Tylenol, cough drops, eye drops, etc.) cannot be dispensed by school personnel or used by students without a physician's written order. Students cannot carry over-the-counter medications on their person or in their personal possessions. **Students who bring medication to school and do not comply with these guidelines will be disciplined, to include possible suspension from school and referral to legal authorities.**

Moment of Silence

The Onslow County Board of Education Policy #3330/4050, authorizes the observance of a moment of silence each day in all grades in the school system. A moment of silence may not exceed one minute in length, must be completely unstructured and free of any influence from any source, and no other activity will be allowed during that time. DMS observes a moment of silence at the start of the school day.

Parent Support Organization

Dixon Middle School encourages parents to form a school support organization. If you are interested in establishing, building, or joining, please call the school so that we can get you a contact form for this organization.

Promotion/Retention Standards

OCS Board of Education Policy #3420: “.In order to be considered for promotion, students in grades 3 through 8 shall perform at least at grade level as identified by the state end-of-grade tests, observations, grades, teacher-generated, locally generated, and state-generated assessments; work samples, portfolios and/or other factors in all areas of the curriculum.

It is recognized that the final authority to grade and place students is the responsibility of the principal, in accordance with G.S. 115C-288(a). The principal shall consider the pupil’s classroom work and grades, the student’s scores on standardized tests, and the best educational interests of the student.”

6-8 Additional Promotion Requirements

Students in grades six through eight must earn a passing grade in a minimum of 5 yearlong or equivalent yearlong combination curricular classes, two of which should be language arts and mathematics.

6-8 High School Credit-bearing Courses

A student in grades 6-8 who chooses to enroll in a high school credit-bearing course will be held to the High School Diploma Standards as indicated below.

“To receive a North Carolina high school diploma, all students must meet all existing local and state graduation requirements” (as noted in Policy [3460](#) Graduation Requirements).

Reporting Harassment/Threats/Bullying

Harassment, communicating threats, and/or bullying reporting forms for students and parents are available in the front office and on the school’s webpage. Students, parents, volunteers and/or visitors are encouraged to submit any complaints of discrimination or harassment, other than sexual harassment, through the grievance procedure established in Policy #1740/4010, Student and Parent Grievance Policy. Reports may be made anonymously, and all reports will be investigated. Once the investigation is completed, violations may result in in-school or out-of-school suspension.

School Counselors

Students may request to see the school counselors via the form on the webpage. Students are encouraged to work with the counselors for **personal** guidance and for information on grades, study help, and testing programs. Counselors are available to discuss any home, school, or social concerns. The counselors are also available for assistance with peer mediation.

School Hours

The classroom doors will open at 7:10am. Students will not be permitted on campus before 7:10am unless they are attending scheduled tutoring or a school sponsored activity. Breakfast will be available each morning. Students eating breakfast must remain in the cafeteria. Any student not eating breakfast will report straight to their homeroom class upon arrival. The first bell will ring at 7:25am and the tardy bell will ring at 7:30am. Students who arrive in their classroom after 7:30am will be marked tardy. School officials will notify parents when tardiness becomes a recurring problem. Students are expected to leave school immediately following dismissal at 2:40pm, unless they are involved in a school sponsored activity.

Signing In/Out

Late arrival/early checkout is strongly discouraged. Students miss valuable instruction and will be counted absent or tardy in accordance with the county attendance policy. Students will not be released to anyone but a parent, legal guardian, or emergency contact with proper identification.

To prepare for dismissal and to ensure the safety of all students, it will not be possible for students to be checked out after 2:20pm.

Student Recognition

We believe in recognizing and rewarding excellence in our students. We have several recognition programs:

- Honors Assemblies—Celebrations will be held at the end of the year to recognize students who have been on honor roll and principal’s list all year.
- Students receiving Honors recognition each nine weeks will be awarded a certificate from their homeroom teacher.
- Grade-level incentive trips/socials—Details about eligibility will be shared by each grade level team.

Student Physical Examination Requirements

Physical examinations for middle school students will be required only for those participating in athletics, or those students who are unable to participate fully in regular PE classes. The doctor should indicate limitations in PE classes on the physical form or in a written note. Any student who is under a doctor’s care cannot participate in athletics or PE until the doctor provides a written release. Physical forms must be presented to the coach prior to the first day of practice or try-outs for any athletic team, including cheerleading.

Books/Laptops

Students are expected to take proper care of all books/laptops issued to them or used in the classroom or library. Students are responsible for turning all books on schedule. **If a book/laptop is lost or damaged, it must be paid for.** Students must be responsible for their books/laptops and these should not be left unattended. Students are expected to bring their books/laptops to class daily unless directed otherwise by the teacher. **When a student is issued a 1:1 laptop, both the laptop and charger must be returned to the school at the end of the year. A fee will be assessed if any part is missing.**

STUDENT CODE OF CONDUCT AND DISCIPLINARY PROCEDURES

The rules and regulations are established for the health, safety, and welfare of all students. Students are responsible for knowing the rules and policies of the school system and DMS. The following listings are the basic rules. However, additional regulations may be added as necessary. Whenever possible, student discipline will be handled between the teacher, student, and their parents. Dixon Middle School is dedicated to effective school/family communication, and it is through this contact that we can meet the needs of each individual student. Each teacher has a written classroom management plan that they will share with students and parents at the start of the school year.

Aggressive Behavior

Aggressive physical contact between students is a safety risk for them and those around them. Shoving, kicking, hitting, pushing, slapping, etc. regardless of intent are unacceptable behaviors.
