Dear Parents and Students,

Churchill Jr. High School is joining East Brunswick High School in asking high school students to volunteer their time through community service. Upon completion, students who participated in this project will have their community service listed on their official transcript. It will be recorded every year that service is completed.

The number of hours required is 15. If a student completes less than 15 hours, it will NOT be listed on the transcript. The Community Service Project is open to all students in grades 9 - 12. Those students who are interested in volunteering their time are asked to complete a Community Service Packet. They may pick this packet up from the Counseling Department. It can also be found under the Community Service section on the Counseling page on the CJHS website. The Request for Approval form must be signed by the student's counselor PRIOR to starting service.

The goals for the Community Service Project are:

- Develop a sense of citizenship
- Cultivate individual responsibility
- Cultivate a sense of social responsibility
- Build self-worth and self-esteem
- Bridge generation barriers
- Relate learning to life experience
- Encourage continuing community service after high school

The Greek writer, Aesop, once wrote, "No act of kindness, no matter how small, is ever wasted."

Community Service Procedures

- 1. It is the responsibility of the student to find a placement with a Community Service Organization.
- 2. Complete the "Request for Approval/ Parental Permission Form"
- 3. Meet with your Guidance Counselor [by appointment]. You will receive notification as to time and place.
- 4. Return form to Miss. Lipariti.
- 5. Request for approval is to be done prior to beginning every new service. Although a meeting with the Guidance Counselor is only required before beginning your first service, a second or third meeting might be necessary prior to the beginning of any subsequent service.
- 6. At the conclusion of your service, you will write a one-page reflection essay to include in this packet. The essay should describe the differences that community service has made in the student's life and the life of others. Only one essay should be submitted regardless of the number of service organizations used. (see https://www.ebnet.org/Page/11105 for more information).

7. ALL forms must be completed by Monday, May 12, 2025
