Highlighted Students

Brent Lund graduated this past May. During his time at Black Canyon he was liked by all, was kind, and always had a unique sense of humor. We watched Brent transform and grow into the amazing young man we know today. Congratulations, Brent, on your accomplishment!

Chloe Hardman joined Black Canyon as an 8th grader. She has grown as an individual, becoming a leader amongst her peers and constantly showing how to be kind to others. Thank you, Chloe, for your bright smile and kind words!

Over the Summer Happenings

July 16-19 we took a team to Chicago for a conference to transition from Summit Learning to Gradient Learning. This conference was paid for by Gradient Learning, previously Summit Learning. Same nonprofit organization but different name. This is a switch for Black Canyon from Project Based Learning (the past 3 years) to Whole Student Education.

Whole Student Learning is based on Whole Student Practices, Whole Student Outcomes, and Continuous Improvement.
