There is hereby levied from and after April 1, 1975, for the purposes stated in the proposition set forth in the preamble to this ordinance, a tax upon the sale at retail, the use, the lease or rental, the consumption and storage for use or consumption of tangible personal property and on sales of services within this Town, as defined herein, and the levy of such tax shall be as follows:

(1) At the rate of one (1%) per cent of the sales price of each item or article of tangible personal property when sold at retail in this Town; the tax to be computed on gross sales for the purpose of remitting the amount of tax due the Taxing Authority, and to include each and every retail sale.

(2) At the rate of one (1%) per cent of the cost price of each item or article of tangible personal property when the same is not sold, but is used, consumed, distributed, or stored for use or consumption in this Town; provided there shall be no duplication of the tax.

(3) At the rate of one (1%) per cent of the gross proceeds derived from the lease or rental of tangible personal property, as defined herein, where the lease or rental of such property is an established business, or part of an established business or the same is incidental or germane to the said business.

(4) At the rate of one (1%) per cent of the monthly lease or rental price paid by lessee or rentee, or contracted or agreed to be paid by lessee or rentee to the owner of the tangible personal property.

(5) At the rate of one (1%) per cent of the gross proceeds derived from the sale of services, as defined herein.

SECTION 2.02. Sales or use taxes paid to this Taxing Authority on the purchase of new motor trucks and new motor tractors licensed and registered for 12,000 pounds or more, under the provisions of Section 462 of Title 47 of the Louisiana Revised Statutes of 1950 (R. S. 47:462), new trailers and new semi-trailers licensed and registered for 16,000 pounds or more under the provisions of said Section for rental may be deducted as a credit against tax due on the rental of that item of property so that no tax is payable on rental income until the tax paid on the purchase price has been exceeded. The sales tax paid to another municipality, parish or taxing authority in the State of Louisiana, or in a municipality or county in a state other than Louisiana on the purchase price of property is not deductible from the tax subsequently due on the rental of such property in this Town. Property imported by the lessee for use in this Town that has been previously used by him in another municipality or parish in Louisiana, or in a municipality or county in a state other than Louisiana is not subject to any tax on the value when imported, but is only subject to the tax that applies on rental payments.

If the tax on rental payments fails to exceed the credits for sales or use tax paid, no refund is due the purchaser.

A dealer in this Town who ordinarily purchases personal property for sale and who withdraws a piece of property from stock for rental is not liable for a sales or use tax on the purchase price of the property when withdrawn from stock. Such person is liable only for the tax applicable on the rental payments.

Any sales tax paid on any maintenance or operation expenses of a rental business is not deductible as a credit against the tax due on rental payments; such expenses are part of the cost of doing business and do not constitute a part of the cost of the identical property being rented.

SECTION 2.03. The tax shall be collected from the dealer, as defined herein, and paid at the time and in the manner hereinafter provided.

SECTION 2.04. The tax so levied is, and shall be in addition to all other taxes, whether levied in the form of excise, or license, privilege, or property taxes levied by any other ordinance or resolution of this Taxing Authority.

SECTION 2.05. The integrated bracket schedule prescribed by the Collector of Revenue, State of Louisiana, by order issued pursuant to Section 304 of Title 47 of the Louisiana Revised Statutes of 1950 (R. S. 47:304) is established for the purpose of tax collection within the meaning of this ordinance, the applicable schedule for the municipality which includes the one (1%) per cent sales and use tax imposed by this ordinance, a three (3%) per cent state sales and use tax, and a one (1%) per cent parish school board sales and use tax, being as follows:

.48 - .67	.03
.68 - .87	.04
.88 - 1.00	.05
Sales over \$1.00	\$.05, and add 5¢ for each additional \$1.00, plus the above indicated amount on fractional parts thereof

SECTION 2.06. The collection of the tax herein levied shall be made in the name of the Town of Vinton, State of Louisiana, by the Collector.

(1) The gross proceeds derived from the sale in this Town of livestock, poultry and other farm products direct from the farm, provided

that such sales are made directly by the producers. When sales of livestock, poultry and other farm products are made to consumers by any person other than a producer, they are not exempted from the tax imposed by this ordinance, provided, however, that every agricultural commodity sold by any person, other than a producer, to any other person who purchases not for direct consumption but for the purpose of acquiring raw products for use or for sale in the process of preparing, finishing or manufacturing such agricultural commodity for the ultimate retail consumer trade, shall be exempted from any and all provisions of this ordinance, including payment of the tax applicable to the sale, storage, use, transfer, or any other utilization of or handling thereof, except when such agricultural commodity is actually sold as a marketable or finished product to the ultimate consumer, and in no case shall more than one tax be exacted.

(3) Where a part of the purchase price is represented by an article traded in, the sales tax is payable on the total purchase price less the market value of the article traded in.

(4) The sale at retail, the use, the consumption, the distribution, and the storage to be used or consumed in this Town of the following tangible personal property is hereby specifically exempted from the tax imposed by this ordinance: gasoline, steam, water (not including mineral water or carbonated water or any water put up in bottles, jugs or containers, all of which are not exempted); electric power or energy; newspaper; fertilizer and containers used for farm products when sold directly to the farmer; natural gas, fuel oil and coal when used for boiler fuel; new automobiles and new aircraft withdrawn from stock by factory authorized new automobile and new aircraft dealers, with the

Sales of meals furnished to the staff and students of educational institutions, including kindergarten; the staff and patients of hospitals; the staff, inmates and patients of mental institutions; boarders of rooming houses; and occasional meals furnished in connection with or by educational, religious or medical organizations are exempt from the taxes imposed by this ordinance, provided the meals are consumed on the premises where purchased; and further provided, however, that sales by any of the above in facilities open to outsiders or to the general public are not exempt from the taxes imposed by this ordinance. Food sales by restaurants, drive-ins, snack bars, candy and nut counters, private clubs, and sales made by any establishment not specifically exempted elsewhere, who furnish facilities for the consumption of the food on the premises, are not exempt from the taxes imposed by this ordinance.

(5) The sales of materials, equipment and machinery which enter into and become component parts of ships, vessels, including commercial fishing vessels, or barges, of fifty tons load displacement and over, built in Louisiana nor to the gross proceeds from the sale of such ships, vessels or barges when sold by the builder thereof.

interstate coastwise commerce, where the laundered articles are to be used in the course of the operation of such ships or vessels.

The provisions of this Sub-section do not apply to drilling equipment used for oil exploitation or production unless such equipment is built for exclusive use outside the boundaries of the State and is removed forthwith from the State upon completion.

(7) The sale at retail of seeds for use in the planting of any kind of crops.

(8) The sale of casing, drill pipe and tubing in the Town for use offshore beyond the territorial limits of the State of Louisiana for the production of oil, gas, sulphur and other minerals.

(15) The sale at retail of tangible personal property purchased within this Town and delivered outside this Town for use exclusively beyond the territorial limits of this Town. If tangible personal property purchased tax free under the provisions of this section is later brought into this Town for use herein, the property shall be subject to the use tax as of the time it is brought into the Town for use herein, subject to the credit provided in Section 5.03 of this ordinance.

If the first use of tangible personal property purchased in this Town for use beyond the territorial limits of this Town occurs in a municipality or parish of the State of Louisiana or in a municipality or county in a state other than Louisiana which imposes a sales or use tax, the exemption provided herein shall apply only if:

(1) The purchaser is properly registered for sales and use tax purposes in a municipality or parish in the State of Louisiana or in a municipality or county in a state other than Louisiana, wherein such tangible personal property is used, and regularly reports and pays sales and use tax in such other municipality or parish in the State of Louisiana or in a municipality or county in a state other than Louisiana; and

(2) The municipality or parish in the State of Louisiana or the municipality or county in a state other than Louisiana in which the first use occurs grants on a reciprocal basis a similar exemption on purchases within that municipality or parish in the State of Louisiana or municipality or county in a state other than Louisiana for use in this Town; and

(3) The purchaser obtains from the Collector a certificate authorizing him to make the non-taxable purchases authorized under this section.

(16) Sales of materials or services involved in lump sum or unit price construction contracts entered into and reduced to writing prior to the effective date of this ordinance or to sales or services involved in contracts entered into and reduced to writing within ninety (90) days thereafter, if such contracts involve contractual obligations undertaken prior to such effective date and were computed and bid on the basis of sales taxes at the rates effective and existing prior to such effective date of this ordinance.

(17) Purchases of equipment used in fire fighting by bona fide organized public volunteer fire departments.

The exemption provided herein shall not apply to any event intended to yield a profit to the promoter or to any individual contracted to provide services or equipment, or both, for the event.

This section shall not be construed to exempt any organization or activity from the payment of sales or use taxes otherwise required by law to be made on purchases made by these organizations.

This section shall not be construed to exempt regular commercial ventures of any type such as book stores, restaurants, gift

shops, commercial flea markets and similar activities that are sponsored by organizations qualifying hereunder which are in competition with the retail merchants.

This sponsorship of any event by any organization applying for an exemption hereunder must be genuine. Sponsorship will not be genuine in any case in which exemption from taxation is a major consideration leading to such sponsorship.

An exemption certificate must be obtained from the Collector, under such regulations as he shall prescribe, in order for non-profit organizations to qualify for the exemption provided in this section.

Any organization which endorses any candidate for political office or otherwise is involved in political activities shall not be eligible for the exemption herein provided.

(20) Sales or purchases made by blind persons in the conduct of a business which is exempt from license taxes required by R. S. 46:371 through 46:373.

(21) Necessary fees incurred in connection with the installation and service of cable television. Such exemption shall not apply to purchases made by any cable television system, but shall only apply to funds collected from the subscribers for regular service, installation and repairs.

SECTION 3.02. It is not the intention of this ordinance to levy a tax upon articles of tangible personal property imported into this Town, or produced or manufactured in this Town for export; nor is it the intention of this ordinance to levy a tax on a bona fide transaction in interstate commerce. It is, however, the intention of this ordinance to levy a tax on the sale at retail, the use, the consumption, the distribution, and the storage to be used or consumed in this Town of tangible personal property after it has come to rest in this Town and has become a part of the mass of property in this Town. The provisions of this ordinance shall not apply in respect to the use, or

consumption, or distribution, or storage of tangible personal property for use or consumption in this Town, upon which a like tax equal to, or greater than the amount imposed by this ordinance, has been paid in another municipality or parish in Louisiana, or in a municipality or county in a state other than Louisiana, the proof of payment of such tax to be according to rules and regulations made by the Collector. If the amount of the tax paid in a municipality or parish in Louisiana, or in a municipality or county in a state other than Louisiana is not equal to or greater than the amount of tax imposed by this ordinance, then the dealer shall pay to the Town an amount sufficient to make the tax paid in the other municipality or parish in Louisiana, or in the other municipality or county in a state other than Louisiana, and in this Town equal to the amount of tax imposed by this ordinance.

SECTION 3.03. No tax shall be due under this ordinance on the sale of any goods or personal tangible property delivered or services performed outside the territorial limits of the Town.

COLLECTION OF TAX BY DEALER

SECTION 4.01. The tax levied by this ordinance shall be collected by the dealer from the purchaser or consumer, except as provided for collection of the tax on motor vehicles in Section 4.06 of this ordinance. The dealer shall have the same right in respect to collecting the tax from the purchaser, or in respect to non-payment of the tax by the purchaser, as if the tax were a part of the purchase price of the property, or charges for services, and payable at the time of the sale; provided, however, that this Taxing Authority shall be joined as a party plaintiff in any action or proceeding brought by the dealer to collect the tax.

SECTION 4.02. Every dealer located outside the Town delivering tangible personal property for distribution, storage, use or other consumption in this Town shall, at the time of making sales, collect the

tax imposed by this ordinance from the purchaser.

SECTION 4.03. The dealer shall, as far as practicable, add the exact amount of the tax imposed under this ordinance, or the average equivalent thereof, in conformity with the rules and regulations to be issued by the Collector, to the sale price or charge, and when added, such tax shall constitute a part of such price or charge and shall be a debt from the purchaser or consumer to the dealer, until paid, and shall be recoverable at law, in the same manner as other debts.

SECTION 4.04. In order to aid in the administration and enforcement of the provisions of this ordinance, and to collect all of the taxes imposed by this ordinance, on or before April 1, 1975, or in the case of dealers commencing business after April 1, 1975, or opening new places of business after such date, within three (3) days after such commencement or opening, every dealer purchasing or importing tangible personal property for resale shall file with the Collector a certificate of registration in a form prescribed by him. The Collector shall, within five (5) days after such registration, issue without charge to each dealer who purchases or imports for resale a certificate of authority empowering such dealer to collect the tax from the purchaser, and the duplicates thereof, for each additional place of business of such dealer. Each certificate or duplicate shall state the place of business of which it is applicable. Such certificate of authority shall be prominently displayed in all places of business of the dealer. A dealer who has no regular place of doing business shall attach such certificate to his cart, stand, truck or other merchandising device. Such certificate shall be non-assignable and non-transferable and shall be surrendered immediately to the Collector upon the dealer's ceasing to do business at the place therein named.

SECTION 4.05. A wholesale dealer or jobber shall refuse to accept a certificate that any property upon which a tax is imposed by

the ordinance is purchased for resale, and shall collect the tax imposed by this ordinance, unless the purchaser shall have filed a certificate of registration and received a certificate of authority to collect the tax imposed by this ordinance; provided, however, that the payment of the tax by such purchaser shall not relieve the purchaser of the duty herein imposed upon such purchaser to collect the tax upon any resale made by him; but such purchaser who shall thereafter file a certificate of registration and receive a certificate of authority to collect the tax may, upon application therefor, receive a refund of the taxes paid by him upon property thereafter resold by him, and upon the receipts from which he shall have collected and paid over to this Taxing Authority the tax herein imposed.

SECTION 4.06. The tax imposed by this ordinance upon the sale or use of any motor vehicle, automobile, motorcycle, truck, truck-tractor, trailer, semi-trailer, motor bus, house trailer, or any other vehicle subject to the Louisiana Vehicle Registration License Tax of the State of Louisiana shall be collected as provided in this section.

(1) The tax levied by this ordinance on any such vehicle shall be paid to the Collector of Revenue of the State of Louisiana at the time of application for a certificate of title or vehicle registration license and no certificate of title or vehicle registration license shall be issued until the tax has been paid.

(a) The tax levied by this ordinance on the sale of any such vehicle shall be due at the time registration or any transfer of registration is required by the Vehicle Registration License Tax Law of the State of Louisiana (R. S. 47:451, et seq.).

(b) The tax levied by this ordinance on the use of any such vehicle in this Town shall be due at the time first registration in this Town is required by the Vehicle Registration License Tax Law (R. S. 47:451, et seq.).

(2) Every vendor of such a vehicle shall furnish to the purchaser at the time of sale a sworn statement showing the serial number, motor number, type, year and model of the vehicle sold, the total sales price, any allowance for and description of any vehicle taken in trade, and the total cash difference paid or to be paid by the purchaser between the vehicle purchased and traded in and the sales or use tax to be paid, along with such other information as may be required. All labor, parts, accessories and other equipment which are attached to the vehicle at the time of the sale and which are included in the sale price are to be considered a part of the vehicle.

(3) It is not the intention of this section to grant an exemption from the tax levied by this ordinance to any sale, use, item or transaction which has heretofore been taxable and this section shall not be construed as so doing. It is the intention of this section to transfer the collection of the sales and use tax on vehicles from the vendor to the Collector of Revenue of the State of Louisiana and to provide a method of collection of the tax directly from the vendee or user by the Collector of Revenue in accordance with an agreement by and between the Collector of Revenue and this Taxing Authority, the execution of which agreement is hereby authorized. Said tax so collected by the said Collector of Revenue shall be paid to this Taxing Authority and sent to the Collector as soon as possible, and in any event at least once each month, all in accordance with the said agreement.

(4) The provision contained in Section 1.15 of this ordinance which excludes isolated or occasional sales from the definition of a sale at retail is not to apply to the sale of vehicles which are the subject of this section. Isolated or occasional sales of vehicles are hereby defined to be sales at retail and as such are subject to the tax.

SECTION 4.07. All auctioneers shall register as dealers and shall display their registration to the public as a condition of doing business in this Town. Such auctioneers or the company which they

represent shall be responsible for the collection of the tax imposed by this ordinance on articles sold by them and they shall report and remit to the Collector in the same manner as any other dealer.

SECTION 4.08. A person engaged in any business taxable under this ordinance shall not advertise or hold out to the public, in any manner, directly or indirectly, that he will absorb all or any part of the tax, or that he will relieve the purchaser from the payment of all or any part of the tax. The dealer shall state and collect the tax separately from the price paid by the purchaser, but his failure to do so shall not be available as a defense to the purchaser in any proceedings brought under this ordinance.

SECTION 4.09. Where the tax collected for any period is in excess of one (1%) per cent, the total collected must be paid over to the Collector, less the commission to be allowed the dealer as hereinafter set forth.

SECTION 4.10. Where the purchaser has failed to pay and a dealer has failed to collect a tax upon a sale, as imposed by this ordinance, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the purchaser directly to this Taxing Authority, and it shall be the duty of this purchaser to file a return thereof with the Collector and to pay the tax imposed thereon to this Taxing Authority within fifteen (15) days after such sale was made or rendered.

SECTION 4.11. For the purpose of compensating the dealer in accounting for and remitting the tax levied by this ordinance, each dealer shall be allowed one (1%) per cent of the amount of tax due and accounted for and remitted to the Collector, in the form of a deduction in submitting his report and paying the amount due by him if the amount due was not delinquent at the time of payment.

SECTION 4.12. The use of tokens is forbidden.

COLLECTION OF TAX FROM DEALER

SECTION 5.01. The tax imposed by this ordinance shall be collectible by the Collector on behalf of this Taxing Authority from all persons engaged as dealers.

SECTION 5.02. On all tangible personal property imported or caused to be imported, from other states or other political subdivisions of this State, or any foreign country, and used by him, the dealer shall pay the tax imposed by this ordinance on all articles of tangible personal property so imported and used, the same as if the said article had been sold at retail for use or consumption in this Town. For the purpose of this ordinance, use or consumption, or distribution, or storage of tangible personal property, shall each be equivalent to a sale at retail, and the tax shall thereupon immediately be levied and be collected in the manner provided herein, provided there shall be no duplication of the tax in any event.

SECTION 5.03. A credit against the use tax imposed by this ordinance shall be granted to taxpayers who have paid a similar tax upon the sale or use of the same tangible personal property in another municipality or parish in the State of Louisiana, or municipality or county in a state other than Louisiana. The credit provided herein shall be granted only in the case where the municipality, parish or taxing authority in the State of Louisiana, or the municipality or county in a state other than Louisiana to which a similar tax has been paid grants a similar credit as provided herein. The proof of payment of the similar tax to another municipality, parish or taxing authority in the State of Louisiana, or to a municipality or county in a state other than Louisiana shall be made according to rules and regulations promulgated by the Collector. In no event shall the credit be greater than the tax imposed by this Taxing Authority upon the said tangible personal property which is the subject of the use tax imposed by this ordinance.

RETURNS AND PAYMENT OF TAX

SECTION 6.01. The tax levied under this ordinance shall be due and payable by all dealers monthly on the first day of the month.

SECTION 6.02. For the purpose of ascertaining the amount of tax payable under this ordinance, it shall be the duty of all dealers on or before the twentieth (20th) day of the month following the month in which this tax shall become effective to transmit to the Collector upon forms prescribed, prepared and furnished by him, returns showing the gross sales, purchases, gross proceeds from lease or rental, gross payments for lease or rental, gross proceeds derived from sales of services, as the case may be, arising from all taxable transactions during the preceding calendar month or during the part of the preceding calendar month, running from the effective date of this ordinance to the end of such month. Thereafter, like returns shall be prepared and transmitted to said Collector by all dealers, on or before the twentieth (20th) day of each month, for the preceding calendar month. Said returns shall show such further information as the Collector may require to enable him to correctly compute and collect the tax herein levied. Such returns shall be signed by the dealer filing the same, and his signature thereon shall constitute a warranty on the part of the dealer that he has read and examined the said returns and that, to the best of his knowledge and belief, the same are true, correct and complete. Every dealer at the time of making the return required hereunder shall compute and remit to this Taxing Authority the required tax due for the preceding calendar month.

SECTION 6.03. At the time of transmitting the return required hereunder to the Collector, the dealer shall remit to this Taxing Authority therewith, the amount of the tax due under the applicable provisions of this ordinance, and failure to so remit such tax shall cause said tax to become delinquent.

All taxes, interest and penalties imposed under this ordinance shall be paid to this Taxing Authority in the form of remittance required by the Collector.

SECTION 6.04. Gross proceeds from rentals or leases of tangible personal property where the lease or rental is part of a regularly established business, or the same is incidental or germane thereto shall be reported and the tax shall be paid with respect thereto in accordance with such rules and regulations as the Collector may prescribe.

SECTION 6.05. The Collector, for good cause, may extend for not to exceed thirty (30) days the time for making any returns required under the provisions of this ordinance.

SECTION 6.06. For the purpose of collecting and remitting to this Taxing Authority the tax imposed by this ordinance, the dealer is hereby declared to be the agent of this Taxing Authority.

RECORDS AND INSPECTION THEREOF

SECTION 7.01. It shall be the duty of every dealer to make a report and pay any tax under this ordinance, to keep and preserve suitable records of the sales or purchases or sales of services, as the case may be, taxable under this ordinance, and such other books of account as may be necessary to determine the amount of tax due hereunder, and other information as may be required by the Collector; and it shall be the duty of every such dealer moreover, to keep and preserve, for a period of three (3) years, all invoices and other records of goods, wares and merchandise or other subjects of taxation under this ordinance; and all such books, invoices and other records shall be open to examination at all reasonable hours, by the Collector or any of his duly authorized agents.

SECTION 7.02. Each dealer shall secure, maintain and keep, for a period of three (3) years, a complete record of sales of services and tangible personal property received, used, sold at retail, distributed or stored, leased or rented within this Town by said dealer, together with invoices, bills of lading, and other pertinent records and papers as may be required by the Collector for the reasonable administration of

this ordinance, and all such records shall be open for inspection to the Collector at all reasonable hours.

SECTION 7.03. In order to aid in the administration and enforcement of the provisions of this ordinance, and to collect all of the tax imposed by this ordinance, all wholesale dealers and jobbers in this Town are hereby required to keep a record of all sales of tangible personal property made in this Town, whether such sales be for cash or on terms of credit. The record required to be kept by all wholesale dealers and jobbers shall contain and include the name and address of the purchaser, the date of purchase, the article or articles purchased and the price at which the article is sold to the purchaser. These records shall be open to inspection of the Collector or his duly authorized assistants at all reasonable hours.

SECTION 7.04. For the purpose of administering this ordinance, the Collector, whenever he deems it expedient, may make or cause to be made by an employee of the department or division engaged in the administration of this ordinance, an examination or investigation of the place of business, if any, the tangible personal property, and the books, records, papers, vouchers, accounts, and documents of any dealer. It shall be the duty of every dealer and every director, official, agent, or employee of every dealer, to exhibit to the Collector or to any such employee of his department or division charged with the collection of the tax imposed by this ordinance, hereafter referred to as "deputy", the tangible personal property and all of the books, records, papers, vouchers, accounts, and documents of the dealer and to facilitate any such examination or investigation as far as it may be in his or their power so to do.

SECTION 7.05. For the purpose of enforcing the collection of the tax levied by this ordinance, the Collector is hereby specifically authorized and empowered to examine, at all reasonable hours, the books,

records and other documents of all transportation companies, agencies or firms operating in this Town, whether said companies, agencies, or firms conduct their business by truck, rail, water, airplane, or otherwise, in order to determine what dealers, as provided in this ordinance, are importing or are otherwise shipping articles of tangible personal property which are liable for said tax.

SECTION 7.06. The Collector shall keep a record of all of his official acts and shall preserve copies of all rules, decisions, and orders made by him or by any deputy of his department or division in charge of the collection of the tax imposed by this ordinance. Copies of such rules, decisions or orders and of any paper or papers filed in any office maintained by him in the administration of this ordinance may be authenticated under his official signature, and when so authenticated, shall be evidence in all courts of the state of the same weight and force as the original thereof.

SECTION 7.07. The records and files of the Collector respecting the administration of this ordinance shall be considered confidential and privileged and neither the Collector nor any employee engaged in the administration thereof or charged with the custody of any such records or files shall divulge or disclose any information obtained from such records or files or from any examination or inspection of the premises or property of any dealer. Neither the Collector nor any employee engaged in such administration or charged with the custody of any such records or files shall be required to produce any of them for the inspection of any person or for use in any action or proceeding except: (a) in an action or proceeding under the provisions of this ordinance; and, (b) when the records or files or the facts shown thereby are directly involved in such action or proceeding.

SECTION 7.08. Nothing contained in this ordinance shall be construed to prevent:

(1) the delivery to a dealer or his duly authorized representative of a copy of any return, report or other paper filed by him

pursuant to the provisions of this ordinance;

(2) the publication of statistics so classified as to prevent the identification of any return or report and the items thereof;

(3) the inspection by the Town Attorney or other legal representative of this Taxing Authority of the returns, reports or files relating to the claim of any dealer who shall have brought an action to review or set aside any tax imposed under this ordinance or against whom an action or proceeding has been instituted in accordance with the provisions hereof;

(4) the examination of the records and files by the Collector or by his duly authorized agents; or

(5) the furnishing, in the discretion of the Collector, of any information disclosed by the records or files to any official person or body of any other state or of the United States who shall be concerned with the administration of any similar tax by that state or the United States.

IMPORTED GOODS - PERMITS

SECTION 8.01. In order to prevent the illegal importation into this Town of tangible personal property which is subject to the tax, and to strengthen and make more effective the manner and method of enforcing payment of the tax imposed by this ordinance, the Collector is hereby authorized and empowered to put into operation a system of permits whereby any person, or dealer may import tangible personal property by truck, automobile, or other means of transportation other than a common carrier, without having said truck, automobile or other means of transportation seized and subject to legal proceedings for its forfeiture. Such system of permits shall require the person, or dealer who desires to import tangible personal property into this Town, which property is subject to the tax imposed by this ordinance, to apply to the Collector or his assistants for a permit stating the kind of vehicle to be used, the name

of the driver, the license number of the vehicle, the kind or character of tangible personal property to be imported, the date, the name and address of the consignee, and such other information as the Collector may deem proper or necessary. Such permits shall be free of cost to the applicant and may be obtained at the office of the Collector.

REMEDIES FOR COLLECTION, INCLUDING INTEREST, PENALTIES, ETC.

SECTION 9.01. For the purpose of the enforcement of this ordinance, and the collection of the tax levied hereunder, it is presumed that all tangible personal property, subject to the provisions of this ordinance, imported into this Town or held in this Town by any dealer is to be sold at retail, used or consumed, or stored for use or consumption in this Town, or leased or rented within this Town, and is subject to the tax herein levied; provided, that such presumption shall be prima facie only, and subject to proof furnished to the Collector.

SECTION 9.02. Failure to pay any tax due as provided in this ordinance, shall ipso facto, without demand or putting in default, cause said tax, interest, penalties, and costs to become immediately delinquent, and this Taxing Authority is hereby vested with authority, on motion in a court of competent jurisdiction, to take a rule on the said dealer, to show cause in not less than two (2) or more than ten (10) days, exclusive of holidays, after the service thereof, which may be tried out of term and in chambers, and shall always be tried by preference, why said dealer should not be ordered to cease from further pursuit of business as a dealer, and in case said rule is made absolute, the order thereon rendered shall be considered a judgment in favor of this Taxing Authority, prohibiting such dealer from further pursuit of said business until such time as he has paid the said delinquent tax, interest, penalties and costs, and every violation of the injunction shall be considered as a contempt of court, and punished according to law.

SECTION 9.03. If the amount of tax due by the dealer is not paid on or before the twentieth (20th) day of the month next following the month for which the tax is due, there shall be collected, with said tax, interest upon said unpaid amount, at the rate of one (1%) per centum per month, or fractional part thereof, to be computed from the first day of the month next following the month for which the tax is due until it is paid; and in addition to the interest that may be so due there shall also be collected a penalty equivalent to five (5%) per cent for each thirty (30) days, or fraction thereof, of delinquency, not to exceed twenty-five (25%) per cent of the tax in the aggregate, when such tax is not paid within thirty (30) days of the date the tax first becomes due and payable, and in the event of suit, attorney's fees at the rate of ten (10%) per cent of the aggregate of tax, interest and penalty.

SECTION 9.04. In the event any dealer fails to make a report and pay the tax as provided by this ordinance, or in case the dealer makes a grossly incorrect report, or a report that is false or fraudulent, it shall be the duty of the Collector to make an estimate for the taxable period of the retail sales, or sales of services, of such dealer, or of the gross proceeds from rentals or leases of tangible personal property by the dealer, and an estimate of the cost price of all articles of tangible personal property imported by the dealer for use or consumption or distribution or storage to be used or consumed in this Town, and assess and collect the tax and interest, plus penalty, if such have accrued, on the basis of such assessment, which shall be considered prima facie correct, and the burden to show the contrary shall rest upon the dealer. In the event such estimate and assessment requires an examination of books records, or documents, or an audit thereof, then the Collector shall add to the assessment the cost of such examination, together with any penalties accruing thereon. Such costs and penalties when collected shall be placed to the account of the "Sales Tax Fund" in the same manner as are the taxes collected under this ordinance.

If any dealer fails to make any return required by this ordinance or makes an incorrect return, and the circumstances indicate willful negligence or intentional disregard of rules and regulations, but no intent to defraud, there shall be imposed, in addition to any other penalties provided herein, a specific penalty of five (5%) per cent of the tax or deficiency found to be due, or Ten (\$10.00) Dollars, whichever is the greater. This specific penalty shall be an obligation to be collected and accounted for in the same manner as if it were a part of the tax due and can be enforced either in a separate action or in the same action for the collection of the tax.

SECTION 9.05. If any dealer liable for any tax, interest or penalty hereunder shall sell out his business or stock of goods or shall quit the business, he shall make a final return and payment within fifteen (15) days after the date of selling or quitting business. His successor, successors, or assigns, if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest and penalties due and unpaid until such time as the former owner shall produce a receipt from the Collector showing that they have been paid, or a certificate stating that no taxes, interest, or penalties are due. If the purchaser of a business or stock of goods shall fail to withhold purchase money as provided, he shall be personally liable for the payment of the taxes, interest and penalties accrued and unpaid on account of the operation of the business by any former owner, owners, or assignors.

SECTION 9.06. In the event that any dealer is delinquent in the payment of the tax herein provided for, the Collector may give notice of the amount of such delinquency by registered mail to all persons having in their possession or under their control, any credits or other personal property belonging to such dealer, or owing any debts to such dealer at the time of receipt by them of such notice and thereafter any person so notified shall neither transfer nor make any other disposition of such

credits, other personal property, or debts until the Collector shall have consented to a transfer or disposition, or until thirty (30) days shall have elapsed from and after the receipt of such notice. All persons so notified must, within five (5) days after receipt of such notice, advise the Collector of any and all such credits, other personal property, or debts, in their possession, under their control or owing by them, as the case may be.

SECTION 9.07. In the event the dealer has imported tangible personal property and he fails to produce an invoice showing the cost price of the articles which are subject to tax, or the invoice does not reflect the true or actual cost price, then the Collector shall ascertain, in any manner feasible, the true cost price and assess and collect the tax with interest, plus penalties, if such have accrued, on the true cost price as assessed by him. The assessment so made shall be considered prima facie correct, and the burden shall be on the dealer to show the contrary.

SECTION 9.08. In the case of the lease or rental of tangible personal property, if the consideration given or reported by the dealer does not, in the judgment of the Collector, represent the true or actual consideration, then the Collector is authorized to fix the same and collect the tax thereon for this Taxing Authority in the same manner as above provided (Section 9.07), with interest plus penalties, if such have accrued.

SECTION 9.09. In the event any transportation company, agency, or firm shall refuse to permit examination of its books, records, and other documents by the Collector, the Collector may proceed by rule, in term or in chambers, in any court of competent jurisdiction and require said transportation company, agency or firm to show cause why the Collector should not be permitted to examine its books, records or other documents, and in case said rule be made absolute, the same shall be considered

a judgment of the Court and every violation of said judgment as a contempt thereof and punished according to law.

SECTION 9.10. If any dealer subject to make and file a return required by any of the provisions of this ordinance, fails to render such return within the time required, or renders a return which is false or fraudulent, in that it contains statements which differ from the true gross sales, purchases, leases, or rentals, or other transactions, taxable under this ordinance, or otherwise fails to comply with the provisions of this ordinance, for the taxable period for which said return is made, the Collector shall give such dealer fifteen (15) days' notice, in writing, requiring such dealer to appear before him, or his assistant, with such books, records and papers as he may require, relating to the business of such dealer, for such taxable period; and said Collector may require such dealer, or the agents or employees of such dealer, to give testimony or to answer interrogatories, under oath administered by the Collector or his assistants, respecting the sale at retail, the use, or consumption or distribution, in this Town, or lease or rental of tangible personal property or other transactions, subject to tax, or the failure to make report thereof, as provided in this ordinance.

SECTION 9.11. If any dealer fails to make a return, or refuses to permit an examination of his, the dealer's books, records, or papers, or to appear and answer questions within the scope of such investigation relating to the sale, use, consumption, distribution, storage, lease or rental of tangible personal property, or sale of services, the Collector may apply to any court or competent jurisdiction, for an order requiring such dealer to make such return, or requiring the dealer, or his agents or employees, to appear and answer any such questions or permit such examinations, and the court or any judge thereof, shall thereupon issue an order, upon such reasonable notice as shall be prescribed therein to be served upon said dealer or the agents or employees of such dealer

directing him or them to so appear and testify, and to produce such books, records, and papers as may be required. Any person, or any member of any firm, co-partnership, joint venture, association, or corporation, or any agent or employee thereof, failing to comply with any such order shall be guilty of contempt, and shall be punished as provided by law in cases of contempt.

When a dealer maintains his books and records outside the Town of Vinton, the Collector is hereby vested with the authority to enter into a written agreement with said dealer providing for the examination and inspection of said dealer's books and records, at their location. The exercise of this authority is left to the discretion of the Collector. The cost of such examination and inspection, including transportation, lodging and per diem, is to be borne by the dealer. The Collector may estimate the cost of said examination and require the dealer to deposit the cost of same prior to the examination and inspection of the records involved. This provision is supplemental to and does not in any way affect the rights of the Collector as hereinabove set forth in the preceding paragraph of this ordinance.

SECTION 9.12. The importation into this Town of tangible personal property which is subject to tax, by truck, automobile, or other means of transportation other than a common carrier, without having first obtained a permit as described in Section 8.01 (if the tax imposed by this ordinance on said tangible personal property has not been paid), shall be construed as an attempt to evade payment of the said tax and the same is hereby prohibited, and the said truck, automobile, or means of transportation other than a common carrier, and said taxable property may be seized by this Taxing Authority in order to secure the same as evidence in a trial and the same shall be subject to forfeiture and sale in the manner provided for in this ordinance.

SECTION 9.13. The failure of any dealer who imports tangible

personal property from outside the Town into the Town for use or consumption or distribution or storage to be used or consumed in this Town, or who imports for lease or rental any tangible personal property subject to the provisions of this ordinance, to pay any tax, interest, penalties or costs, under this ordinance, shall ipso facto make the said tax, interest, penalties and costs delinquent and shall be construed as an attempt to avoid the payment of same which shall be sufficient grounds for attachment of such tangible personal property wherever the same may be located or found, whether said delinquent dealer be a resident or non-resident of this Town, and whether said tangible personal property is in the possession of said delinquent dealer or in the possession of other persons, firms, corporations or association of persons; provided, that it is the intention of this ordinance to prevent the disposition of the said tangible personal property in order to insure payment of the tax imposed by this ordinance, together with interest, penalties and costs, and authority to attach is hereby specifically authorized and granted to this Taxing Authority.

In addition to the penalties prescribed in this and the preceding section (Section 9.12), any person, or dealer, who shall violate the provisions thereof, upon conviction shall be punished by a fine in the sum of not more than One Hundred (\$100.00) Dollars or imprisonment in jail for a period of not more than ninety (90) days or by both such fine and imprisonment, in the discretion of the court. And, each importation or shipment by truck, automobile, or other means of transportation, other than a common carrier, found to be in violation of the provisions of these sections shall constitute a separate offense.

SECTION 9.14. The liability of any person, or dealer arising from any tax, interest and penalty, or any of them, imposed by this ordinance, from the time they are due, shall be a personal debt of such person, or dealer to this Taxing Authority recoverable in any court of

competent jurisdiction in an action at law by this Taxing Authority. Such debts, whether sued upon or not, shall be a lien on all the property of such delinquent person, or dealer, except as against an innocent purchaser for value without notice in the actual course of business. (but excluding purchasers, as provided for in Section 9.05), and shall have preference in any distribution of the assets of the person, or dealer, whether in bankruptcy, insolvency, or otherwise. The proceeds of any judgment or order obtained hereunder shall be paid to this Taxing Authority.

SECTION 9.15. This Taxing Authority may require a bond or other security satisfactory to the Collector for the payment of any taxes, fees, interests and penalties, or any of them, imposed pursuant to this ordinance when he shall find that the collection thereof may be prejudiced without such security.

SECTION 9.16. If any person, or dealer, shall fail to make a return or report as required by this ordinance, the Collector, within three (3) years after the last day on which the omitted report could have been filed without penalty, may make an estimate of the amount of taxes such person, or dealer, is liable to pay under the terms of this ordinance, from any information he is able to conveniently obtain, and according to such estimate so made by him, assess the taxes, fees, penalties and interest due this Taxing Authority from such person, or dealer, give notice of such assessment to such person or dealer, and must make demand upon him for payment, or otherwise the said claim shall prescribe.

SECTION 9.17. After a return or report is filed under the provisions of this ordinance, the Collector shall cause to be examined and make such further audit or investigation as he may deem necessary, and if therefrom, he shall determine that there is a deficiency with respect to the payment of any tax due under this ordinance, he shall assess the additional amount of tax, and any penalties and interest, or

either of them due this Taxing Authority from such person, or dealer, and make demand upon him for payment.

SECTION 9.18. If the Collector finds that any person, or dealer, liable for the payment of any tax under this ordinance designs quickly to depart from this Town or to remove therefrom his or its property, subject to any lien under the provisions of this ordinance, or to discontinue business, or to do any other act tending to prejudice or render wholly, or partly ineffectual any proceedings that might be instituted to collect such tax, whereby it shall have become important that such proceedings be instituted without delay, the Collector may make an arbitrary assessment as herein provided, whether or not any return or report is then due by law, and may proceed under such arbitrary assessment to collect the tax, or demand security for it, and thereafter shall cause notice of such findings to be given to such dealer, together with a demand for an immediate return or report, and immediate payment of such tax.

All taxes, penalties and interest assessed pursuant to the provisions of the last three preceding sections, shall be paid within fifteen (15) days after notice and demand shall have been mailed to the dealer liable therefor by this Taxing Authority. If such taxes, penalties and interest so assessed shall not be paid within such fifteen (15) days, there shall be added to the amount assessed, in addition to interest as hereinbefore provided, and any other penalties provided by this ordinance, a sum equivalent to five (5%) per cent of the tax.

SECTION 9.19. If any dealer against whom taxes have been assessed under the provisions of this ordinance, shall refuse or neglect to pay such taxes within the time prescribed in this ordinance, it shall be lawful for the Collector, or his duly authorized representative who is charged with the enforcement of collecting such taxes, to enforce collection of such taxes, together with such interest and other additional

amounts as are added by law, by distraint and sale of property or rights to property belonging to the delinquent dealer.

SECTION 9.20. Any dealer who shall neglect, fail or refuse to collect the tax as provided in Sections 4.01 through 4.10 of this ordinance, upon any, every and all retail sales made by him, or his agent, or employee, which is subject to tax, shall be liable for and pay the tax himself.

SECTION 9.21. For any one of the following violations, in addition to being liable for the other penalties provided herein, the party named shall be guilty of a misdemeanor and upon conviction be punished by a fine of not more than One Hundred (\$100.00) Dollars, or imprisonment in jail for not more than three (3) months, or both, in the discretion of the court:

(1) any person who as a purchaser is obligated to report and pay the tax imposed upon any purchase made by him under Sections 4.01 through 4.10 of this ordinance, and who fails, neglects, and refuses to file a return thereof with the Collector and pay the tax imposed thereon, within the time stated after such sale is made;

(2) any dealer who shall fail, neglect or refuse to collect the tax as provided in Sections 4.01 through 4.10 of this ordinance, whether by himself or through his agents or employees;

(3) any dealer violating the provisions of Sections 9.05 and 9.06 of this ordinance;

(4) any dealer who fails to permit an inspection of records by the Collector as provided in Section 7.01 of this ordinance;

(5) any wholesale dealer or jobber in this Town who fails to keep records, or fails to permit an inspection thereof by the Collector as provided in Section 7.03 of this ordinance;

(6) any dealer, wholesale dealer or jobber who violates the provisions of Sections 4.04 and 4.05 of this ordinance;

(7) any dealer who violates the provisions of Section 7.02 of this ordinance;

(8) any dealer failing or refusing to furnish any return as provided in Sections 6.01 through 6.06 of this ordinance, or failing or refusing to furnish a supplemental return or other data required by the Collector;

(9) any dealer required to make, render, sign or verify any return, as provided in Sections 6.01 through 6.06 of this ordinance, who makes a false or fraudulent return, with intent to evade a tax hereby levied;

(10) the president, executive officers, managers and directors of any corporation, who shall violate the provisions of Section 9.22 of this ordinance; provided that such fine and imprisonment shall not prevent other action against the corporation as otherwise provided in this ordinance for the recovery of the tax, interest and penalties that may be due; and

(11) any person who shall violate any other provisions of this ordinance, punishment for which is not otherwise herein provided.

SECTION 9.22. No corporation organized under the laws of this State shall hereafter be dissolved, or effect a merger, reorganization, or consolidation under any law of this State by the action of the stockholders or by the decree of any Court until all taxes, fees, penalties and interest imposed on the corporation in accordance with the provisions of this ordinance shall have been paid in full. No foreign corporation which has obtained authority from the State to transact business in this Town may surrender such authority and withdraw from this State until all taxes, fees, penalties, interest and other charges imposed upon said corporation in accordance with the provisions of this ordinance shall have been fully paid.

SECTION 9.23. Any person or dealer who shall fail to pay any tax levied by this ordinance on or before the day when such tax shall be

REFUNDS AND REIMBURSEMENTS

SECTION 10.01. In the event purchases are returned to the dealer by the purchaser or consumer after the tax imposed by this ordinance has been collected or charged to the account of the consumer or user, the dealer shall be entitled to reimbursement of the amount of tax so collected or charged by him, in the manner prescribed by the Collector and, in case the tax has not been remitted by the dealer to this Taxing Authority, the dealer may deduct the same in submitting his return. Upon receipt of a sworn statement of the dealer as to the gross amount of such refunds during the period covered by such sworn statement, which period shall not be longer than ninety (90) days, this Taxing Authority, through the Collector, shall issue to the dealer an official credit memorandum equal to the net amount remitted by the dealer for such tax collected. Such memorandum shall be accepted by this Taxing Authority at full face value, from the dealer to whom it is issued, in the

remittance for subsequent taxes accrued under the provisions of this ordinance.

SECTION 10.02. If any dealer shall have given to the Collector notice within the time provided in Section 10.01 of this ordinance, such dealer thereafter at any time within two (2) years after the payment of any original or additional tax assessed against him, may file with the Collector a claim under oath for refund, in such form as the Collector may prescribe, stating the grounds thereof. However, no claim for refund shall be required or permitted to be filed with respect to a tax paid, after protest has been filed with the Collector as hereinafter provided, or after proceeding on appeal has been finally determined.

SECTION 10.03. If, upon examination of such claim for refund, it shall be determined by the Collector that there has been an overpayment of tax, the amount of such overpayment shall be credited against any liability of any dealer under this ordinance, and if there be no such liability, the said dealer shall be entitled to a refund of the tax so overpaid. If the Collector shall reject the claim for refund in whole or in part he shall make an order accordingly and serve notice upon such dealer.

SECTION 10.04. Where no question of fact or law is involved, and it appears from the records of this Taxing Authority that any moneys have been erroneously or illegally collected from any dealer, or have been paid by any dealer under a mistake of fact or law, the Collector may, at any time within two (2) years of payment, upon making a record in writing of his reasons therefor, certify that any dealer is entitled to such refund and thereupon the Collector shall authorize the payment thereof from any appropriation available for such purposes.

SECTION 10.05. When, to secure compliance with any of the provisions of this ordinance any moneys shall have been deposited with this Taxing Authority by any dealer, and shall have been paid over to

this Taxing Authority and the Collector shall be satisfied that such dealer has fully complied with all such provisions, the Collector shall so certify and authorize re-payment from any appropriations available for such purpose to such dealer of such moneys, or such part thereof as the Collector shall certify has not been applied by him to the satisfaction of any indebtedness arising under this ordinance.

SECTION 10.06. In the event tangible personal property, being a part of and used in or about a person's home, apartment or homestead, and on which tangible personal property a tax has been paid to this Taxing Authority under the provisions of this ordinance by the owner of said property, is destroyed by a natural disaster occurring in an area subsequently determined by the President of the United States to warrant assistance by the Federal Government, the owner thereof who was the purchaser who paid the tax under this ordinance shall be entitled to reimbursement of the amount of the tax paid on such tangible personal property destroyed for which no reimbursement was received by insurance or otherwise.

Upon receipt of a sworn statement of the owner as to the amount of the taxes paid under the provisions of this ordinance on tangible personal property destroyed as aforesaid, the Collector shall make refund to said owner in the amount to which he is entitled.

No refund shall be made under the provisions of this Sub-section unless a claim for refund covering the amount to which an owner is entitled is filed on or before the end of the third calendar year following the calendar year in which the property was destroyed.

The Collector is authorized to prescribe the forms and regulations for use in carrying out the provisions of this Sub-section.

REMEDIES OF THE DEALER

SECTION 11.01. A right of action is hereby created to afford a remedy at law for any dealer aggrieved by the provisions of this ordinance; and in case of any such dealer resisting the payment of any

amount found due, or the enforcement of any provisions of such laws in relation thereto, such dealer shall pay the amount found due by the Collector and shall give the Collector notice, at the time, of his intention to file suit for the recovery of the same; and upon receipt of such notice the amount so paid shall be segregated and held by the Collector for a period of thirty (30) days; and if suit be filed within such time for recovery of such amount, such funds so segregated shall be further held, pending the outcome of such suit. If the dealer prevails, the Collector shall refund the amount to the claimant, with interest at the rate of two (2%) per cent per annum covering the period from the date the said funds were received by this Taxing Authority to the date of refund.

SECTION 11.02. This section shall afford a legal remedy and right of action in any State, City or Federal court having jurisdiction of the parties and subject matter, for a full and complete adjudication of any and all questions arising in the enforcement of this ordinance, as to the legality of any tax accrued or accruing or the method of enforcement thereof. In such actions service shall be upon the Collector.

SECTION 11.03. This section shall be construed to provide a legal remedy in the State, City or Federal courts, by action of law, in case such taxes are claimed to be an unlawful burden upon interstate commerce, or the collection thereof, in violation of any Act of Congress or the United States Constitution, or the Constitution of the State of Louisiana, or in any case where jurisdiction is vested in any of the courts of the United States; provided that upon request of the dealer and upon proper showing by such dealer that the principle of law involved in an additional assessment is already pending before the courts for judicial determination, the said dealer, upon agreement to abide by the decision of the courts may pay the additional assessment under protest, but need not file an additional suit. In such cases the tax so paid

under protest shall be segregated and held by the Collector until the question of law involved has been determined by the courts and shall then be disposed of as therein provided.

SECTION 11.04. If any dealer shall be aggrieved by any finding or assessment of the Collector, he may within thirty (30) days of the receipt of notice of the assessment or finding, file a protest in writing, signed by him or his duly authorized agent, which shall be under oath and shall set forth the reasons therefor, and he may request a hearing. Thereafter, the Collector shall grant a hearing to such dealer, if a hearing has been requested, and may make an order confirming, modifying or vacating any such finding or assessment. The filing of any such protest shall not abate any penalty for non-payment nor shall it stay the right of the Collector to collect the tax in any manner herein provided, unless the dealer shall furnish security of a kind and in an amount satisfactory to the Collector. Appeals from the decision of the Collector shall be direct to any State, City or Federal Court of competent jurisdiction as provided for in Section 11.02.

Section 2.03. The tax so levied shall be, in addition to all other taxes, whether levied in the form of excise, license, privilege, or property taxes levied by any other Ordinance of the Town.

Section 2.04. Notwithstanding any other provision of law to the contrary, no sales or use tax levied by a political subdivision as defined in the Louisiana Constitution, Article VI, Section 44 (2) shall be levied on any advertising service rendered by an advertising business, including but not limited to advertising agencies, design firms, and print and broadcast media, or any member, agent or employee thereof, to any client whether or not such services also involves a transfer to the client of tangible personal property. However, a transfer of mass-produced advertising items by an advertising business which manufactures the items itself to a client for the client's use, which transfer involves the furnishing of minimal services other than manufacturing services by the advertising business shall be a taxable sale or use of tangible personal property; provided that in no event shall tax be levied on charges for creative services.

Section 2.05. No exemption from the sales and use tax granted subsequent to the effective date of Act 205 (June 29, 1978) and granted pursuant to the provisions of Chapters 2 or 2-A of Title 47 of the Louisiana Revised Statutes of 1950, as amended, shall be applicable to any sales and use tax levied by any local governmental subdivision or school board unless the state exemption specifically provides that it applies to such sales and use tax levies. In the absence of any such specific application of the state exemption to sales and use tax levies of any local governmental subdivision or school board, any state exemption granted after the effective date of this Act and granted pursuant to the provisions of Chapters 2 or 2-A of Title 47 of the Louisiana Revised Statutes of 1950, as amended, shall be applicable only to the levy and collection of the state sales and use tax.

Section 2.06. (A) Whenever a helicopter used in the exploration for or the extraction or production of oil, gas, and other minerals or for providing services to those engaged in such extraction, production or exploration is acquired through a transaction entitled lease, rental, lease-purchase or any similar name which for purposes other than sales taxation might be considered a conditional sale contract or a transaction in lieu of sale, such acquisition or use shall be deemed to be a sale for state and local sales tax purposes.

(B) The tax due on such transactions shall be payable in equal monthly installments over the term of the lease-rental or lease-purchase contract. (Act 204, effective 1-1-92)

COLLECTION OF TAX FROM DEALER

Section 3.01. The collection of the tax herein levied shall be made in the name of the Town by the Collector. The dealer shall collect the tax levied by this Ordinance together with any other applicable sales and use taxes in accordance with the integrated bracket schedules prescribed by the Secretary of the Department of Revenue, State of Louisiana, pursuant to Louisiana Revised Statutes, Title 47, Section 303. The dealer will remit that portion representing the tax levied by this Ordinance to the Collector. Copies of said integrated bracket schedules are available to dealers on request from the Collector.

A. COLLECTION FROM THE DEALER. The tax imposed under this Ordinance shall be collectible from all persons, as defined herein, engaged as dealers, as defined herein.

(1) On all tangible personal property imported, or caused to be imported, from other states or other this ordinance of this state, or any foreign country, and used by them, the "dealer" as defined herein, shall pay the tax imposed by this Ordinance on all articles of tangible personal property so imported and used, the same as if the said articles had been sold at retail for use or consumption in this Town. For the purpose of this Ordinance the use, or consumption, or distribution, or storage to be used or consumed in this Town of tangible personal property, shall each be equivalent to a sale at retail and the tax shall thereupon immediately levy and be collected in the manner provided herein, provided there shall be no duplication of the tax in any event.

(2) It is not the intention of this Ordinance to levy a tax upon articles of tangible personal property imported into the taxing jurisdiction, or produced or manufactured in the Town for export, nor is it the intention of this Ordinance to levy a tax on bona fide interstate commerce. It is, however, the intention of this Ordinance to levy a tax on the sale at

retail, the use, the consumption, the distribution, and the storage, to be used or consumed in the Town of tangible personal property after it has come to rest in the taxing jurisdiction and has become a part of the mass of property in the Town. The provisions of this Ordinance shall not apply in respect to the use or consumption or distribution, or storage of tangible personal property for use or consumption in the Town, upon which a like tax equal to or greater than the total amount imposed by this Ordinance and any other sales tax ordinance has been paid in another city or parish in Louisiana, or in a city or county in a state other than Louisiana, subject to the credit provisions cited in Section 3.05 and LS-R.S. 47:303A. (3). (Act 191, effective 7-2-91)

(3) When taxes have been erroneously paid to another taxing jurisdiction, the provisions of Act 739 of 1990 [R.S. 33:2718.2(D) & (E)] shall be used to determine the applicability of the credit.

B. COLLECTION OF TAX ON VEHICLES. The tax herein levied on the sale or use of any motor vehicle, automobile, motorcycle, truck, truck-tractor, trailer, semi-trailer, motor bus, house trailer, or any other vehicle subject to the Louisiana Vehicle Registration License Tax for the State of Louisiana, shall be collected as provided in this Section.

(1) The tax levied by this Ordinance on the sale of any such vehicle shall be due at the time of first registration in this Town or any transfer of registration is required by the Vehicle Registration License Tax law (LSA-R.S. 47:451, et. seq.) However, the vehicle commissioner shall waive penalties or interest on sales tax on timely filed applications for registration rejected due to office of motor vehicle error. (Act 796-1992, effective 7-7-92)

The Collector shall be the only proper party to defend or to institute any legal action involving the tax imposed by this Ordinance on the sale or use of any vehicle subject to the vehicle registration license tax.

(2) The Collector is hereby authorized and directed to enter into an agreement by which the tax herein levied on any such vehicle shall be paid to the vehicle commissioner as the agent of the Collector at the time of application for a certificate of title. No certificate of title or vehicle registration license shall be issued until the tax has been paid.

(3) Every vendor of such a vehicle covered by the provisions herein shall furnish to the purchaser at the time of sale a sworn statement showing the serial number, motor number, type, year and model of the vehicle sold; the total sales price, any allowance for and a description of any vehicle taken in trade, and the total cash difference paid, or to be paid by the purchaser between the vehicles purchased and traded in and the sales or use tax to be paid, along with such other information as the vehicle commissioner, may, by regulation, require. All labor, parts, accessories and other equipment which are attached to the vehicle at the time of sale, and which are included in the sales price, are to be considered a part of the vehicle.

(4) It is not the intention of this Section to grant an exemption from the sales and use tax levied by this Ordinance to any sale, use, item or transaction which has heretofore been taxable, and this Section is not to be construed as so doing. It is the intent of this Subsection to transfer the collection of the sales and use tax on vehicles from the vendor to the vehicle commissioner as agent for the Collector and to provide a method of

collection of the tax directly from the vendee or user by the vehicle commissioner as agent of the Collector. The Collector is further authorized to promulgate such rules and regulations as may be necessary in order to carry out the terms and conditions of any agreement entered into with the vehicle commissioner for the purposes herein, and shall disburse all funds received from the vehicle commissioner by virtue of collections made hereunder to the Town.

(5) The provisions contained in Section 1,14(B) which excludes isolated or occasional sales from the definition of a sale at retail is not to apply to the sale of vehicles which are the subject of this Subsection. Isolated or occasional sales of vehicles are hereby defined to be sales at retail and as such are subject to the tax.

(6) Notwithstanding the provisions of this Section, a certificate of title or vehicle registration license may be issued to a purchaser by the secretary of the Department of Public Safety if he is so authorized in writing by the secretary of the Department of Revenue. The secretary of the Department of Revenue shall grant such authorization upon written application by the purchaser to said secretary showing that:

(i) all state and local taxes and fees due by the purchaser were paid in good faith at the time of purchase to a motor vehicle dealer.

(ii) the motor vehicle dealer has not remitted the taxes and fees to the secretary of the Department of Public Safety.

(iii) the motor vehicle dealer has refused or is unable to answer a written demand by the purchaser that the taxes and fees be paid to the secretary of the Department of Public Safety, and

(iv) the certificate of title or vehicle registration license has not been issued within six months after the date of sale. A refusal by the secretary of the Department of Revenue to authorize the issuance of a certificate of title or a vehicle registration license may be appealed to the Board of Tax Appeals within sixty days from the date the application for a certificate of title is denied by the secretary of the Department of Revenue.

(7) Those lessors or renters subject to the tax levied by R.S. 47:551 may directly transfer the cost of any local sales and use taxes paid on any automobile purchased for lease or rental by allocating such taxes to each automobile rental contract. Such allocation shall be determined by a schedule promulgated by the secretary of the Department of Revenue and shall be collected by such lessors or renters. The schedule shall be based on automobile purchases in the year prior to the particular allocation assessed. The secretary shall promulgate such other rules as he deems necessary to ensure that the allocation provided in this Paragraph is equitable and is not in excess of the actual local sales taxes paid by such lessors and renters. (Added by Acts 1993, No. 569, effective July 1, 1993)

(8) Whenever a licensed dealer in motor vehicles sells, assigns, or otherwise transfers an agreement for the lease of a motor vehicle to a licensed lessor of motor vehicles for whom the licensed dealer has prepared the agreement, the transfer shall include all unremitted taxes collected by the licensed dealer, and the licensed lessor shall have the

sole responsibility for remitting such taxes to the proper tax authorities. (Act 13, 2001; effective 7-01-01)

C. AUCTIONEERS. All auctioneers shall register as dealers and shall display their registration to the public as a condition of doing business in the Town. Such auctioneers or the company for which they represent shall be responsible for the collection of all local taxes on articles sold by them and shall report and remit to the Collector as provided in this Ordinance.

D. COLLECTION OF TAX ON MOTORBOATS AND VESSELS. The Secretary of the Louisiana Department of Wildlife and Fisheries shall not register or issue a Certificate of Registration on any new boat or vessel purchased in this Town until satisfactory proof has been presented to him that all use taxes required by this Ordinance have been paid.

E. COLLECTION OF TAX ON OFF-ROAD VEHICLES. The vehicle commissioner shall not issue a title or a Certificate of Registration on any off-road vehicle purchased in this Town brought into this Town from another state or other political subdivision until satisfactory proof has been presented to him that all sales taxes required by law have been paid. The purchaser of an off-road vehicle from a seller who is not registered with the Department of Public Safety and Corrections shall pay sales tax at the time the vehicle is titled the same as is required for the registration and licensing of other vehicles under the provisions of L.R.S. 47:303 (B). (Act 668, 1993; effective 8-15-93)

F. COLLECTION OF TAX ON MEMBERSHIPS IN HEALTH AND PHYSICAL FITNESS CLUBS. The sales tax due under the provisions of this Ordinance on contracts for membership in a health and physical fitness club shall be assessed and shall be due and payable on a monthly basis computed on the amount paid each month less any actual or imputed interest or collection fees or unpaid reserve amounts not received by the health and fitness club.

Section 3.02. DIRECT PAYMENT NUMBERS. A. Notwithstanding any provision of law to the contrary, except for the provisions of LSA-R.S. 47:303(B) and (E), the state and local sales and use tax due on the purchase, importation, or lease of tangible personal property and taxable services by taxpayers who have obtained a Direct Payment Number, shall be remitted directly to the state and appropriate political subdivision by such taxpayer. The vendor or lessor of tangible personal property or taxable services shall not be responsible for collecting sales and use tax on such sales or leases, and shall not be liable for such tax as provided in LSA-R.S. 47:304 (C), upon presentation to him of a valid Direct Payment Number by such purchaser and lessor. Additional statutory provisions applicable to Direct Payment Numbers are found under LSA-R.S. 47:303.1. A Louisiana taxpayer who obtains a Direct Payment Number as provided in LSA-R.S. 47:303.1 shall remit sales and use taxes due on purchases and rentals of tangible personal property and taxable services directly to the state and local taxing bodies to whom the sales and use taxes are due, and shall not be liable to remit the tax to the vendor or lessor of the tangible personal property and taxable services, as provided in LSA-R.S. 47:303.1.

B. Notwithstanding the provisions above concerning direct payment numbers, the Collector is hereby authorized to enter into direct payment agreements with manufacturing, chemical, refinery, and/or other industrial concerns located within this Town. The purpose of these agreements is to ensure proper tax treatment relative to the purchase, importation, or lease of tangible personal property, or taxable services by taxpayers who have obtained a Local Direct Payment Number. Local sales and use taxes shall be reported directly to the Collector by such taxpayer. Evidence of such agreement shall be issued solely by the Collector who is responsible for administering and collecting all local sales and use taxes within the taxing jurisdictions. Issuance of a Local Direct Payment Certificate will only preclude vendors from collection of local taxes related to taxable activities. Vendors who are presented with a

valid Direct Payment Exemption Certificate shall not be liable for collection of applicable local taxes covered by the certificate.

Section 3.03. PROHIBITION ON LEVY OR COLLECTION OF SALES TAX ON GOODS, PROPERTY OR SERVICES DELIVERED OR PERFORMED OUTSIDE PARISH BOUNDARIES. No tax shall be due under this Ordinance on the sales of any goods or tangible personal property delivered or services performed outside of the territorial limits of the Town. (LSA-R.S. 33:2716)

Section 3.04. PROHIBITION ON LEVY OR COLLECTION OF TAX ON PROPERTY STORED FOR USE OUTSIDE THE PARISH. The Town shall be prohibited from levying or collecting any use tax on the storage of property which has been documented for use outside the Town although the property may be stored within the Town if the owners of such property which is to be stored for exclusive use outside the Town have acquired a Tax Exemption Certificate from the Collector. When a vendor is presented with a copy of a Tax Exemption Certificate from a vendee, the vendor shall be relieved from liability for the collection of use tax on such property. If the property is removed from storage and is used within the Town, the property shall be subject to taxation. (LSA-R.S. 33:2716.2).

Section 3.05. CREDIT FOR MONIES PAID. A. A credit against the sales and use tax imposed by any political subdivision of the state shall be granted to a taxpayer who paid monies, whether or not paid in error, absent bad faith, based upon a similar tax, levy, or assessment upon the same tangible personal property in a political subdivision of another state, or a political subdivision of this state. The credit granted herein shall only be applicable when a similar taxing authority is seeking to impose and collect a similar tax, levy, or assessment from a taxpayer upon the same tangible personal property for which the taxpayer has paid a similar tax, levy, or assessment to a similar taxing authority. (Act 621, effective 9-6-91)

B. The credit provided herein for monies paid to a political subdivision of another state shall be granted only in the case where the political subdivision of another state to which monies have been paid grants a similar credit. The credits granted by this provision shall not exceed the amount of money paid to this ordinance of this state.

C. The proof of payment to a political subdivision of another state, or a political subdivision of this state shall be made in accordance with the rules adopted by the secretary of the Department of Revenue under LSA-R.S. 47:303(A).

(1) Except as provided in paragraph (2) of this subsection, in no event shall the credit be greater than the tax imposed by the political subdivision upon the particular tangible personal property that is the subject of the sales and use tax.

(2) The credit granted for taxes in this ordinance in a parish in which no local sales and use tax is levied and imposed shall be the amount of taxes that would have been collected by the political subdivision at the tax rate imputed to that political subdivision. The imputed tax rate shall be the lowest tax levied and imposed by a similar taxing authority in this state as determined by the Department of Revenue. (Act 31 1996, effective 7-1-96) (Amends RS 33:2718.2)

D. For purposes of this Section, "taxpayer" shall mean the final consumer who has paid the applicable local tax directly to the taxing authority of a political subdivision, vendor, or seller who has collected the tax from the final consumer and remitted the tax to the taxing authority of a political

subdivision. In no instance shall a vendor or seller be denied a credit for taxes paid in error to a political subdivision. (Act 31 1996; effective 7-1-96)

E. Notwithstanding any other law to the contrary, no person shall be taxed with respect to a particular event more than once, provided that the person collecting and remitting taxes can produce to the Collector documentary evidence to show a good faith effort to recover taxes paid to the incorrect taxing jurisdiction. Such documentary evidence shall consist of the following:

- (i) A formal request for refund by certified mail which includes all evidence supporting such claim to the taxing jurisdiction paid in error.
- (ii) A second request for refund by certified mail if no response was received within sixty days of the first refund request.
- (iii) Either the response approving or denying the first or second refund request, whichever may be applicable, or an affidavit from the person stating that no response was received within sixty days of the second refund request.

The Town shall not impose penalties or interest on taxes erroneously paid to another jurisdiction unless the erroneous payment was the result of intentional conduct of gross negligence on the part of the persons collecting and remitting taxes. In instances where a legitimate disagreement exists as to which taxing authority is owed, the involved taxing authorities shall resolve the dispute among themselves through any legal means. (LSA-R.S. 33:2718.2)

F. For the purposes of this section, a similar taxing authority is a political subdivision having and performing the same governmental functions as the political subdivision seeking to impose the sales or use tax. (Act 621, effective 9-6-91)

TREATMENT OF TAX BY DEALER

Section 4.01. A. The tax levied in this Ordinance shall be collected by the dealer from the purchaser or consumer, except as provided for the collection of the tax on motor vehicles in Section 3.01.B and the collection of tax on property leased or rented for use offshore in Section 1.04 (d)(ii) of this Ordinance. The dealer shall collect the sales tax on off-road vehicles and remit them directly to the Department of Public Safety and Correction upon application for certificate of title and registration as required for registration and licensing of other vehicles under the provisions of LRS 47:303.B. The dealer shall collect the sales tax on off-road vehicles from out-of-state residents who purchase off-road vehicles in this state and remit the sales taxes due directly to the Department of Revenue and the local collection agency. (Act 688; Effective 8-15-93)

B. The dealer shall have the same right in respect to collecting the tax from the purchaser, or in respect to nonpayment of the tax by the purchaser, as if the tax were a part of the purchase price of the property, or charges for services, and payable at the time of sale; provided however, that the Town shall be joined as a party in any action or proceeding brought by the dealer to collect the tax.

Section 4.02. Every dealer located outside the Town making sales of tangible personal property for distribution, storage, use, or other consumption in the Town or performs any of the services subject to the

tax in the Town, shall at the time of making such sales or performing taxable services collect the tax imposed by this Ordinance from the purchaser.

Section 4.03. Dealers shall, as far as practicable, add the exact amount of the tax imposed under this Ordinance, in conformity with the schedules to be issued by the Collector, to the sale price or charge, and when added, such tax shall constitute a part of such price or charge, and shall be a debt from the purchaser or consumer to the dealer, until paid, and shall be recoverable at law in the same manner as other debts.

Section 4.04. Where the tax collected for any period is in excess of the tax rate provided by this Ordinance, the total tax collected must be paid over to the Collector, less the compensation to be allowed the dealer as hereinafter set forth. This provision shall be construed with other provisions of this Ordinance and given effect so as to result in the payment to the Collector of the total tax collected if in excess of the tax rate provided.

Section 4.05. Any dealer who fails, neglects, or refuses to collect the tax herein provided, either by himself or through his agents or employees, shall in addition to the penalty of being liable for and paying the tax himself, be fined not more than one hundred dollars (\$100.00) or imprisoned not more than three (3) months, or both, at the discretion of the court.

Section 4.06. No dealer shall advertise or hold out to the public, in any manner, directly or indirectly, that he will absorb all or part of the tax or that he will relieve the purchaser from the payment of all or any part of the tax *unless*;

- a) *The dealer includes in the advertisement that any portion of the tax not paid by the purchaser will be remitted on his behalf by the dealer.*
- b) *The dealer furnishes the purchaser with written evidence that the dealer will be liable for and pay any tax the purchaser was relieved from paying under this Paragraph himself.*

If a dealer advertises that any portion of the tax not paid by the purchaser will be remitted on his behalf by the dealer, the purchaser shall not be liable for the payment of that portion of the tax. Whoever violates this provision with respect to advertising shall be fined not less than twenty-five dollars (\$25.00) or more than two hundred fifty dollars (\$250.00), or imprisoned for not more than three (3) months, or both. For a second or subsequent offense, the penalty shall double. (Amended; Act 245; effective 7-01-01)

Section 4.07. The dealer or seller is permitted and required to state and collect the tax separately from the price paid by the purchaser.

Section 4.08. A. Where the purchaser has failed to pay and a dealer has failed to collect a tax upon a sale as imposed by this Ordinance, then, in addition to all other rights, obligations and remedies provided, such tax shall be payable by the purchaser directly to the Collector, and it shall be the duty of this purchaser to file a return thereof with the Collector and to pay the tax imposed thereon to the Collector within fifteen (15) days after such sale was made or rendered.

B. Any person who as a purchaser is obligated to report and pay the tax imposed upon any purchase made by him under the foregoing circumstances, and who fails, neglects, and refuses to file a return thereof with the Collector, and pay the tax imposed thereon, within the time stated after such sale is made, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more

than One Hundred Dollars (\$100.00), or imprisoned for not more than sixty (60) days, or both, at the discretion of the Court.

Section 4.09. The use of tokens is forbidden. The Collector shall by regulations prescribe the method and the schedule of the amounts to be collected from the purchasers, lessees, or consumers in respect to any receipt upon which a tax imposed by this Ordinance is realized. The amount of tax collected by the dealer and paid by the purchaser shall in each transaction comply with the schedule so provided. (LSA-R.S. 47:304)

Section 4.10. CERTIFICATE OF AUTHORITY. In order to aid in the administration and enforcement of the provisions of this Ordinance, and to collect the taxes imposed by this Ordinance and the Previous Sales Tax Ordinances, on or before January 1, 2002, or in the case of dealers commencing business after January 1, 2002, or opening new places of business after such date, within three (3) days after such commencement or opening, every dealer purchasing or importing tangible personal property for resale shall file with the Collector a certificate of registration in a form prescribed by him. The Collector shall, within five (5) days after such registration, issue, without charge to each dealer who purchases or imports for resale, a certificate of authority empowering such dealer to collect the tax from the purchaser, and the duplicates thereof, for each additional place of business of such dealer. Each certificate or duplicate shall state the place of business of which it is applicable. Such certificate of authority shall be prominently displayed in all places of business of the dealer. A dealer who has no regular place of doing business shall attach such certificate to his cart, stand, truck, or other merchandising device. Such certificate shall be non-assignable and non-transferable and shall be surrendered immediately to the Collector upon the dealer's ceasing to do business at the place therein named.

Section 4.11. A manufacturer, wholesaler, dealer, jobber, or supplier shall refuse to accept a certificate that any property upon which a tax is imposed by this Ordinance is purchased for resale, and shall collect the tax imposed by this Ordinance, unless the purchaser shall have filed a certificate of registration and received a certificate of authority to collect the tax imposed by this ordinance; provided, however that the payment of the tax by such purchaser shall not relieve the purchaser of the duty herein imposed upon such purchaser to collect the tax upon any resale made by him; but such purchaser who shall thereafter file a certificate of registration and receive a certificate of authority to collect the tax may, upon application therefore, receive a refund of the taxes paid by him upon property thereafter resold by him, and upon the receipts from which he shall have collected and paid over to the Town the taxes herein imposed.

Section 4.12. The sums of money collected by the dealer for payment of sales and use taxes imposed by the State of Louisiana, or any such taxes imposed by any parish, municipality, or political subdivision within the state shall be and remain the property of the taxing authority and deemed held in trust for the taxing authority. (Act 894, 1993; effective 6-23-93)

EXEMPTIONS AND EXCLUSIONS FROM TAX

Section 5.01. The taxes imposed by this Ordinance shall not apply to transactions involving the following:

- A. (1) The gross proceeds derived from the sales in this Town of livestock, poultry, and other farm products direct from the farm are exempted from the tax levied by this Ordinance, provided that such sales are made directly by the producers. When sales of

livestock, poultry, and other farm products direct from the farm made to consumers by any person other than the producer, they are not exempted from the tax imposed by this Ordinance.

(2) The gross proceeds derived from the sale in this Town of livestock at public sales sponsored by breeders or registry associations or livestock auction markets are exempted from the taxes levied by this Ordinance. When public sales of livestock are made to consumers by any person other than through a public sale sponsored by a breeders' or registry association, or a livestock auction market, they are not exempted from the tax imposed by this Ordinance. This section shall be construed as exempting race horses entered in races and claimed at any racing meet held in Louisiana, whether the horse claimed was owned by the original breeder or not.

(3) Every agricultural commodity sold by any person, other than a producer, to any other person who purchases not for direct consumption, but for the purpose of acquiring raw product for use or for sale in the process of preparing, finishing, or manufacturing such agricultural commodity for the ultimate retail consumer trade, shall be exempted from any and all provisions of this Ordinance, including payment of the tax applicable to the sale, storage, use, transfer or any other utilization of or handling thereof, except when such agricultural commodity is actually sold as a marketable or finished product to the ultimate consumer, and in no case shall more than one tax be exacted. For the purpose of this Section, "Agricultural Commodity" means horticultural, viticultural, poultry, farm and range products, and livestock, and livestock products.

(4) (a) The purchase of feed and feed additives for the purpose of sustaining animals which are held primarily for commercial business, or agricultural use shall be exempted from the taxes levied by this Ordinance.

(b) For purposes of this subsection:

(iii) "Agricultural Use" means the maintaining of work animals and beasts of burden which are utilized in the activity of producing crops or animals for market, in the production of food for human consumption, in the production of animal hides or other animal products for market, or the maintaining of breeding stock for the propagation of such agricultural use of animals.

(c) This exemption shall not apply to the purchase of feed or feed additives for animals kept primarily for personal, sporting, or other

purposes, including but not limited to purchases for pets of any kind or hunting dogs.

B. The "use tax" as defined herein, shall not apply to livestock and livestock products, poultry and poultry products, to farm, range and agricultural products when produced by the farmer and used by him and members of his family.

C. (1) Where a part of the purchase price is represented by an article traded in, the sales tax is payable on the total purchase price less the market value of the article traded in. (Repealed Act 4 1998) Note: See definition 1.17(A) Sales Price

(2) Where a part of the cost price of a motor vehicle is represented by a motor vehicle returned to the dealer's inventory, the use tax is payable on the total cost price less the wholesale value of the article returned.

D. (1) The sale at retail, the use, the consumption, the distribution, and the storage, to be used or consumed in the Town, or the following tangible personal property is hereby specifically exempted from the tax imposed by this Ordinance:

(a) gasoline;

(b) steam;

(c) water (not including mineral water or carbonated water or any water put in bottles, jugs, or containers, all of which are not exempted);

(d) electric power or energy, and any materials or energy sources used to fuel the generation of electric power for resale or used by an industrial manufacturing plant for self-consumption or co-generation;

(e) newspapers;

(f) fertilizer and containers used for farm products when sold directly to the farmer;

(g) natural gas;

(h) All energy sources when used for boiler fuel except refinery gas.

(i) new trucks, new automobiles, and new aircraft withdrawn from stock by factory authorized new truck, new automobile, and new aircraft dealers, used trucks, and used automobiles withdrawn from stock by new or used motor vehicle dealers, with the approval of the Secretary of the Department of Revenue titled in the dealer's name for use as demonstrators. "Demonstrators," for the purposes of this paragraph, shall mean new and used trucks, new and used automobiles, and new aircraft titled in the dealer's name for use as demonstrators which are kept primarily on the dealer premises during normal business hours and which are available for demonstration purposes; provided however, that the occasional use of such demonstrator by authorized personnel of the

dealer shall not disqualify such demonstrator from the exemption herein designated.

(j) orthotic devices, prosthetic devices, prostheses and restorative materials utilized by or prescribed by dentists in connection with health care treatment or for personal consumption or use. (Act 1065, effective 8-1-91)

(2) Sales of meals furnished to: the staff and students of educational institutions including kindergartens; the staff and patients of hospitals; the staff, inmates, and patients of mental institutions; and boarders of rooming houses, and occasional meals furnished in connection with or by educational, religious, or medical organizations, are exempt from the taxes imposed by this Ordinance if the meals are consumed on the premises where purchased. However, sales by any of the above in facilities open to outsiders or to the general public are not exempt from the taxes imposed by this Ordinance.

(3) Food sales by restaurants, drive-ins, snack bars, candy and nut counters, private clubs, and sales made by an establishment not specifically exempt elsewhere who furnish facilities for the consumption of the food on the premises are not exempt from the taxes imposed by this Ordinance.

(4) The tax imposed herein shall not apply to the sale of prescription drugs under the pharmaceutical vendor program of Title XIX of the Social Security Act as administered by the Department of Health and Human Resources of the State of Louisiana.

E. It is not the intention of this Ordinance to levy a tax upon articles of tangible personal property imported into the Town, or produced or manufactured in the Town for export; nor is it the intention of this Ordinance to levy a tax on bona fide interstate commerce; however, nothing herein shall prevent the collection of the taxes due on sales of tangible personal property into this Town which are promoted through the use of catalogs and other means of sales promotion and for which federal legislation or federal jurisprudence enables the enforcement of this Ordinance upon the conduct of such business. It is, however, the intention of this Ordinance to levy a tax on the sale at retail, the use, the consumption, the distribution, and the storage, to be used or consumed in the Town, of tangible personal property after it has come to rest in the Town and has become a part of the mass of property in the Town. At such time as federal legislation or federal jurisprudence as to sales in interstate commerce promoted through the use of catalogs and other means of sales promotions enables the enforcement of this Ordinance against vendors that have no other nexus with this Town, the tax shall apply to such sales on which sales and use tax would not otherwise be collected. (Act 18, 1994)

F. The sales, use, and lease taxes imposed by this Ordinance shall not apply to the amounts paid by radio and television broadcasters for the right to exhibit or broadcast copyrighted material and the use of film, video, or audio tapes, records or any other means of supplies by licensor thereof in connection with such exhibition or broadcast and the sales and use tax shall not apply to licensor or distributors thereof.

Section 6.14. EXAMINATION AND HEARING COSTS PENALTY. A. If any taxpayer fails to make any return required by this Ordinance, or makes a grossly incorrect report, or a false or fraudulent report, and the collector, in performance of his duty to ascertain the amount of tax due, makes an examination of books, records, or documents, or an audit thereof, or conducts a hearing, or subpoenas witnesses, then there may be added to the amount of tax found to be due, a specific penalty, in addition to any other penalty provided, in an amount as itemized by the collector to compensate for all costs incurred in making such examination or audit, or in holding such hearing, or in subpoenaing and compensating witnesses. This specific penalty shall be an obligation to be collected and accounted for in the same manner as if it were part of the tax due, and can be enforced either in a separate action or in the same action for the collection of the tax.

B. For the purposes of this Section, the following terms shall have the following meanings:

(1) "Grossly incorrect report" means any report filed where there is a substantial understatement of tax for any taxable period. The understatement is substantial if it exceeds the greater of:

(a) Ten percent of the tax required to be shown on the return for the taxable period, or

(b) Ten thousand dollars.

(2) "False or fraudulent report" means any report filed with the intent to evade taxes, or a willful attempt to defraud or evade taxes that are due. (Act 687, effective 8-15-97)

Section 6.15. All penalties and interest imposed by this Ordinance shall be payable to and recoverable by the Town in the same manner as if they were part of the tax imposed. If the failure to pay any such tax when due is explained to the satisfaction of the Collector he may remit and waive the whole or any part of any penalty, and may remit or waive payment of any interest charged in excess of the rate of one and one quarter of one percent (1- 1/4%) per month.

Section 6.16. All taxes, interest and penalties imposed under this Ordinance shall be paid to the Town or its agent(s) in the form of remittance required by the Collector.

Section 6.17. REGISTRATION BY NONRESIDENT CONTRACTOR; BOND REQUIREMENTS.

(A) Prior to commencing work on any construction contract within the Town, which in the aggregate exceeds three thousand dollars, any non-resident prime contractor, as defined in I.R.S.

47:9(A)(2), shall register the contract(s) with the Department of Revenue and the Calcasieu Town Sales/Use Tax Department in accordance with the provisions of LRS 47:9(A)(1) and Act 893 of 1993.

(B) A certificate in a form to be determined by the Secretary of the Department of Revenue shall identify the construction project registered and recite the total amount of the contract. A surety bond or a blanket surety bond for all contracts shall be filed with the department all in accordance with the provisions of LRS 47:9(b)(1) and any rules and/or regulations as may be promulgated by the Secretary of the Department of Revenue pursuant to this matter.

(C) Upon presentation of evidence that all requirements have been satisfied, the Director of Sales Tax or his designee will certify, on a form determined by the Secretary, that all requirements for surety bonds as specified herein and applicable to the location of the project have been met. (Act 893, effective 7-1-93)

RECORDS AND INSPECTION THEREOF

Section 7.01. DEALERS REQUIRED TO KEEP RECORDS. A. It shall be the duty of every dealer required to make a report and pay any tax under this Ordinance, to keep and preserve suitable records of the sale or purchases or sales of services, as the case may be, taxable under this Ordinance, and such other books of account as may be necessary to determine the amount of tax due hereunder, and other information as may be required by the Collector. Each dealer shall secure, maintain and keep, until the taxes to which they relate have prescribed, a complete record of sales of services and tangible personal property received, used, sold at retail, distributed, or stored, leased or rented within this Town by said dealer together with invoices, bills of lading, and other pertinent records and papers as may be required by the Collector for the reasonable administration of this Ordinance.

B. In order to aid in the administration and enforcement of the provisions of this Ordinance, and collect all of the tax imposed thereby, all wholesale dealers and jobbers in the Town are hereby required to keep a record of all sales of tangible personal property made in the Town, whether such sales be for cash or on terms of credit. The record required to be kept by all dealers, as herein defined, shall contain and include the name and address of the purchaser, the date of the purchase, the article or articles purchased and the price at which the article is sold to the purchaser. These records shall be open to inspection by the Collector or his duly authorized assistants or deputies at all reasonable hours.

C. Any dealer subject to the provisions of this section who violates the provisions of this section shall be fined not more than five hundred dollars (\$500.00) or imprisoned for not more than sixty days, or both, for any such offense. (LSA-RS 47:309)

Section 7.02. COLLECTORS AUTHORITY TO EXAMINE AND AUDIT.

A. For the purpose of administering the Ordinance, the Collector, whenever he deems it expedient, may make or cause to be made by an employee of the department engaged in the administration of this Ordinance, an examination or investigation of the place of business, if any, the tangible personal property and the books, records, papers, vouchers, accounts, and documents of any dealer. It shall be the duty of every dealer and every director, official, agent, or employee of every dealer, to exhibit to the Collector or to any such employee of his department charged with the collection of the tax imposed by this Ordinance, hereafter referred to as a "deputy", the tangible personal property and all

of the books, records, papers, vouchers, accounts, and documents of the dealer and to facilitate any such examination or investigation as far as it may be in his or their power to do so.

B. When the dealer maintains his books and records outside of the Town, the Collector is authorized to encumber necessary expenses in order to provide for the examination and inspection of said dealer's books and records at their location. The cost of such examination and inspection of said dealer's books and records, including transportation, lodging, and per diem, is to be borne by the dealer and may be included in any assessment made for deficiencies discovered during the examination and inspection of said records or applied against any refund wherefore an examination is necessary to verify such claim. (Resolution adopted 9-21-96)

Section 7.03. COLLECTOR'S AUTHORITY TO EXAMINE RECORDS OF TRANSPORTATION COMPANIES. For the purpose of enforcing the collection of the tax levied by this Ordinance, the Collector is hereby specifically authorized and empowered to examine, at all reasonable hours, the books, records and other documents of all transportation companies, agencies, or firms operating in the Town, whether said companies, agencies or firms conduct their business by truck, rail, water, airplane, or otherwise, in order to determine what dealers, as provided in this Ordinance, are importing or are otherwise shipping articles of tangible personal property which are liable for said tax. (LSA-RS 47:311)

Section 7.04. COLLECTOR'S RECORDS. The Collector shall keep a record of all of his official acts and shall preserve copies of all rules, decisions or orders and of any paper or papers filed in any office maintained by him in the administration of this Ordinance may be authenticated under his official signature, and when so authenticated, shall be evidence in all courts of the state of the same weight and force as the original thereof. (LSA-RS 47:1506) For authenticating any such copy, he shall be paid a fee of one dollar (\$1.00) which shall be paid to the Town.

Section 7.05. CONFIDENTIAL CHARACTER OF COLLECTOR'S RECORDS. A. The records and files of the Collector respecting the administration of this Ordinance shall be considered confidential and privileged, and neither the Collector nor any employee engaged in the administration thereof or charged with the custody of any such records or files shall divulge or disclose any information obtained from any such records or files or from any examination or inspection of the premises or property of any dealer. Neither the Collector nor any employee engaged in such administration or charged with the custody of any such records or files shall be required to produce any of them for the inspection of any person or for use in any action or proceedings except: (a) in an action or proceedings under the provisions of this Ordinance; and, (b) when the records, files or the facts shown thereby are directly involved in such action or proceedings.

B. Nothing contained in this Ordinance shall be construed to prevent:

(1) the delivery to a dealer or his duly authorized representatives a copy of any return, report or other paper filed by him pursuant to the provisions of this Ordinance;

(2) the publication of statistics so classified as to prevent the identification of any return or report and the items thereof;

(3) the inspection by the Collector or other legal representative of the Town of the returns, reports, or files relating to the claim of any dealer who shall have brought an action to review or set aside any tax imposed under this Ordinance or

against whom an action or proceedings has been instituted in accordance with the provisions hereof;

(4) the examination of the records and files by the Collector or by his duly authorized agents;

(5) the furnishing, in the discretion of the Collector of any information disclosed by the records or files to any official person or body of any other political subdivision, state or of the United States who shall be concerned with the administration of any similar tax by that political subdivision, state or the United States;

(6) this ordinance from disclosing to the Louisiana Lottery Corporation information regarding whether or not a lottery vendor or retailer applicant, as defined in RS 47:9002, is current in the filing of all applicable tax returns and reports, and in payment of all taxes, interest and penalties owed to the State of Louisiana or to any taxing political subdivision. Any information so furnished shall be considered and held confidential and privileged by the Louisiana Lottery Corporation to the same extent as heretofore provided. (Act I, effective 5-30-91)

C. Whoever violates any provision of this section by divulging information unlawfully shall be punished by imprisonment for not more than two years or fined not more than ten thousand dollars, or both. (R.S. 47:1508)

IMPORTED GOODS; PERMITS

Section 8.01. SYSTEM OF IMPORT PERMITS; SEIZURE AND FORFEITURE OF VEHICLES USED IN IMPORTING WITHOUT PERMIT. A. In order to prevent the illegal importation into the Town of tangible personal property which is subject to the tax and to strengthen and make more effective the manner and method of enforcing payment of the tax imposed by this Ordinance, the Collector is hereby authorized and empowered to put into operation a system of permits whereby any person, or dealer, may import tangible personal property by truck, automobile, or other means of transportation other than a common carrier, without having said truck, automobile or other means of transportation seized and subjected to legal proceedings for its forfeiture. Such system of permits shall require the person or dealer who desires to import tangible personal property into the Town, which property is subject to tax imposed by this Ordinance, to apply to the Collector or his assistant for a permit stating the kind of vehicle to be used, the name of the driver, the license number of the vehicle, the kind or character of tangible personal property to be imported, the date, the name and address of the consignee, and such other information as the Collector may deem proper or necessary. Such permits shall be free of cost to the applicant and may be obtained at the office of the Collector.

B. The importation into the Town of tangible personal property which is subject to tax, by truck, automobile, or other means of transportation other than a common carrier, without having first obtained a permit as described in this section (if the tax imposed by this Ordinance on said tangible personal property has not been paid), shall be construed as an attempt to evade payment of the said tax and the same is hereby prohibited. The said truck, automobile, or means of transportation other than a common carrier, and said taxable property may be seized by the Town in order to secure the same as evidence in a trial and the same shall be subject to forfeiture and sale in the manner provided for in this Ordinance.

C. The failure of any dealer who imports tangible personal property from outside the Town into the Town for use or consumption or distribution or storage to be used or consumed in the Town or who imports for lease or rental any tangible personal property subject to the provisions of this Ordinance, to pay any tax, interest, penalties and costs under this Ordinance, shall ipso facto make the tax, interest, penalties and costs delinquent and shall be construed as an attempt to avoid the payment of same which shall be sufficient grounds for attachment of such tangible personal property wherever the same may be located or found, whether said delinquent dealer or in the possession of other persons, firms, corporations or association of persons; provided that it is the intention of this Ordinance to prevent the disposition of the said tangible personal property in order to insure payment of the tax imposed by this Ordinance, together with interest, penalties, and costs, and authority to attach is hereby specifically authorized and granted to the Town.

D. In addition to the penalties prescribed in this section, any person, or dealer who shall violate the provisions thereof, upon conviction, shall be fined in a sum of not more than one hundred dollars (\$100.00) or imprisonment in jail for a period of not more than sixty (60) days or by both such fine and imprisonment, in the discretion of the Court, and each importation or shipment by truck, automobile, or other means of transportation, other than a common carrier, found to be in violation of the provisions of these sections shall constitute a separate offense.

REMEDIES FOR COLLECTION

Section 9.01. COLLECTOR'S AUTHORITY TO DETERMINE THE TAX. A. In the event any dealer fails to make a report and pay the tax as provided by this Ordinance, or in case the dealer makes a grossly incorrect report, or a report that is false or fraudulent, it shall be the duty of the Collector to make an estimate for the taxable period of the retail sales, or sales of services, of such dealer, or of the gross proceeds from rentals or leases of tangible personal property by the dealer, and an estimate of the cost price of all articles of tangible personal property imported by the dealer for use or consumption or distribution or storage to be used or consumed in the Town and assess and collect the tax and interest, plus penalty, if such have accrued, on the basis of such assessment, which shall be considered prima facie correct, and the burden to show the contrary shall rest upon the dealer.

B. In the event the dealer has imported tangible personal property and he fails to produce an invoice showing the cost price of the articles which are subject to tax, or the invoice does not reflect the true or actual cost price, then the Collector shall ascertain, in any manner feasible, the true cost price and assess and collect the tax with interest, plus penalties, if such have accrued, on the true cost price as assessed by him. The assessment so made shall be considered prima facie correct, and the burden shall be on the dealer to show the contrary.

C. In the case of the lease or rental of tangible personal property, if the consideration given or reported by the dealer does not, in the judgment of the Collector, represent the true or actual consideration, then the Collector is authorized to fix the same and collect the tax thereon for the Town in the same manner as above provided, with interest plus penalties, if such have accrued.

D. In the event such estimate and assessment requires an examination of books, records, or documents, or an audit thereof, then the Collector shall add to the assessment the cost of such examination, together with any penalties accruing thereon. Such costs and penalties, when collected, shall be placed to the account of the Town in the manner as are the taxes collected under this Ordinance.

E. If any person or dealer shall fail to make a return or report as required by this Ordinance, then the Collector, within three (3) years after the last day on which the omitted report could have been filed without penalty, may make an estimate of the amount of taxes such person, or dealer, is liable to pay under the terms of this Ordinance, from any information he is able to conveniently obtain; and according to such estimates so made by him, assess the taxes, fees, penalties, and interest due the Town from such person, or dealer; give notice of such assessment to such person, or dealer and must make demand upon him for payment. Otherwise the said claim shall prescribe.

F. After a return or report is filed under the provisions of this Ordinance, the Collector shall cause to be examined and make such further audit or investigation as he may deem necessary; and if therefrom, he shall determine that there is a deficiency with respect to the payment of any tax due under this Ordinance, he shall assess the additional amount of tax, and any penalties and interest, or either of them due the Town from such person, or dealer; and make demand upon him for payment.

Section 9.02. JEOPARDY ASSESSMENT. A. If the Collector finds that a taxpayer designs quickly to depart from the Town, or to remove therefrom any property subject to any tax or to any lien for a tax, or to discontinue business, or to do any other act tending to prejudice or render wholly or partly ineffectual any proceedings that might be instituted to collect such tax, whereby it shall have become important that such proceedings be instituted without delay, he may immediately make a determination, from any available information or by estimate or otherwise, of the amount of tax, penalty and interest such taxpayer is liable to pay under this Ordinance. Having made such determination, the Collector shall immediately assess said amount, and by a writing to be retained as part of his official records, indicate such assessment has been made, and without any notice, proceed to distrain as is hereinafter provided any property belonging to the taxpayer. This type of assessment may be made whenever a tax becomes due under the provisions of this Ordinance, regardless of whether it is then payable or not.

B. As soon as is feasible after such assessment, and not later than two calendar days thereafter, the collector shall send by registered or certified mail a notice to the taxpayer against whom the assessment lies, at the address given in the last report filed by said taxpayer, or if no such report has been filed, to any such address as may be obtainable. Such notice shall inform the taxpayer of the assessment, its basis, and jeopardous nature; make demand for immediate payment thereof; and give notice that any property, distrained or to be distrained, will be subject to sale as herein provided to satisfy the assessment.

C. The taxpayer, against whom the assessment lies, can stay distraint of his property, or sale of his property already distrained, as the case may be, only by the immediate payment of the assessment or by posting with the Collector a surety bond for twice the amount of such assessment, or of a lower amount acceptable to the Collector, with such sureties as the Collector deems necessary. The taxpayer shall have sixty (60) calendar days from the date of payment, or the date of posting bond, to appeal to the courts as provided hereof for a redetermination of the assessment. During this period, the Collector shall hold any payment made in an escrow account. If the taxpayer does not appeal, the Collector shall immediately credit such payment to tax collections or proceed to collect from sureties, if any were given. In the event of an appeal, such payment or demand for payment from sureties given shall be held in abeyance pending the redetermination or affirmation of the assessment by the court which reviews the matter. Final payment, or collection from sureties, will be for the amount of the affirmed or redetermined assessment.

All taxes, penalties, and interest assessed pursuant to the provisions of this section, shall be paid within thirty (30) days after notice and demand shall have been mailed to the dealer liable therefore by the Collector. If such taxes, penalties, and interest so assessed shall not be paid within such thirty (30) days,

there shall be added to the amount assessed, in addition to interest as hereinabove provided, and any other penalties provided by this Ordinance, a sum equivalent to five percent (5%) of the tax.

Section 9.03. PERSONAL LIABILITY OF DEALER. The liability of any person or dealer arising from any tax, interest and penalty, or any of them, imposed by this Ordinance, from the time they are due, shall be a personal debt of such person or dealer to the Town, recoverable in any court of competent jurisdiction in an action at law by the Town. Such debts, whether sued upon or not, shall be a lien on all the property of such delinquent person, or dealer, except as against an innocent purchaser for value without notice in the actual course of business, and shall have preference in any distribution of the assets of the person, or dealer, whether in bankruptcy, insolvency, or otherwise. The proceeds of any judgment or order obtained hereunder shall be paid to the Town.

Section 9.04. SUCCESSOR LIABILITY. (A) If any dealer liable for any tax, interest, or penalty hereunder shall sell out his business or stock of goods or shall quit the business, he shall make a final return and payment within fifteen (15) days after the date of selling or quitting business. His successor, successors, or assigns, if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest, and penalties due and unpaid until such time as the former owner shall produce a receipt from the Collector showing that they have been paid, or a certificate stating that no taxes, interest, or penalties are due. If the purchaser of a business or stock of goods shall fail to withhold purchase money as provided, he shall be personally liable for the payment of the taxes, interest, and penalties accrued and unpaid on account of the operation of the business by any former owner, owners, or assignors.

(B) In the case of a dealer who has quit a business, and who subsequently opens another similar business under the same ownership, whether that ownership is individual, partnership, corporation, or other, that dealer shall be liable for any tax, interest, or penalty owed by the original business. (Act 691, effective 7-18-91, RS 47:308)

Section 9.05. THIRD PARTY LIABILITY. In the event that any dealer is delinquent in the payment of the tax herein provided for, the Collector may give notice of the amount of such delinquency by registered mail to all persons having in their possession, or under their control, any credits or other personal property belonging to such dealer, or owing any debts to such dealer at the time of receipt by them of such notice and thereafter any person so notified shall neither transfer nor make any other disposition of such credits, other personal property, or debts until the Collector shall have consented to a transfer or disposition, or until thirty (30) days shall have elapsed from and after the receipt of such notice. All persons so notified must, within five (5) days after receipt of such notice, advise the Collector of any and all such credits, other personal property, or debts, in their possession, under their control or owing by them, as the case may be.

Section 9.06. PROCEEDINGS TO COMPEL ACTION. A. In the event any transportation company, agency, or firm shall refuse to permit examination of its books, records and other documents by the Collector, the Collector may proceed by rule, in term or in chambers, in any court of competent jurisdiction and require said transportation company, agency or firm to show cause why the Collector should not be permitted to examine its books, records or other documents, and in case said rule be made absolute, the same shall be considered a judgment of the court and every violation of said judgment as a contempt thereof and punished according to law.

B. If any dealer, subject to make and file a return required by any of the provisions of this Ordinance, fails to render such return within the time required, or renders a return which is false or fraudulent, in that it contains statements which differ from the true gross sales, purchases, leases, or rental, or other transactions, taxable under this Ordinance, or otherwise fails to comply with the

provisions of this Ordinance, for the taxable period for which said return is made, the Collector shall give such dealer fifteen (15) days notice, in writing, requiring such dealer to appear before him or his assistant, with such books, records, and papers as he may require, relating to the business of such dealer, for such taxable period; and said Collector may require such dealer, or other agent or employees of such dealer, to give testimony or to answer interrogatories, under oath administered by the Collector or his assistants, respecting the sale at retail, the use or consumption or distribution, or storage for use or consumption, in this Town, or lease or rental of tangible personal property, or other transactions, subject to tax, or the failure to make report thereof, as provided in this Ordinance.

C. If any dealer fails to make a return, or refuses to permit an examination of his (the dealer's) books, records, or papers, or to appear and answer questions within the scope of such investigation relating to the sale, use, consumption, distribution, storage, lease or rental of tangible personal property, or sale of services, the Collector may apply to any court of competent jurisdiction, for an order requiring such dealer to make such return or requiring the dealer, or his agents or employees, to appear and answer any such questions or permit such examination, and the court or any judge thereof, shall thereupon issue an order, upon such reasonable notice as shall be prescribed therein to be served upon said dealer or the agents or employees of such dealer, directing him or them to so appear and testify, and to produce such books, records and papers as may be required. Any person, or any member of any firm, co-partnership, joint venture, association, or corporation, or any agent or employee thereof, failing to comply with any such order shall be guilty of contempt, and shall be punished as provided by law in cases of contempt.

Section 9.07. SUMMARY PROCEEDINGS. In addition to any other procedure provided in this Ordinance or elsewhere in the laws of this Town and state and for the purpose of facilitating and expediting the determination and trial of all claims for taxes, penalties, interest attorney fees or other costs and charges arising under this Ordinance, there is hereby provided a summary proceeding for the jurisdiction, or by or on behalf of the Collector, for taxes, penalties, interest, attorney fees, costs of other charges due thereon, by preference in all courts, all as follows:

A. All such proceedings, whether original or by intervention or third opposition, or otherwise, brought by or on behalf of the taxing jurisdiction, or by or on behalf of the Collector, for the determination or collection of any tax, interest, penalty attorney fees, costs of other charges, claimed to be due under any provision of this Ordinance, shall be summary and shall always be tried or heard by preference, in all courts, original or appellate, whether in or out of term time, and either in open court or chambers, at such time as may be fixed by the court, which shall be not less than two (2) or more than ten (10) days after notice to the defendant or opposing party.

B. All defenses, whether by exception or to the merits, made or intended to be made to any such claim, must be presented at one time and filed in the court of original jurisdiction prior to the time fixed for the hearing, and no court shall consider any defense unless so presented and filed. This provision shall be construed to deny to any court the right to extend the time for pleading defenses and no continuance shall be granted by any court to any defendant except for legal grounds set forth in Article 1602 of the Louisiana Code of Civil Procedure.

C. All matters involving any such claim shall be decided within forty-eight (48) hours after submission, whether in term time or in vacation, and whether in the court of first instance or in an appellate court and all judgments sustaining any such claim shall be rendered and signed the same day, and shall become final and executory on the fifth (5th) calendar day after rendition. No new trial, rehearing or devolutive appeal shall be allowed. Suspensive appeals may be granted, but must be perfected within five (5) calendar days from the rendition of the judgment by giving of bond, with good

and solvent security, in a sum double that of the total amount of the judgment, including costs. Such appeals, whether to a court of appeals or to the Supreme Court, shall be made returnable in not more than fifteen (15) calendar days from the rendition of the judgment.

D. Whenever the pleading filed on behalf of the taxing jurisdiction, or on behalf of the Collector, shall be accompanied by an affidavit of the Collector or of the counsel or attorney filing the same, that the facts as alleged are true to the best of the affiant's knowledge or belief, all of the facts alleged in said pleading shall be accepted as prima facie true and as constituting a prima facie case, and the burden of proof to establish anything to the contrary shall rest wholly on the defendant or opposing party.

Section 9.08. FAILURE TO PAY TAX; RULE TO CEASE BUSINESS. Failure to pay any tax due as provided in this Ordinance shall ipso facto, without demand or putting in default, cause said tax, interest, penalties, and costs to become immediately delinquent, and the Collector is hereby vested with authority, on motion in a court of competent jurisdiction to take a rule on the said dealer, to show cause in not less than two (2) or more than ten (10) days, exclusive of holidays, after the service thereof, which may be tried out of term and in chambers, and shall always be tried by preference, why said dealer should not be ordered to cease from further pursuit of business as a dealer, and in case said rule is made absolute, the order thereon rendered shall be considered a judgment in favor of the Town prohibiting such dealer from the further pursuit of said business until such time as he has paid the said delinquent tax, interest, penalties and costs, and every violation of the injunction shall be considered as a contempt of court, and punished according to law. **The appropriate municipal police department and/or the Sheriff of Calcasieu Parish shall enforce all injunctions prohibiting the further pursuit of business when a valid injunction and judgment has been obtained from a court of competent jurisdiction involving delinquent sales and use tax under the provisions of this Ordinance until such time as the delinquent tax, interest, penalties and costs have been paid by the dealer.**

Section 9.09. SECURITY TAX DEPOSIT. A. The Collector may require a bond or other security for the payment of any taxes, fees, interest, or penalties where any of the following conditions apply:

- (1) The taxpayer is three (3) months or more delinquent in reporting or remitting due taxes, penalties, or interest;
- (2) A new owner has purchased a business which, at the time of the sale, is delinquent in remitting taxes, penalties or interest;
- (3) The dealer is an itinerant vendor, which includes sellers at flea markets, sellers by the roadside, or any other peddler not having a fixed place of business.

B. The requirement of a security tax deposit shall be satisfied by payment in the form of cash, certified check, or money order.

C. The security tax deposit shall be an estimate of three (3) months tax, penalty, and interest. The estimate shall be based on the average of the past twelve (12) months remittances of tax, penalty and interest or knowledge of finances of related businesses or other relevant information. Additional three (3) months deposits, up to a maximum of twelve (12) months, for accounts that have been delinquent at least three (3) months each year for the previous three (3) years, may be required.

D. All delinquent sales and use tax accounts shall be reviewed periodically and tax deposits shall be applied to delinquent tax accounts. Taxpayers will be notified when tax deposits are so

applied and shall then be required to provide additional security tax deposits to replace the amount applied to the delinquent tax account.

E. The Collector shall retain this security tax deposit until such time as the delinquent taxpayer has remained current in reporting and remitting sales and use taxes for a period of twelve (12) consecutive months or until such time as the business has ceased its operation in the taxing jurisdiction.

Section 9.10. DISTRAINT PROCEDURE. A. If any dealer against whom taxes have been assessed under the provisions of this Ordinance shall refuse or neglect to pay such taxes within the time prescribed in this Ordinance, it shall be lawful for the Collector to enforce collection of such taxes, together with such interest and other additional amounts as are added by law, by distraint, and sale of any property or rights to property belonging to the delinquent dealer.

B. Wherever the words "*distraint*" or "*distrain*" are used in this Ordinance, they shall be deemed to mean the right to levy upon and seize and sell, or the levying upon, or seizing or selling or any property or rights to property of the delinquent dealer by the officer charged with the enforcement of collection of the tax for the purposes of satisfying any tax, interest or penalties due under the provisions of this Ordinance.

C. Whenever the Collector or his authorized representative shall distraint any property of a taxpayer or dealer, he shall cause to be made a list of the property or effects distrained, a copy of which, signed by the Collector or his authorized representative, shall be sent by registered mail to the taxpayer, dealer or retailer at his last known address or served on him in person. This list shall be accompanied with a note of the sum demanded and a notice of the time and place where the property will be sold, if such a sale is necessary. Thereafter, the Collector or his authorized representative shall cause a note to be published in the official journal of the Town, specifying the property distrained, and the time and place of sale. The sale shall be held not less than fifteen (15) calendar days from the date of the notice mailed or served on the taxpayer or the date of publication in the official journal, whichever is later. The Collector or his authorized representative may postpone such sale from time to time, if it deems advisable, but not for a time to exceed thirty (30) calendar days in all. If the sale is continued it shall be readvertised.

D. Any person, in possession of property or rights to property subject to distraint, upon which a levy has been made, shall upon demand by the Collector or his authorized representative, unless such property or rights to the Collector or his authorized representative, unless such property or right is, at the time of such demand, subject to an attachment or execution under any judicial process. Any person failing or refusing to surrender any such property or rights shall be liable to the Collector acting for the Town in a sum equal to the value of the property or rights not so surrendered, but not exceeding the amount of the taxes, penalties, and interest and other costs and charge which are due.

E. The Collector or his authorized representative, shall sell at public auction for cash to the highest bidder so much of the property distrained by him as may be sufficient to satisfy the tax, penalties, interest, and cost due. He shall give the purchaser a certificate of sale which will be prima facie evidence of the right regularity of his proceedings in making the sale, and which will transfer to the purchaser all rights, title and interest of the taxpayer, in the property sold.

F. Out of the proceeds of the sale, the Collector shall first pay all costs of the sale and then apply so much of the balance of the proceeds as may be necessary to pay the assessment. Any balance beyond this shall be paid to the taxpayer, dealer or retailer.

Section 9.11. AUTHORITY FOR INSTALLMENT AGREEMENTS. The Collector may enter into a formal installment payment agreement with a taxpayer for the collection of past due tax, penalty and interest, when, in his opinion, it is in the best interest of the Town to do so.

Section 9.12. CORPORATE ACTIONS PROHIBITED. No corporation organized under the laws of the state shall hereafter be dissolved, or effect a merger, reorganization, or consolidation under any law of the State by the action of the stockholders or by the decree of any Court until all taxes, fees, penalties and interest imposed on the corporation in accordance with provisions of this Ordinance shall have been paid in full. No foreign corporation which has obtained authority from this State to transact business in the Town may surrender such authority and withdraw from this State until all taxes, fees, penalties, interest and other charges imposed upon said corporation in accordance with the provisions of this Ordinance shall have been fully paid.

Section 9.13. OFFICER AND DIRECTOR LIABILITY.

A. (Act 240, effective 9-6-91; LSA-RS 33:2845.1) (Act 31, 1998; effective 6-25-98)

Section 9.14. PRESCRIPTION. A. Sales and use taxes levied by this ordinance shall prescribe as of three years from the thirty-first day of December of the year in which such taxes become due.

Section 9.15. SPECIAL AUTHORITY TO RECOVER REBATES, REIMBURSEMENTS OR REFUNDED AMOUNTS. *Rebates, reimbursements, or refunded amounts previously granted to a taxpayer, but later disallowed, may be recovered by the Collector through any collection remedy authorized under this Ordinance and initiated within the latter of:*

REFUNDS AND REIMBURSEMENTS

Section 10.01. CLAIMS FOR REFUND. A. In the event purchases are returned to the dealer by the purchaser or consumer after the tax imposed by this Ordinance has been collected or charged to the account of the consumer or user, the dealer shall be entitled to reimbursement of the amount of tax so collected or charged by him, in the manner prescribed by the Collector and in case the tax has not been remitted by the dealer to the Collector, the dealer may deduct the same in submitting his return. Upon receipt of a sworn statement of the dealer as to the gross amount of such refunds during the period covered by such sworn statement, which period shall not be longer than ninety (90) days, the Town, through the Collector, shall issue to the dealer an official credit memorandum equal to the net amount remitted by the dealer for such tax collected. Such memorandum shall be accepted by the Town at full face value from the dealer to whom it is issued, in the remittance for subsequent taxes accrued under the provisions of this Ordinance.

B. If any dealer shall have given to the Collector notice within the time provided in Section 10.01.A. of this Ordinance, such dealer thereafter, at any time within three (3) years from December 31 of the year in which the sales and use tax becomes due or after one (1) year from the date the sales and use tax is paid, whichever is later, may file with the Collector a claim under oath for refund, in such form as the Collector may prescribe, stating the grounds thereof. However, no claim for refund shall be required or permitted to be filed with respect to a tax paid after protest has been filed with the Collector as hereinafter provided, or after proceedings on appeal has been finally determined.

C. If, upon examination of such claim for refund it shall be determined by the Collector that there has been an overpayment of tax, the amount of such overpayment shall be credited against any liability of any dealer under this Ordinance, and if there be no such liability, the said dealer shall be

entitled to a refund of the tax so overpaid. If the Collector shall reject the claim for refund in whole or in part he shall make an order accordingly and serve notice upon such dealer. A dealer may appeal any such rejection as provided in Section 11.01.A. thereof, provided said appeal is taken within thirty (30) days from the date of such notice.

D. Where no question of fact or law is involved, and it appears from the records of the Collector that any monies have been erroneously or illegally collected from any dealer, or have been paid by any dealer under a mistake of fact or law, the Collector may, at any time within three (3) years from December 31 of the year in which the sales and use tax becomes due or after one (1) year from the date the sales and use tax is paid, whichever is later, upon making a record in writing his reasons therefore certify that any dealer is entitled to such refund and thereupon the Collector shall authorize the payment thereof from any appropriation available for such purposes. No claim for refund shall be allowed after a lapse of three (3) years from December 31 of the year in which the sales and use tax becomes due or after one (1) year from the date the sales and use tax is paid, whichever is later. Interest shall be computed on the basis established pursuant to LSA-RS. 33:2718.

E. When, to secure compliance with any of the provisions of this Ordinance, any monies shall have been deposited with the Collector by any dealer, and shall have been paid over to the Town and the Collector shall be satisfied that such dealer has fully complied with all such provisions, the Collector shall so certify and authorize repayment from any appropriations available for such purpose to such dealer of such monies, or such part thereof as the Collector shall certify has not been applied by him to the satisfaction of any indebtedness arising under this Ordinance. Claims for credits and/or refunds as mentioned herein without the Town's approval will be limited to \$4,000.00.

F. (1) Whenever the unpaid balance of an account due to the dealer for the purchase of tangible personal property or the sale of services subject to sales taxation has been found to be bad in accordance with Section 166 of the United States Internal Revenue Code and has actually been charged off for federal income tax purposes, the dealer shall be entitled to reimbursement of the amount of tax previously paid to the dealer on such accounts.

(2) The prescription on such refund or credit shall begin to run from the date of signature on the federal income tax return charging off such debt.

(3) Whenever the balance of an account that had been determined to be worthless and sales tax refunded, is recovered at a later date, the payment shall be reported as a new sale in the month recovered for sales tax purposes.

(4) The provisions of Subsection F of this Section shall apply to debts that are incurred on or after September 3, 1989. (Act 379, 1989.)

Section 10.02. SALES TAX REFUND; NEW HOUSING CONSTRUCTION. A. Any person who restores, renovates, or rehabilitates an existing structure or builds or causes the building of new house and associated improvements in an approved housing development area pursuant to the provisions of LSA-RS 40:582.1 through 582.7 shall be entitled to a refund of the amount of tax paid as a consequence of the purchase of materials used in the construction of such new houses upon showing that he has complied with the provisions of LSA-RS 40:582.7.

Section 10.03. SALES TAX REFUND; SALES AND RENTALS COVERED BY MEDICARE.

A. Any person who has paid sales and use taxes levied by the state and any other taxing authorities in the state, upon the sale, lease, or rental of tangible personal property when such sale, lease, or rental is paid by or under the provisions of Medicare, shall be entitled to reimbursement of the amount of tax paid on such property. Upon receipt of a sworn statement of such person as to the amount of taxes paid under the provisions of Medicare, the collector shall make a refund to such person in the amount to which he is entitled.

B. No refund shall be made under the provisions of this Section unless a claim for refund covering the amount to which a person is entitled is filed on or before the end of the third calendar year from the date of the sale, lease, or rental of the property.

C. The Collector is authorized to prescribe forms and regulations for use in carrying out the provisions of this Section. (*Added by Act 22, 2000, effective 7-5-00; amends R.S. 47:315.3*)

D. Nothing in this Act shall be construed to impair the bonded indebtedness of any taxing authority in the Town.

NOTE: Act 60 of 2001 session excludes sales, lease or rental of tangible personal property paid under Medicare.

Section 10.04. Interest shall be allowed on such refunds and credits as provided by LSA-RS. 33:2718.

REMEDIES OF THE DEALER

Section 11.01. LEGAL REMEDIES FOR DISPUTE SETTLEMENT.

A. A right of action is hereby created to afford a remedy at law for any dealer aggrieved by the provisions of this Ordinance; and in case of any such dealer resisting the payment of any amount found due, or the enforcement of any provisions of such laws in relation thereto, such dealer shall pay the amount found due by the Collector under protest and shall give the Collector notice, at the time, of his intention to file suit for the recovery of the same; and upon receipt of such notice the amount so paid shall be segregated and held by the Collector for a period of thirty (30) days; and if suit be filed within such time for recovery of such amount, such funds so segregated shall be further held, pending the outcome of such suit. If the dealer prevails, the Collector shall refund the amount to the claimant, with interest at the rate prescribed by LSA-RS 33:2718 covering the period from the date the said funds were received by the Collector to the date of refund.

B.(1) In the case of sales or use taxes that are required to be collected and remitted by a selling dealer as provided for in Section 4.01, the purchaser, in order to avail himself of the alternative remedy provided by this Section, shall remit protested sales or use tax to the selling dealer, and shall retain copies of documentation evidencing the amount of the sales or use tax paid to the dealer on the transactions. On or before the twentieth day of the month following the month of the transactions on which the selling dealer charged the tax, the purchaser shall inform the department by certified mail or other reasonable means

of the dates and amounts of the protested taxes that were charged by the selling dealer, and shall give notice of the purchaser's intention to file suit for recovery of the tax.

(2) Upon receipt of this notice, the amount remitted to the Collector or the amount of protested taxes that have been paid to the selling dealer shall be placed in an escrow account and held by the Collector or his duly authorized representative for a period of thirty days. If suit is filed for recovery of the tax within the thirty-day period, the funds in the escrow account shall be further held pending the outcome of the suit. (Act 200; effective 10-01-99) (LSA-RS 47:1576)

C. This Section shall afford a legal remedy and right of action in any state, city, or federal court, having jurisdiction over the parties and subject matter, for a full and complete adjudication of any and all questions arising in the enforcement of this Ordinance; as to the legality of any tax accrued or accruing or the method of enforcement thereof. In such actions service shall be upon the Collector.

D. This Section shall be construed to provide a legal remedy in the state, city, or federal courts, by action of law, in case such taxes are claimed to be an unlawful burden upon interstate commerce, or the collection thereof, in violation of any act of Congress or the United States Constitution, or the Constitution of the State of Louisiana, or in any case where jurisdiction is vested in any of the courts of the United States; provided that upon request of the dealer and upon proper showing by such dealer that the principal of law involved in an additional assessment is already pending before the courts for judicial determination, the said dealer, upon agreement to abide by the decisions of the courts may pay the additional assessment under protest, but need not file an additional suit. In such cases the tax so paid under protest shall be segregated and held by the Collector until the question of law involved has been determined by the courts and shall then be disposed of as therein provided.

Section 11.02. DEALERS RIGHT TO A HEARING. If any dealer shall be aggrieved by any finding or assessment of the Collector he may, within thirty (30) days of the receipt of notice of the assessment or finding, file a protest in writing signed by him or his duly authorized agent, which shall be under oath and shall set forth the reasons therefor, and he may request a hearing. Thereafter, the Collector shall grant a hearing to such dealer, if a hearing has been requested, and may make an order confirming, modifying, or vacating any such finding or assessment. The filing of any such protest shall not abate any penalty for nonpayment, nor shall it stay the right of the Collector to collect the tax in any manner herein provided unless the dealer shall furnish security of a kind and in an amount satisfactory to the Collector. Appeals from the decision of the Collector shall be directed to any state, city or federal court of competent jurisdiction as provided for in Section 11.01 C.

Section 11.03. ALTERNATE REMEDY FOR DEALERS

- A. *Any taxpayer who has received a final notice of assessment for sales and use taxes from this ordinance of the state and whose remedy is to make a payment under protest may alternatively post a commercial bond or other security, as provided in this Section, rather than making a payment under protest.*

- B. *In order to post commercial bond or other security rather than make a payment under protest, the taxpayer, within thirty days of receipt of the notice of assessment, shall file suit in any state court of competent jurisdiction contesting the final assessment. In connection with the filing of such suit, the taxpayer shall file a rule to set bond, which shall be set for hearing within thirty days of the filing of the rule to set bond and shall attach to the petition evidence of the taxpayer's ability to post bond or other security.*

- C. *The court shall authorize the posting of a commercial bond or other security in lieu of a payment under protest if the taxpayer establishes that it does not have the resources to pay the taxes, penalties, and interest under protest or that a payment under protest of the taxes, interest, and penalties would seriously disrupt the ability of the taxpayer to manage its business affairs. The court may either order the posting of commercial bond or other security in an amount determined by the court not to be less than the amount of unpaid taxes, interest, and penalties demanded in the assessment or may order the taxpayer to make a payment under protest pursuant to the provisions of state law and the sales and use tax ordinances of the political subdivision in the amount of such unpaid taxes, interest, and penalties. The court may order that a portion of the unpaid taxes, interest, and penalties be paid under protest and the balance secured by the posting of a bond or other security as provided therein.*
- D. *The posting of such bond or other security or the payment under protest shall be made no later than thirty days after the mailing of the notice of the decision of the court authorizing the posting of bond or other security or requiring that a payment under protest be made.*
- E. *If the taxpayer timely files the suit referred to herein, no collection action shall be taken in connection with the assessment of taxes, interest, and penalties, which are the subject of the taxpayer's suit, unless the taxpayer fails to post bond or other security or make the payment under protest required by the court.*
- F. *To the extent not inconsistent with this Section, the nature and amount of the bond or security and the procedures for posting bond or providing other security shall be consistent with the provisions for providing security in connection with a suspensive appeal under the Code of Civil Procedure. (R.S. 33:2844.2; Act 1140-2001)*

OTHER ADMINISTRATIVE PROVISIONS

The provisions of this section also apply where services taxable hereunder are contracted for before the effective date of this Ordinance, but are actually furnished after the effective date hereof.

The provisions of this section shall not apply where such tangible personal property actually imported or caused to be imported into, or stored within, the territorial limits of the Town prior to the effective date of this Ordinance, if the said tangible personal property is actually used or consumed by the person who imported and stored said tangible personal property.

such address as may be obtainable. The mailing of such notice shall be presumptive evidence of its receipt by the dealer to whom it is addressed.

Section 12.03. SAVINGS CLAUSE. Nothing in this Ordinance shall be construed to deprive the dealer of any remedy in the review of any tax, or in any proceedings to collect the tax given such dealer by any other law, or to deprive the Town of any remedy for the enforcement of this Ordinance through any procedure or remedies expressly provided in this Ordinance imposing the tax herein levied or in any other law, nor shall this Ordinance be construed as repealing or altering any such laws, ordinances, or resolutions.

Section 12.04. SEVERABILITY. If any section, subsection, sentence, clause, or phrase of this Ordinance be held invalid, such decisions shall not affect the validity of the remaining portions of this Ordinance. The Town hereby declares that it would have passed this Ordinance, and each section, subsection, sentence, clause, and phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases may be so declared invalid.

Section 12.05. The taxes levied herein is declared to be supplemental and in addition to all other taxes levied by and under the authority of the Town. Section 12.09. AUTHORITY TO DESIGN TAX FORMS. The Collector shall design, prepare, print and furnish to all dealers or make available to said dealers, all necessary forms for filing returns, and instruction to insure a full collection from dealers and an accounting for the taxes due, but failure of any dealer to secure such forms shall not relieve such dealer from the payment of said tax at the time and
