Dear Parent(s)/Guardians:

In our continuing efforts to maintain a safe and enjoyable atmosphere for all spectators at our home athletics events, the Greensburg Salem School District Administration is requesting your assistance. **We are asking that parents not leave elementary or middle school students unattended during home athletic events.** While we are pleased to see so many young people supporting the Golden Lion Programs, we need your help in supervising them to ensure safety and enjoyment of the occasion.

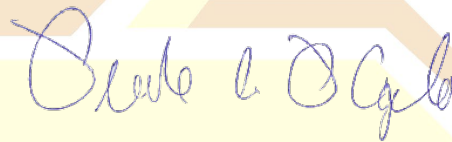

**Students should not be dropped off at the stadium/gymnasium unaccompanied by a parent or an adult responsible for supervising them.** Elementary school students are to be seated in the stadium bleachers with the parent or guardian during the entire game. Middle and high school students are also to be seated in the stadium bleachers during the entire game. At Offutt Field there is a designated area for the High School and Middle School Student Sections. Please see the diagram attached for that area. Students are encouraged to follow our Band and Cheerleaders for cheers and follow the themes established by the High School Student Section for the game.

Thank you for your cooperation in this matter and for supporting our student-athletes.

Sincerely,

Ken Bissell  
Superintendent of Schools

Drake D'Angelo
