"In Progress" means your teacher has completed the letter of recommendation letter and it is ready to be sent to your colleges (sent via Naviance by your School Counselor).

"Requested" means you have requested the letter, but it is not complete.

Providing a letter or recommendation is a courtesy and not a requirement. Make sure to speak with your teachers at least 2 weeks before any deadlines

It is your (student) responsibility to:

- Make sure you talk to teachers prior to requesting a letter or recommendation. We recommend you request 2 teacher letters.
- Let your teachers know of any deadlines, especially "early" deadline. Make sure your deadlines in Naviance are accurate.
- Follow up with your teachers about your letters.
- If you need help adding teacher recommendation requests to your Naviance account, please see your School Counselor

Mid-Year and Final Transcripts

Many colleges request Mid-Year Transcripts (End of Semester 1-January)

Mid year transcripts will only be sent to colleges based on your requests.

****Your final transcripts will be sent based on your Senior Graduation Survey (completed in May)****

Complete your Senior Brag Sheet in Naviance

- Click About Me>Surveys>Surveys not started
- Your senior brag sheet MUST be complete prior to requesting any letters of recommendation.
