

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the PM1 Renaissance Star Early Literacy, Star Reading, and/or Star Math assessment(s) during the following testing dates/windows:

Grade	Assessment	Testing Window
Kindergarten	Star Math	Tuesday, September 4, 2024 * New Date
First Grade	Star Math	Tuesday, September 5, 2024 * New Date
Second Grade	Star Math	Tuesday, September 6, 2024 * New Date

*First grade students who scored an 852 or higher in the previous school year may be administered Star Reading beginning in PM1.

Your student's results from PM1 are for informational purposes only, and you will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. If you or your student would like to review Star sample items at home, sample test items are available at <https://flfast.org/families.html>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

If you have any questions related to this test administration, you may contact Bonny Salib at 850-926-2664.

For more information about the Florida Statewide Assessments program, please visit the portal at [FLFAST.org](https://flfast.org).

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Catherine Cutchen
