To the extent that the SSC fails to perform its duties as set forth in these bylaws, the SSC delegates to the Fresno Unified School District Board of Education the authority to perform those duties on behalf of the SSC.

Code of Conduct

SSC members shall follow Fresno Unified School District's (FUSD) adopted community values District Adopted Community Values as follows:

1. Stewardship--We will lead and follow as stewards of our region, caring responsibly for our community assets. We will work together to achieve the greatest, long-term benefit for the community
2. Boundary Crossing and Collaboration — We are willing to cross-political, social ethnic, and economic boundaries and partner with others to achieve community outcomes. We will lead "beyond the walls" to create an inclusive, cohesive community through partnership and collaboration
3. Commitment to outcomes — We are willing to take responsibility for tasks and achieving specific outcomes. We are committed to staying involved until the tasks are completed
4. "Art of the Possible" Thinking -- We believe that anything is possible in Fresno. We will envision "success without limitations" and then backward map a specific, attainable strategy for achieving that vision
5. Fact--based decision-making- To the greatest extent possible, we will base decisions and actions on objective data, thereby avoiding distortion of issues by personal feelings or agendas

6. Truth-telling -- We value the empowerment of everyone involved, along with all community stakeholders, to honestly and forthrightly share all knowledge, experience, and insight relative to the work at hand. We take responsibility for ensuring our "truth" is current, not historical. We all share responsibility for maintaining the truth-telling standard

7. Power Parity-- We respect all persons and recognize there are diverse viewpoints. Positional Power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community

8. Commitment to Conflict Resolution -- Conflict is inevitable and is sometimes required to achieve the best outcomes possible. Healthy conflict involves valuing every individual regardless of his or her stance on a specific issue and an unwavering commitment to working through the conflict in a positive manner despite its severity

9. Asset-based Approach — We are focused on using a strengths-based, asset-oriented approach to people and issues. We believe that positive change occurs when we appreciate, value, and invest in what is best in our people and community
