

FCUSD has proudly hosted the Strengthening Families program for over 10 years. We are excited to announce that four sessions of Strengthening Families will be offered during the 2024-2025 school year. FCUSD families are eligible to participate at any location listed (registration required).

Dinner & childcare are provided for in-person sessions. Children, age 7 and up, are invited to join this program with their families. For younger children, there is a childcare center on-site for parents enrolled in the SFP program.

In this 10-week program, the whole family has an opportunity to learn how to:

- Bond with family members; listen, understand and validate each other's feelings, and banish communication boulders
- Set boundaries that keep kids away from alcohol and drugs, and monitor their activities
- Pre-problem solve, set up win-win negotiations and say no to potentially dangerous anti-social situations
- Create positive routines that teach kids responsibility
- Make contracts for change: teach kids to set goals for success
- Reduce stress, through mindfulness exercises and re-program the brain to step away from anger
