** For a complete listing of course offerings please refer to the online USD 305 Enrollment Guide from the Salina High School South Counseling Department web site. https://www.305southhigh.com/departments/counseling/enrollment_guide
 *** Many South High classes are available for concurrent or dual college credit from area institutions such as Salina Area Technical College (SATC), K-State Salina Aerospace & Technology (KSU), Hutchinson Community College (HCC) and Bethany College (BC). Students must meet specific eligibility requirements (grade level, GPA) and any fees associated with the dual credit will be the responsibility of the student. Most credits earned are transferrable to Kansas Regents universities.
