

Greenwich Public Schools Secondary (Grades 6 - 8) CODE OF CONDUCT

GENERAL PRINCIPLES OF THE CODE OF CONDUCT

The Greenwich Public Schools Code of Conduct has three main goals:

- (1) To ensure the safety of students and staff.
- (2) To create an environment conducive to learning.
- (3) To educate and prepare students to be reflective and empathetic individuals.

Our School Code of Conduct is aligned with the Greenwich Public Schools Policies and Regulations, specifically “Student Conduct” policy and regulation [5131](#) and Discipline Policy [5144.5](#). Please note that this Code of Conduct extends to include any school-related activities.

Our District Code of Conduct is part of a discipline philosophy based on our District Norms as well as the premise of educating students about appropriate behavior, recognizing and supporting appropriate behavior, having clear and predictable consequences applied by staff, and making restitution and restoring relationships when misbehavior has occurred.

DEFINITIONS REGARDING ADMINISTRATIVE DISCIPLINE:

NOTE: If a student is removed from class, to remain aligned with board policy the teacher is responsible for contacting home. The teacher must then fill out a referral. Also, as the school year progresses, additional consequences may be added.

1. Administrative Detention

You may be assigned an administrative Detention after school. The sole activity permitted during Detention is silent study. Failure to complete a Detention may result in an additional Administrative Detention and possible Loss of Privileges/or Suspension.

2. Loss of Privileges (LOP)

As you advance through the Greenwich Public Schools you may receive certain privileges. However, you will forfeit these privileges if you do not comply with school rules. Along with other privileges, students who violate the Greenwich Public Schools Code of Conduct may lose the privilege of participating in extracurricular activities, which may also include athletics participation. Please be aware that loss of privileges could be applied to any of the consequences for behavior.

NOTE: You must maintain satisfactory discipline, attendance, and academic record in order to retain privileges.

3. Suspensions

According to Greenwich Public School Policies and Regulations, a student may be suspended for up to ten days for "conduct on school grounds or at a school-sponsored activity that endangers persons or property, is seriously disruptive of the educational process, or that violates a publicized policy of the Board". (See section entitled "Student Conduct" for information on your rights in regard to suspension). A student and parent(s) must have a conference with an administrator prior to the return to class after a suspension. Please be aware that anytime a student is suspended or sent home an administrator will notify a parent/guardian. **NOTE:** *You are not allowed to participate in any athletic practice session or games, any co-curricular practice, rehearsal or performance, or after-school activity while you are suspended.*

- In-School Suspension:** In-School Suspension shall be defined as an exclusion from regular classroom activity for no more than ten consecutive school days, but not exclusion from school, provided such exclusion shall not extend beyond the end of the school year in which such in-school suspension was imposed. Such suspensions shall be served in the school attended by the student.
- Out of School Suspension:** If you are suspended from school, you may not be on school grounds or attend any school function for any reason unless you have made prior arrangements with your grade level administrator.

4. Exclusion

The Board of Education has the right to expel any student where the Board of Education has cause to believe that the student engaged in "conduct on school grounds or at a school-sponsored activity that endangers persons or property, is seriously disruptive of the educational process, or that violates a publicized policy of the Board". The Administrator and/or the Principal may recommend to the Board of Education that expulsion proceedings be initiated. The Board has the authority to expel a student for up to one year.

Note: School administrators reserve the right to search and seize aligned with GPS BOE Policy 5145 and 5145R

ALL DECISIONS ARE BASED ON THE DISCRETION OF GPS ADMINISTRATION.

Note: Please be advised that certain school rules and board policy violations may result in immediate administrative consequences outside of the Greenwich Public Schools Code of Conduct.
