PARLEY'S PARK PTA NEWSLETTER

RWE 2024

On May 18th, Parley's Park participated in RWE and took home first place for the highest participation, and best costume! Thank you to our awesome PCEF ambassadors and PTA volunteers who helped make it a fun day for all participants.

Field Day

Sunshine and sports came together to create an amazing Field Day! Huge thanks to our PTA Field Day Committee, teachers, staff, and the many parent volunteers who contributed to making it our most successful one yet!

Open House

On May 28th and May 30th, PPES faculty and staff hosted our first open houses. Students had the opportunity to showcase several projects and art work. The PTA made the nights more festive with fresh popped popcorn, photo booth fun, spirit wear sales, and next year's Falcon Fun Run sponsorship information.
