

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

AUGUST 22ND, 2024

Our family messaging system had to change unexpectedly for the 2024-2025 school year so it will be different this year. There have been some glitches that were out of our control and we are working hard with our new vendor to get everything up and running! Please check the website regularly for the first month of school until all the kinks have been worked out.

ARE YOU PICKING YOUR STUDENTS UP AFTER SPORTS PRACTICE? PLEASE PARK ON THE NORTH SIDE OF THE SCHOOL (NEAR THE IRVING GATE). THEY WILL BE RELEASED FROM THE

GYM.

CHEER

Middle School Basketball Season is upon us!

**Note from Mr. Dixon,
Dean of Students and Athletic Director**

I would like to invite you to attend an informational Middle School Basketball meeting, Wednesday August 28th from 5:30 - 6:30 here at school.

We have an exciting opportunity for your child to participate in the Charter League Association this upcoming fall.

Please plan on attending with your child as we will be discussing start and end dates, eligibility, physicals, and practice times.

THANK YOU!

The new bus stop at Walgreen's is working so much better and students are so much safer! We appreciate the feedback and suggestions that came from families.

It has been a fantastic beginning of the school year and we are so excited to see all of the learning happening in the classrooms!

Please do not load or unload students anywhere on Irving or on Ventana Road between Irving and our gates. It is causing safety concerns for those

drivers who are following the pick-up line procedures. If you can't wait in the line at pick-up, you can pick-up your student in the neighborhood to the east of the school, at the park next door (south) OR on Ventana Road south of the school. **THANK YOU FOR YOUR COOPERATION!**

School Lunch

Please send a lunch with your student daily. Albuquerque Aviation Academy does not currently have a food program. We are still waiting to hear back from the state on funding to help get the necessary equipment and construction to get make that a possibility but have not received anything to date! Vending machines are available.

If you arrive before 7:30 am to either gate or get here before 3:00 pm and the gates are still closed, **DO NOT BLOCK** the gate.

Staff need to be able to access the campus in order to receive students in the morning and it is a safety issue. If students and/or parents continue to block the gates, we will have to get the police involved and begin ticketing.
