MESSAGE FROM THE *Superintendent*

Joe Knoll, *Superintendent*

Dear Canfield Community,

As we prepare for a new school year, I am excited and optimistic about the journey ahead. The beginning of a school year always brings a unique blend of enthusiasm and anticipation, and the 2024-2025 school year is no exception. We are thrilled to continue our positive momentum this year with several exciting initiatives. Over the summer, we made significant investments in our facilities, ensuring that our students have access to safe and well-maintained learning environments.

These upgrades are just the beginning as we continue to pursue our master facilities plan this fall. This project represents a major step forward in our commitment to providing the best possible educational experience for our students.

As we navigate the upcoming school year, let us remember that we are Stronger Together. Each one of us—students, parents, teachers, staff, and community members—plays a vital role in the educational environment. By working together, we can create a nurturing and dynamic school community where every student can thrive.

I encourage everyone to stay engaged and connected with our schools. Attend our events, volunteer your time, and share your ideas. Together, we will make this school year one of the best yet.

Here's to a fantastic year ahead!
