

**Taylor's Hope would like to offer two scholarships to the
graduating seniors of East Islip High School**

- There will be a \$500 scholarship presented to a senior that has been through a difficult medical diagnosis and has continued to be a positive influence on their school and community.
- There will also be a \$500 scholarship presented to a senior that is a sibling or child of someone that has been diagnosed with a difficult medical condition who has also been a positive influence on their school and community.

Criteria for Scholarship for Students applying for this award:

1. Must be a graduating senior of the East Islip High School.
2. Must have a clean behavior record.
3. Must complete this application and the essay below.

Name: _____

Essay: no less than 350 words:

Tell us how the medical diagnosis has affected your life and how you have continued to find the positive in life. Being active in helping others is an important part of getting through difficult times. Let us know how you have helped those around you while dealing with your own diagnosis, or your sibling/parent's diagnosis.
