

Parents: Register to view your child's activity

1. You should have received a Parent Access Code from your child's school, in the format XXXX-XXXX-XXX. **Code can be found by logging into your Infinite Campus Parent Portal and selecting 'More' at the bottom of the left menu, then click Schoolology.**

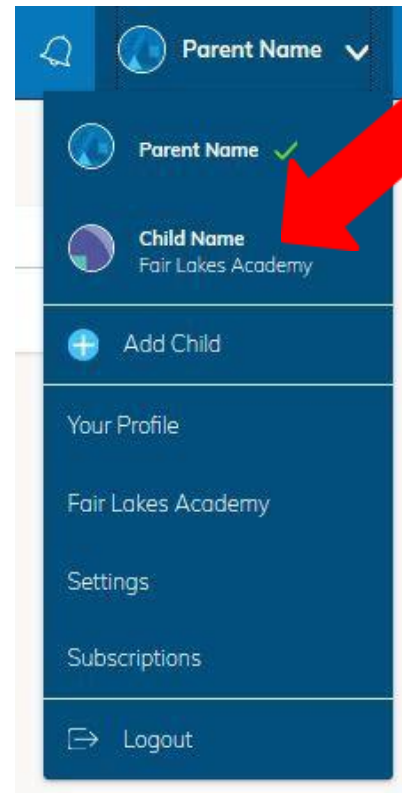

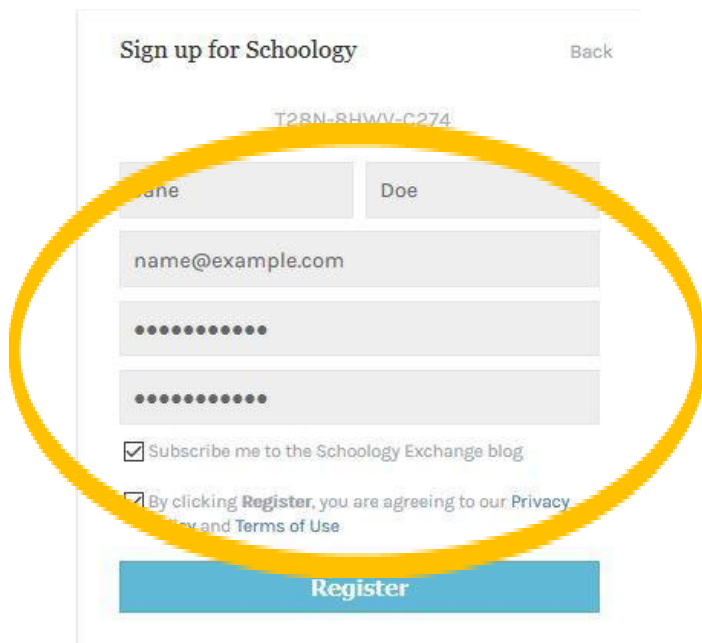

2. In your browser, navigate to [Schoolology - Parent Sign Up](https://app.schoolology.com/register.php?type=parent) (<https://app.schoolology.com/register.php?type=parent>)

3. Enter the code from Infinite Campus here and click **Continue:**

The image shows a screenshot of the 'Sign up for Schoolology' form. The form has a title 'Sign up for Schoolology' and a 'Back' link. Below the title is an input field labeled 'Access Code', which is circled in yellow. Below the input field is the text 'Enter the access code provided by your child's instructor'. At the bottom of the form is a blue button labeled 'Continue'.

4. Enter your name, email address, and password and click **Register**. Once you log in, you'll be able to browse your child's activity by clicking the arrow to the right of your name and selecting your child's name from the top right drop-down menu:

5. To add another child to your account, select the Add Child button. You will need their individual code from Infinite Campus as well.

Now that you've successfully registered for Schoology to view your child(ren)'s activity, check out our [Parent Guide](#) in the Help Center.
