

# How to Enroll in Kingsway's Chromebook Insurance Program

Kingsway Regional School District has created our own insurance program to offer an affordable device protection system that provides peace of mind for parents and guardians.

**For just \$25 per school year, this insurance will cover any costs for your child's Chromebook** due to accidental damage, theft, and other unforeseen events. Repair or replacement costs can range from \$100 to \$250, and this insurance will help alleviate any financial strain in such situations.

**Enrolling in this program is entirely optional, but we highly recommend it.**

- 1) To enroll in the Kingsway Chromebook Device Coverage insurance program, please log on to your **Genesis Parent Portal**. Under the 'Fees and Fines' tab, you will find Chromebook Insurance listed as an 'Optional Fee'.

Payment of fees may be addressed in person at your student's school office through cash or check, or online via the [My School Bucks](#) platform.

[My School Bucks](#) is used at Kingsway to process payments for the school store, to allow families to load lunch funds for their students, and now to pay incurred fees and fines through the same platform. Parents and Guardians can create a [My School Bucks](#) account for free (no subscription). A quick explanation of the payment process is available in the [Parent Portal Guide](#).
