

**POLICY REGARDING EMPLOYEES AND  
SECTION 504 OF THE REHABILITATION ACT OF 1973 AND  
TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the ISAAC Board of Directors (the “Board”) recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs. In this regard, the Board prohibits discrimination against any person with a disability in any of the services, programs or activities of the school system.

**ADMINISTRATIVE REGULATIONS REGARDING EMPLOYEES  
AND SECTION 504 OF THE REHABILITATION ACT OF 1973  
AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

ISAAC Board of Directors Section 504/ADA Grievance/Complaint  
Procedures Regarding Discrimination Against Employees

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) and Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) (collectively, “Section 504/ADA”) prohibit discrimination on the basis of disability. For the purposes of Section 504/ADA, the term “disability” with respect to an individual means: (a) a physical or mental impairment that substantially limits one or more major life activities of such individual; (b) a record of such an impairment; or (c) being regarded as having such an impairment.

**I. Definitions**

**Major life activities:** include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working. A major life activity also includes the operation of a major bodily function, such as the functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive systems. The operation of a major bodily function includes the operation of an individual organ within a body system.

**Mitigating measures:** include, but are not limited to, (a) medication, medical supplies, equipment, appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment and supplies; (b) use of assistive technology; (c) reasonable modifications or auxiliary aids or services; (d) learned behavioral or adaptive neurological modifications; or (e) psychotherapy, behavioral therapy, or physical therapy.

**Physical or mental impairment:** (a) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems, such as: neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine;(b) any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disability; or (c) an impairment that is episodic or in remission if it would substantially limit a major life activity when active. Physical or mental impairment includes, but is not limited to, contagious and noncontagious diseases and conditions such as the following: orthopedic, visual, speech, and hearing impairments, and cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, emotional illness, dyslexia and other specific learning disabilities, Attention Deficit Hyperactivity Disorder, Human Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

**II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability**

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability (including differential treatment, harassment and retaliation) may submit a written

complaint to ISAAC's designated Section 504/ADA Coordinator (see contact information below) within thirty (30) school days of the alleged occurrence.

- B. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If a complaint is filed relating to alleged discrimination occurring more than thirty (30) school days after the alleged occurrence, the ability of the ISAAC School (the "School") to investigate the allegations may be limited by the passage of time. Therefore, complaints received after thirty (30) school days of the alleged occurrence shall be investigated to the extent possible, given the passage of time and the impact on available information, witnesses and memory. If a complaint is made verbally, the individual taking the complaint will reduce the complaint to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to ISAAC's Section 504/ADA policies and regulations regarding students.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. ISAAC will not tolerate any retaliation that occurs as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. ISAAC will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Executive Director who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures. If the Executive Director is the subject of the complaint, ISAAC shall designate an appropriate party to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
  - 1. The name of the complainant;
  - 2. The date of the complaint;
  - 3. The date(s) of the alleged discrimination;
  - 4. The names of any witnesses or individuals relevant to the complaint;
  - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
  - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

- G. Upon receipt of the complaint, the individual investigating the complaint shall:
  - 1. Provide a copy of the written complaint to the Executive Director;

**Commented [ADP5]:** This provision addresses potential conflicts of interest.

2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant may have;
  3. Provide the complainant and respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
  4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of ISAAC's investigation;
  5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
  6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
  7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Executive Director. The written notice shall include a finding as to whether the complaint was substantiated and if so, shall identify how ISAAC will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;
  8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
  9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;
  10. In the event the investigator concludes that there is no violation of Section 504/ADA, ISAAC may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant or respondent is not satisfied with the findings and conclusions of the investigation, the appealing party may request review and reconsideration of the conclusion of the complaint within ten (10) school days of receipt of the written outcome. In requesting review, the appealing party must submit the complaint, the written outcome of the complaint, and explain why he/she believes the factual

information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the appealing party, the Executive Director will provide the appealing party's written statement to the non-appealing party (if any). The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the complaint procedures.

The Executive Director shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Executive Director shall issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances). The Executive Director's decision shall be final.

***Complaint Procedure for Executive Director/Board Members Complaints:***

Any School administrator or Board member who receives a complaint of discrimination, harassment or retaliation of any employee by a Board Member or by the Executive Director shall forward the complaint promptly as follows. Complaints pertaining to the Executive Director or Board members will be forwarded to the Chair of the Board of Directors. Complaints pertaining to the Board Chair will be forwarded to the Board Vice Chair. In all cases, the individual receiving the complaint shall take appropriate steps to cause the matter to be investigated in a manner consistent with the procedures described above.

**Commented [ADP6]:** This addresses potential conflicts of interest issues is complaints are made about Board members or the Executive Director.

If a complainant or a respondent is not satisfied with the findings and conclusions of an investigation in which the Executive Director or a member of the Board is the respondent, within ten (10) school days of receiving the findings such party may present the complaint and written outcome to the Board Chair (or, if initially presented by the Board Chair, the Board Vice Chair), who will take appropriate steps to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation. Such steps may include retention of an independent investigator different from the investigator who investigated the complaint.

**Commented [ADP7]:** See prior comment.
