ABOUT HOBAN

Archbishop Hoban High School is a Roman Catholic, coeducational, college preparatory high school serving 860 students on a 75-acre campus in East Akron, Ohio. The Brothers of Holy Cross founded Hoban as an all-boys high school in 1953. In 1973, the school became coed. In 1976, the lay Board of Directors assumed major governance responsibilities and the Brothers now sponsor the school.

On average, 97 percent of seniors enroll in a two or four-year college following graduation. Students have the opportunity to earn college credit in nearly 30 academic courses. The Class of 2024, with 204 students, earned more than \$25.5 million in merit-based scholarships from colleges and universities across the nation. As a class, they made plans to matriculate at more than 50 higher education institutions in 15 states. Four graduates plan to serve our country.

Hoban is committed to making Catholic education available to an economically, academically and ethnically diverse student population. This academic year, 23% of the student body are eligible for free or reduced lunch.

RANK IN CLASS

In a rigorous college preparatory curriculum, class rank is not an accurate measure of individual achievement and could be misleading in determining the student's ability to successfully complete college-level work.
