Parent/Teacher Conferences

October 14-18  
Fall Break

## Back to School Night

Parents please join us for Back to School Night on Tuesday, August 27th from 6:00-8:00 pm. The evening will begin in the Brown Center (auditorium). Please make your best effort to be here! We look forward to partnering with you this year.

## Spelling Tests

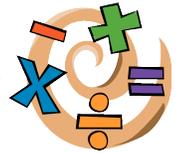

The students will have their first spelling test on Friday. Please encourage daily practice as we work toward mastery of the words. There will also be a dictation sentence. Lists are found on the FCA Website.

## Math Facts

Third grade math curriculum picks up where second grade left off. Students should know:

- addition and subtraction facts to 20
- multiplication facts 2,3,4,5,10

If you feel your student does not have mastery of these facts, please contact your child’s teacher for resources you can use at home.

## First Recitation

We are reciting our first poem “For Want of a Nail” on Monday, September 9.

Picture Day is Thursday, August 29. Students must wear their uniform!

## In Our Curriculum...
