If you are interested in **Extended Day** (childcare for grades PreK-8), please visit our [Extended Day website](#) to learn more! There, you'll find the 2024-2025 *Extended Day Guide*, FAQs documents, and more.

If you are interested in **Girl Scouts**, Trinity Valley School hosts a troop on campus for TVS girls currently enrolled in grades K-4. Please contact Brittany Rico at brittany.rico3@gmail.com for more information. *Scouting organizations do not fall under the Auxiliary Programs umbrella - due to their operation under national organizations - although this is certainly an after-school option for certain TVS students!*

- Girl Scouts will meet on Mondays after school.
- A specific schedule - including any special events / meetings - may be obtained from Brittany Rico.

If you are interested in **TVS Music lessons**, please continue reading... The TVS Orchestra Lower School Orchestra program is open to students Grades K-4 and provides individual lessons as well as orchestra rehearsals and concerts...*TVS Music does not fall under the Auxiliary Programs umbrella - due to their significant work during the school day - although certain TVS Music operations happen after school.*

Information:

In the TVS Lower School Orchestra Program, students can choose to enroll in private lessons for violin, viola, cello, or bass. The tuition for the Lower School Orchestra Lesson Program is \$1,110, with an annual registration fee of \$150. Students enrolled in violin, viola, cello, or bass lessons will also become a part of the Lower School Orchestra and attend weekly orchestra rehearsals in addition to their weekly individual lesson.

- This year, the TVS Lower School Orchestra (Grades 1-4) will rehearse on Tuesdays, Wednesdays, and Fridays at 3:45-4:45 pm in the Lower School Great Hall Foyer. Students are required to attend a minimum of one rehearsal per week to be in the program. Returning students have already received a Google form (Lower School Orchestra Rehearsal Scheduling Form) that must be completed in order to be a part of the orchestra program.
- Please note, Kindergarten and first year students will receive weekly private lessons but will not be in Orchestra until they are ready to join. After they have adequately learned the basics of their instrument, they will be invited to join the Lower School Orchestra.

Our Enrichment programs are carefully designed experiences that aim to expand and enrich students' academic, creative, and athletic horizons. As such, we request that families register in a timely fashion (prior to the start of each program), so that each child gets the best experience possible! Our instructors have much to offer!

All programs begin after Labor Day:

- Please pay special attention to the specific dates of the programs. Some programs do not begin until the week of October 14.
- If you see an expected date "missing," this indicates either a no-school day OR a day the instructor is unavailable.
- Trinity Valley School is not responsible for weather-related cancellations. Whereas we certainly try to minimize these last-minute cancellations, we appreciate your understanding if / when they occur! We will notify registered families of any such cancellations via email.

Registration for programs will occur online, via the [Auxiliary Programs registration platform](#), powered by CampBrain. Registration opens on **Wednesday, July 17, 2024, at 5:00 p.m.** All participants - both from Trinity Valley School and the broader community - must register online.

All programs have an enrollment minimum and maximum; these specific numbers vary by program.

- **If a minimum enrollment is not met, we may be forced to cancel the program.** We will aim to do this well in advance of the program start date, so registered families have time to pursue other options.
- **If a maximum enrollment is exceeded, our platform will automatically switch the program status to “waitlisting.”** You are welcome to add your child’s name to the waitlist or find other programs that are still open. If space opens in a waitlisted program, a member of the Auxiliary Programs team will contact you as soon as possible to inquire about finalizing enrollment. Please note that we may not be able to accommodate all waitlisted individuals.

A 15-minute supervised break for restroom, water, and snack (provided) will occur in the TVS Dining Hall between school-day dismissal and the start of Enrichment programs that begin by 3:45 p.m.

Beginning on Wednesday, July 17, at 5:00 p.m., please REGISTER HERE for our Enrichment programs!

Fall 2024 “Fine Print”

We will use the [Auxiliary Programs registration platform](#) for program registration and mass family communications.

- However, billing for Enrichment programs will occur via the FACTS portal (for TVS families) or via paper check (for non-TVS families). For more information, please see the blue chart on p. 3/4 of this Catalog.
- **It is required for all participants to register** online for Enrichment programs.
- During the registration process, families will be required to agree with the Fall 2024 Enrichment waivers and releases. A copy of these waivers and releases may be found [here](#).
- All programs have an enrollment minimum and maximum; these specific numbers vary by program.
- **If a minimum enrollment is not met, we may be forced to cancel the program.** We will aim to do this well in advance of the program start date, so registered families have time to pursue other options.
- **If a maximum enrollment is exceeded, our platform will automatically switch the program status to “waitlisting.”** You are welcome to add your child’s name to the waitlist or find other programs that are still open. If space opens in a waitlisted program, a member of the Auxiliary Programs team will contact you as soon as possible to inquire about finalizing enrollment. Please note that we may not be able to accommodate all waitlisted individuals.
- All participants must be 4 years of age or older and thoroughly independent in the restroom.
- Our programs are designed to follow the scheduling rhythms of Trinity Valley School. Whereas we welcome non-TVS students to participate in our Enrichment programs, **we are not able to provide transportation to / from our campus.**
 - Non-TVS families must drop off their participants in the TVS Dining Hall by the start of the program and pick up their participants from the TVS Dining Hall at the end of the program. No Extended Day programming is available to non-TVS families.
 - Non-TVS families are encouraged to email Melisa Garcia (garciam@tvs.org) after registration, so additional logistics / reminders may be individually given. *We certainly don’t want to assume that the broader community is familiar with TVS rhythms!*
