Students are strongly encouraged to utilize the district-provided bus transportation to and from school. Driving to school is a **privilege not a right**. Failure to follow Lakeview High School Student Driving Guidelines will result in temporary or permanent loss of driving privileges. The school district assumes no responsibility for student safety or for personal property damages. Driving privileges are limited to those 16 years old or above who possess a valid Pennsylvania driver's license (not a PA Learners' Permit) and who agree to the student driving regulations. The number of driving permits issued each school year will not exceed the number of available parking spaces. Detailed information concerning student driving, student riders and loss of driving/riding privileges is available on the Middle-High School website.

6. Driving from the school grounds during school hours without permission is prohibited.
7. Students must leave their vehicles immediately upon arrival at school.
8. Sitting in a vehicle during the school day is not permitted.
9. Speeding (in excess of 10 mph) or careless driving on the school grounds is not permitted.
