C. Consequences & Disciplinary Codes:

Discipline is most effective when it deals directly with the problem at the time and place it occurs and in a fair and impartial manner. Disciplinary action, when necessary, will be firm, fair and consistent to positively modify student behavior. Discipline will be progressive, meaning that a student's first violation will usually merit a lighter penalty than subsequent violations. School personnel may impose a more severe penalty for a first violation depending on the specific facts and circumstances of the incident. The leadership team will consider the nature of the offense, circumstances that lead to the offense, information from parents, teachers and staff and any other mitigating factors or extenuating circumstances that lead to the behavior. Students who are found to have violated the district's Code of Conduct may be subject to the following consequences, either alone or in combination.

- Oral warning - any member of the district staff.

The Principal retains the right and privilege to issue penalties for acts of discipline not specifically stated herein and to alter any penalties as she considers necessary. Furthermore, the Principal reserves the right to amend any provision in this document which she believes to be in the best interest of the educational process at William Floyd Middle Schools.

Dignity for All Students: Prohibiting Discrimination and Harassment

The William Floyd School District is committed to providing a safe and productive learning environment within its schools. In accordance with New York State's "Dignity for All Students Act" (the "Dignity Act"), the middle schools are committed to preventing and promptly addressing incidents of harassment and/or discrimination of students that impede students' ability to learn. This includes bullying, taunting or intimidation in all their myriad forms.

Harassment: The creation of a hostile environment by conduct or by verbal threats, intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being; or conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety; such conduct, verbal threats, intimidation or abuse includes but is not limited to bullying, cyber bullying, sexting or other conduct, verbal threats, intimidation or abuse based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex.

Sexual Harassment: The Board of Education affirms its commitment to nondiscrimination and recognizes its responsibility to provide an environment that is free of harassment and intimidation. Harassment is a violation of law and stands in direct opposition of District Policy (*BOE Policy #3420*). The School District will act to promptly investigate all complaints, either verbal or written, formal or informal, of all allegations of harassment. Questions or complaints concerning this matter can be directed to: Matt Sanders, Assistant Superintendent for Human Resources (631) 874-1549.

Bullying: means a series of acts or a single negative act (depending on severity) that involve(s) a real or perceived imbalance of power i.e., where a more powerful (whether real or perceived) group of students, or an individual student, engages in harassment of another student or students who is/are less powerful or perceived to be less powerful. Bullying can take many forms, including but not necessarily limited to the following three forms:

1. Physical (including, but not limited to, hitting, kicking, spitting, pushing, taking personal belongings);

This includes but is not necessarily limited to sending mean, vulgar, or threatening messages or images; posting sensitive,

private information about another person (including but not limited to "sexting"); or pretending to be someone else in order to make that person look bad.

Harassment of Students Prohibited

No student shall be subjected to harassment by employees or students on school property or at a school function.

Discipline of Students Who Engage in Harassment Off-Campus

The District also reserves the right to discipline students who engage in Harassment of students off school property under circumstances where such off-campus conduct:

1. Adversely affects the educative process
2. Actually endangers the health and safety of District students within the educational system; or
3. Is reasonably believed to pose a danger to the health and safety of District students within the educational system.

This includes written and/or verbal harassment which materially and substantially disrupts the work and discipline of the school and/or which school officials reasonably forecast as being likely to materially and substantially disrupt the work and discipline of the school.

District-Wide Policy

SUBJECT: INTERSCHOLASTIC ATHLETIC AND EXTRACURRICULAR ELIGIBILITY

In support of the Code of Conduct and Mission of William Floyd Athletics, all students must maintain consistent effort in the classroom. The following Athletic Academic and Extracurricular Eligibility policy applies to all students who are involved in athletics and extracurricular activities:

- a. Special Education Students, English Language Learners, and new transfer students will be Automatically reviewed for eligibility through the appeal process (If they are deemed ineligible for academic reasons).
- b. Students who violate the code of conduct can be suspended from extracurricular activities.
- c. Students need to be in good standing with attendance at above 90%. Students must have attended the full school day to be eligible to participate.

Middle School

7th & 8th Grade Students

Any failures - Student records reviewed by Assistant Superintendent

- o Progress reports monitored by MS Coach, club advisor, Assistant Principal and Chairperson,
- o If student shows no growth, teacher contacted and parent/teacher meeting scheduled
- o Identify other resources as needed

Clubs

Student participants' grades will be reviewed on a quarterly basis. The fourth quarter grades will determine participation in the new school year. After-school clubs and activities are an integral part of the school program. A booklet of the clubs and activities which are planned for this year will be available to all students in October. Students are encouraged to participate in as many activities as possible. Transportation will be provided for students participating in after-school clubs.

Building Guidelines

Late Assignments

Unless a student has an extenuating circumstance which the administration has approved, all students will have one week to hand in late assignments, with the exception of homework. Late assignments will not be accepted after one week and the student will receive a grade of 0. Any missing homework assignments are due the day the student returns to school.

After School Events

1. Spectators are encouraged to attend, but are reminded to arrange transportation home since **late buses are for athletes only**. It is important to note that students are not permitted to remain in the building after dismissal to attend a sporting event. The student must leave at dismissal and return with an adult or remain supervised in a club until 4:00 pm.
2. Spectators are encouraged to stay for the entire event since those individuals leaving will not be allowed to re-enter.
3. **AFTER SCHOOL EVENTS ARE A PRIVILEGE**. Students not following the code of conduct may have this privilege revoked at the discretion of the building leadership team.

Attendance

Daily attendance is essential for success at the Middle Schools. The teachers at the Middle Schools have carefully planned the year's work and whenever a student is absent, he or she misses part of this work. An absent student is responsible for all missed class work and homework (please refer to "Late Assignments" above).

- Students may enter the school building at 7:50 am.
- Students who arrive before 8:00 am must report to the main lobby.

Absence: When a student is absent, his/her parent must call the Attendance Office at **874-5521** to explain the nature of the illness or emergency. Parents should then send a note explaining the absence.

- The following are reasons for legal absences:
 - a. Sickness
 - b. Religious observances
 - c. Required court appearances
 - d. Required health treatments
 - e. Impassable roads
 - f. Quarantines
- Students who become ill and are out of school for a long period of time must have their parents contact the school's nurse's office. Depending on the circumstances, the student's assignments may be sent home or arrangements for a tutor may be made. When the student returns to school, it is their responsibility to check with their teachers to ensure all work has been completed within the one week timeframe as stated above in "Late Assignments".

Lateness to School: Students are expected to be on time for school each day. Students who are late to school must sign in at the attendance office. New York State Law indicates that the **ONLY LEGAL** reason for lateness to school is **ILLNESS OR FAMILY EMERGENCY**.

Oversleeping and missing the bus are **NOT** legal reasons for being late. We must presume that any student arriving late to school without a note is **ILLEGALLY** late. All lateness's are entered on the student's permanent record. Students who do not sign in upon arrival but are present in school will be assigned detention.

- Students who arrive to school after 8:00 am are late.
- Students who are late must report to the Attendance Office to obtain a late pass.
- Students who sign into school after 10:56 am without a doctor's note will not be permitted to participate in any extra-curricular activities including athletic team practices and games scheduled for that day.
- Students who are excessively absent or late will be referred to the grade level office or school attendance advisory program.
- Disciplinary action will depend on the number of previous illegal absences and illegal lateness.

Early Release: Early release will be granted for the same reasons allowable for legal absences. You are encouraged to schedule appointments with your doctor or dentist other than during school hours. In all instances students leaving early must be signed out in the attendance or nurse's office by a parent or guardian. Students who leave school early without following the proper procedures will be considered cutting and will face disciplinary action.

Computer/Internet User Privileges

The use of the school's electronic resources and networks is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. Misuse can come in many forms, but it is commonly viewed as any messages sent or received that indicate or suggests pornography, unethical or illegal solicitation, racism, sexism, inappropriate language, and any malicious attempt to harm or destroy data of another user or of any other agencies or networks that are connected to the system. This includes, but is not limited to, the uploading or creation of computer viruses. All rules of conduct described in the student handbook apply when you are on the network.

Dress Guidelines

All William Floyd students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students and their parents have the primary responsibility for acceptable student dress and appearance. Teachers and all other district personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting. A student's dress, grooming and appearance, including hair style/color, jewelry, make-up, and nails shall:

1. Be safe, appropriate and not disrupt or interfere with the educational process.
2. Recognize that extremely brief garments such as tube tops, halter tops, spaghetti straps, mini-skirts, short-shorts, plunging necklines (front and/or back) and see-through garments are not appropriate.
3. Ensure that underwear is completely covered with outer garments.
4. Include footwear at all times. Footwear that is a safety hazard will not be allowed. No "healys" or slippers are permitted.
5. Not include the wearing of **hats, hoods, bandannas, "do-rags" and winter coats and jackets or any item deemed inappropriate by Administration** in the building except for a medical or religious purpose.

6. Not to include items that are vulgar, obscene, and libelous or that denigrate others on account of race, color, religion, creed, national origin, gender sexual orientation or disability.
7. Not promote and/or endorse the use of alcohol, tobacco, or illegal drugs and/or encourage other illegal or violent activities.

Students will be required to modify their appearance if it is found to interfere with the educational process. Any student who refuses to do so shall be subject to the established consequences. Any student who repeatedly fails to comply with the dress code shall be subject to additional consequences pursuant to the William Floyd School District Code of Conduct.

DETAILED DISTRICT-WIDE CODE OF CONDUCT IS AVAILABLE ON THE DISTRICT WEBSITE AT WFSD.K12.NY.US UNDER RESOURCES/STUDENTS.

Only medication prescribed by a physician and stored with the nurse will be dispensed. All accidents are to be reported to the nurse's office immediately. The following exams are conducted in the nurse's office: sports physicals, hearing, vision and 7th grade physicals.

Homework/Extra Help

Homework is considered an essential part of a student's total education. The recommended time to be spent on homework in grades 6, 7 and 8 is 15-20 minutes per subject per day. The form of daily homework assignments can vary (e.g. reading, studying, preparing for tests, problem solving, laboratory exercises, writing compositions, reports, projects, etc.). Extra help is offered to all students every day from 2:31 pm to 2:58 pm.

Honor Roll

95 - 100 Principal's List

90 - 94.9 High Honor Roll

85 - 89.9 Honor Roll

Library/Media Center

The Media Center is available for research and enjoyment. Students are encouraged to use the Media Center before and after school to do research, to choose books for class projects, and to select books and/or magazines for leisure reading. Students using computers or Internet services provided by the district must submit the *Computer Technology & Internet Use Agreement*.

Lockers

Each student will be provided with a combination lock for their hall lockers. No other lock is permitted. Students are responsible for a \$5.00 replacement charge if the lock is lost. Students, not the school, are responsible for all items in their locker. This includes books and personal items. Students can go to their locker before school, between periods according to the outlined schedule, and after school. Students are only to use the locker they are assigned. No sharing or switching lockers is permitted. Students are advised that lockers are the exclusive property of the school and may be checked by the building administrators when it is deemed necessary.

Lost and Found

Lost and Found is located in the cafeteria.

Progress Reports/Report Cards

Progress reports will be accessible after the fifth week of each quarter via the parent portal. The purpose of these reports is to make parents aware of their child's current academic performance. Parents and students should utilize these reports as a guide to improve their child's academic standing, or to encourage the student to continue his or her exemplary work. Please visit the William Floyd School District website to obtain a Parent Portal account.

Report cards will be available on the Parent Portal at the end of each quarter or ten-week session.

- The comments on the report card are designed to aid parents and students in determining methods to improve academic achievement.

Conferences with teachers can be arranged during the year by calling the guidance office at (631) 874-5510 to set up an appointment.

Safety Drills

To assure the safety of every student and staff member, the building maintains a lock-out status. This assures all exterior means of entry are locked at all times. All visitors are required to report to the guarded main entrance.

In the event of imminent danger due to natural or man-made causes a signal will be given to place the building in lock-down condition. Lock-down status means all students and staff are secure in locked classrooms with teacher supervision. Lock-down drills will occur throughout the year.

- A fire evacuation plan is posted in each room. Students should study the plan.
- **Special Note** - The reporting of a false bomb or fire threat is a crime that may result in imprisonment and/or civil penalties being imposed against the individual.

Schedule Changes

As you have reviewed and discussed your schedules with your school counselor from the year before, please be aware that musical performing groups; Band, Chorus and Orchestra, are a year-long commitment. Students are not permitted to drop any music or elective class after the first day of school. Requests to drop a music or elective class prior to the first day of school may not be possible due to master schedule limitations.

Social Activities

- Social activities such as dances, games, plays, end of year events, etc., are sponsored by a school organization. All activities will be properly chaperoned. These activities are open to

Middle School **students in good standing**. Students who leave activities early will not be allowed to re-enter unless accompanied by a parent or guardian.

Any student wearing inappropriate attire will not be allowed to enter the school.

Textbooks and School Properties

- Students are not permitted to walk around the building with backpacks of any type. Backpacks may be carried to and from school and must be placed in lockers during the school day.
- Textbooks, workbooks, supplies, equipment, etc. are provided for student use. These items should be used properly and kept in good condition. Students are not permitted to write in textbooks.
- Students will be held responsible for lost or damaged books, supplies, equipment, etc.
- When a student moves, all William Floyd textbooks, equipment, locks, etc. must be returned. To facilitate the process, students should pick up a checkout form from guidance one week prior to moving.

Transportation

Rigid standards of discipline must be maintained on school transportation at all times in order to satisfy safety requirements. Whenever a driver must direct his/her attention away from the road, danger exists. Foremost in our minds is the safety of each passenger.

Transportation Responsibilities

1. The **privilege** of riding the bus may be revoked for violation of the rules or for conduct which is detrimental to the safe operation of the school bus.
2. The driver is in full charge of the bus and the students.

Only those students who stay for club activities or After School Detention (ASD) are permitted to ride the late bus. There will be an additional late bus for those students who are on an athletic team.

Bicycles

The William Floyd School District has a policy of busing all students. It is recommended that students do not ride bicycles to school, however, any student who chooses to ride a bicycle to school must provide a lock and chain and properly secure the bicycle in the bicycle rack. The school district is not responsible for stolen, damaged or vandalized bicycles brought to the school. **Motorized bikes or skateboards are not to be permitted on school grounds.**
