District Goals	
The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the District Goals supporting the expectations that all goals shall have objectives that are measurable, actionable and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.	
Student Goal	Improve academic performance at challenging levels
Student Goal	Expand student-centered and real-world learning experiences
Student Goal	Increase student engagement in their school and community
Staff Goal	Increase recruitment and retention of staff reflecting the diversity of our community
Family Goal	Increase inclusive opportunities for families to engage in their students’ education

Consolidated Program Assurances

The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.
The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.
The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.
The school's SSC, staff and parents participate in a needs assessment to help guide SPSA development.
The members of the SSC, the school's English Learners' Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant student groups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.
School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (Parent Advisory Committee (PAC) and District English Learners' Advisory Committee (DELAC)) and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.
Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.
Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.
The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.

Wolters Elementary 2024-2025 - SPSA

Goal 1 - STUDENTS: Improve academic performance at challenging levels.

Needs Assessment

School Quality Review
School Level Dashboard

Goal 1 Metrics	Required	Current Target	Actual	As Of	Target
SBAC ELA - Average distance from standard	✓	-43 pts	-63.6 pts	2023-2024	-48 pts
SBAC ELA - Average distance from standard (Students w/ Disabilities)	✓		-103.5 pts	2023-2024	-82 pts
SBAC ELA - percentage of students met/exceeded standard	✓	29.42 %	21.9 %	2023-2024	26.9 %
SBAC Math - Average distance from standard	✓	-65 pts	-68.7 pts	2023-2024	-53 pts
SBAC Math - percentage of students met/exceeded standard	✓	22.05 %	16.1 %	2023-2024	21.1 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

On ELAiReadyDiagnostic 2, 29.5% of students in grades K-6 were on or above grade level standards. On Math iReady Diagnostic 2, 17.4% of students in grades K-6 were on or above grade level. Key factors for growth are due to the following:

1. K-6 implementation of GVC and its technological resources; Wonders, Assessments, and iReady student and family reports.
2. Quarterly planning and Assessment Calendars in designated days, PLC time provided once a week for 1.5 hours.
3. Intervention block - strategic grouping of students and intentional reteaching.
4. PLC and ILT collaboration, analysis of SBAC and CFAs, reteaching of standards, progress monitoring, and targeted students.
5. Professional Learning based on site needs and walkthrough data.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

SBAC ELA: The students with disabilities group has 11.62% less students meeting or exceeding standards than schoolwide. This includes 4 out of 39 students. The African American student group has 11.37% less students meeting or exceeding standards than schoolwide. This includes 4 out of 38 students. The White student group has 7.7% more students meeting or exceeding standards than schoolwide. This includes 8 of 27 students. The Hispanic student group has 2.2% more students meeting or exceeding standards than schoolwide. This includes 32 out of 133 students.

Overall, 21.9% of students met/exceeded standards in ELA.

SBAC Math: The students with disabilities group has 3.28% less students meeting or exceeding standards than schoolwide. This includes 5 out of 39 students. The African American student group has 5.57% less students meeting or exceeding standards than schoolwide. This includes 4 out of 38 students. The White student group has 9.8% more students meeting or exceeding standards than schoolwide. This includes 7 out of 27 students. The Hispanic student group has .1% less students meeting or exceeding standards than schoolwide. This includes 31 out of 133 students.

Overall, 16.1% of students met or exceeded standards in Math.

SWD.....6.67

AA.....8.77

Asian.....35.48

His.....16.81

Two or more.....13.33

White.....21.42

Factors that contributed to the disproportionality of low performing student groups:

*Chronic Absenteeism is higher for SWD than for All Students. Chronic absenteeism contributes to loss of learning that would therefore disproportionately affect SWD.

*Inconsistency of SPED para staffing negatively impact SWD's ability to meet goals and approach grade level achievement on SBAC.

*Family Foundations Counseling - 3 days a week

*RTI is currently only available for grades 1-3 therefore 3rd grade students are the only students taking the SBAC that receive these services. This could be negatively impacting our scores for grades 4-6 for SWD and for all students.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Unfulfilled tutorial supplemental contracts

Sub release time for Professional Learning

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Continue:

Targeted professional learning to close achievement gaps.

.4375 (3.5 hours per day) Certificated Tutor to provide RTI to identified students in grades 1-3

Teaching Fellows to support tier 1 and 2 instruction in our regional literacy plan.

TSA provide math push-in support for grades 4-6 targeted to assessed student needs.

HSL to continue to provide support and communication to targeted student group families in regards to parent engagement activities.

MLD implementation and training in grades 1-6

Time will be provided in class weekly for students to use district iReady and district approved software to support growth in student targeted areas.

Site Academic Coach providing Professional learning and in class coaching support.

Cycle of Continuous Improvement within our PLC groups using assessments to intentionally group students for interventions.

Instructional supplies will be purchased to support instruction in the classroom.

Start:

School Social Worker no more than 3 day per week.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

<div>1 SSC - (Teacher/Staff, Parents, and Secondary Students).</div> <div>Continue to focus on reading to provide students with reading skills, fund CT, and teaching fellows.</div>	<div>2 ELAC:</div> <div>Certificated tutor for interventions and development Teaching Fellows to assist students.</div>	<div>3 Staff - (Credentialed Staff, Classified Staff, and Administrators):</div> <div>Continue RTI deployment, materials for classroom instruction, supplemental contract for tutorials, incorporate SWUN/MLD structure.</div>

Action 1

Title: Reading by 3rd Grade

Action Details:

Wolters will provide a three-tiered approach to literacy support for TK-3rd grade students. Tier one will include a focus on common core literacy skills in every classroom through professional learning and school wide literacy practices (Guided Reading, The Lit 6, Interactive Read Aloud, Implementation of Wonders Curriculum). Tier two will be made up of opportunities for strategic grouping, deployment, guided reading, supplemental materials (leveled readers, Reading Mastery), tutoring, technology resources and programs. Tier three will include tutoring services, push in/pull out support from RSP, technology resources, and deployment.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- 1. K-2nd grade students will be provided guided reading instruction to build reading fluency. Students will be grouped utilizing iReady results into homogeneous groups. Students progress will be monitored through the use of running records, CFAs, FSA, iReady, and DIBLES.
- 2. K-3 teachers will design/refine Common Formative Assessments to monitor student mastery of Reading Foundation Standards. CFA outcomes will provide teachers the information/data needed to provide Tier one interventions.
- 3. iReady 1 and iReady 2 will be analyzed to support the development of Tier two interventions for Reading Foundation Standards. ILT and PLCs will review disaggregated data by student groups as data is available (iReady, CSA, FSA, CFA)
- 4. 1st-3rd grade students will be screened and identified utilizing DIBELS and ELD levels to determine placement in Tier 2 and 3 intensive literacy intervention. Students will be monitored every two weeks utilizing the appropriate DIBELS progress monitoring tool by certificated tutor.
- 5. Schoolwide goal setting utilizing iReady for grades K-3
- 6. TK class goal setting/grade level goals set based on DRDP data.

Owner(s):

- 1. K-2 PLCs and Administration
- 2. K-3 PLCs and Administration
- 3. K-3 PLCs and Administration, ILT
- 4. 1-3rd grade PLCs and Administration, CT
- 5. K-3 Teachers
- 6. TK Teachers

Timeline:

- 1. Utilize assessments every quarter using running records as needed to support flexible grouping.
- 2. Grade levels administer 3 CFAs per quarter
- 3. 2X per year
- 4. End of year for K students, Aug and Jan for grades 1-3 students
- 5. 3x per year (beginning of year, after iReady 1, and after iReady 2)
- 6. 2x per year

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- 1. K-2 students will be provided guided reading instruction with the support of Wonders, supplemental leveled readers as Tier 1 and 2 intervention. Kindergarten Aides will push in support throughout the school day for ELA and Math to support Tier one instruction, as well as afterschool.
- 2. 1-3rd grade students identified in need of intensive support with decoding and fluency instruction will be provided daily small group instruction for 30-45 minutes by certificated tutor and/or Teaching Fellows.

3. ELs and SWD needing Tier 1 intervention will be provided additional small group instruction to practice foundational reading standards based on teacher formative assessments.
4. ELs and SWD needing Tier 2 intervention will be provided additional time in targeted small group instruction.
5. Sub release time for trainings, PL
6. Supplemental contracts for teachers and support staff to review analyze data, set goals, progress monitor and create action plans for targeted groups of students.

Specify enhanced services for EL students: Write to the data points called out in the metrics sections. Answer the questions in the text box below.

1. Identify Student Group (list only one at a time) in Red and all the areas they are identified in.

English Learner student population is performing at the lowest level in no areas identified by the CA State Dashboard. EL students are performing below the levels achieved by all students in iReady reading and Math as identified by the SPSA PowerBI tool.

2. Using Title I funds Only: What are the planned expenses to support this student group?

With Title I funds Wolters plans to provide the following services to EL students

- Hardware: tools and technology to utilize Lexia
- Parent academic engagement workshops.
- Graphics: utilize more visuals
- Materials and Supplies: graphic organizers
- Supplemental contracts: EL tutoring during lunch or after school

3. As a site: What are planned actions to support this student group? Here you can respond to work that is done by teachers, PLCs, ILT, and other baseline funded staff at your school sites or other district supports that you do not fund out of the SPSA

EL Services provided PL for the school. Topics including ELLevations, goal setting, integrated/designated EL instruction, etc.

K-2 English Learner students will be selected to attend lunch/after school tutoring to support language development and reading foundation skills/standards.

Specify enhanced services for low-performing student groups. By answering the questions in the text box below, write about each specific student group called out in the metrics section.

Specify (call out) the specific student groups that require support. Utilize the metrics from the Needs Assessment and the SPSA PowerBI for student group data.

1. Identify the Student Group (list only one at a time) in Red and all the areas they are identified in.

According to CA State Dashboard for the academic year 2022-2023,

The SWD student population is performing at the lowest level in areas of ELA and suspensions.

The Black/African American student population is performing at the lowest level in the area of suspensions.

The Asian student population is performing at the lowest level in the area of suspensions.

The Hispanic student population is performing at the lowest level in the area of suspensions.

The Socioeconomically Disadvantaged student population is performing at the lowest level in the area of suspensions.

3. Using 7090/7091 funds only: What are the planned expenses to support this student group?

With 7090 or 7091 funds we plan to support (Specific student group) by... providing a certificated Tutor to implement small group instruction focused on language development skills, goal setting and progress monitoring.

4. As a site: What are planned actions to support this student group? Here you can respond to work that is done by teachers, PLCs, ILT, and other baseline funded staff at your school sites or other district supports that you do not fund out of the SPSA

Students with Disabilities, Speech and Language IEPs will be provided intensive reading intervention in small groups with goals targeting their assessed needs.

Action 2

Title: ELA4-6

Action Details:

Wolters PLCs will continue to collaborate to provide students a guaranteed and viable curriculum (standard aligned curriculum) and using on-going assessment process that includes frequent, team developed CFAs in the content area of English Language Arts. PLCs will engage in recurring cycles of review to determine re-engagement and enrichment instruction for individual and groups of students. PLCs will dis-aggregate CFA outcomes by the following student groups: African American, SWD, ELs, Hispanics. PLCs will continue to develop student digital literacy in the context of ELA by designing online tasks and assessments.

Details: Explain the data which will specifically monitor progress toward each indicator target

1. SBAC and iReady results will be utilized to establish school wide and grade level goals. ILT will review disaggregated data by student groups as data is available (iReady, CSA, CFA)
2. Scope and Sequence will be utilized to determine Common Formative Assessments aligned to assessed standards. CFAs will be refined based on the alignment analysis for grades 3-6.
3. CAASPP IAB outcomes and CAASPP item specifications will be utilized to determine CFA alignment/rigor to assessed standards. CFAs will be refined based on the alignment analysis for grades 3-6th.
4. CFAs will be designed and/or refined to monitor student mastery of standards prior to SBAC. PLCs will develop calendars which indicate instructional windows for each CFA; administration of CFA; and analysis, reflection, and development of an instructional response plan for each CFA. PLCs will plan for re-engagement and/or enrichment for target groups of students.
5. 3-6th grade PLCs will work in conjunction with TSA and academic coach to identify interventions/supports after ELA common summative assessments/IABs.
6. 4-6th grade PLCs will work in conjunction with RSP and TSA to identify students who are in need of tier 3 intensive support with decoding and fluency skills.
7. PLCs will integrate the science curriculum with ELA.

Timeline:

1. Beginning of the school year
2. After iReady 1 and iReady 2
3. Once per quarter. PLCs will develop at least one CFA prior to the quarter IAB
4. PLCs will develop CFA/CSA one time per quarter and as needed throughout the quarter. Teams will engage in a minimum of 1-3 cycles of inquiry per quarter (minimum of 3 CFA/CSAs per quarter)
5. After each ELA CSA/IAB in quarters 1-3
6. At the beginning and middle of the school year. New students will be screened to determine the student's need of tier 3 intensive reading intervention services.
7. 2x per year during planning time.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

Students in need of tier 1 and 2 interventions will be provided small group and re-teaching opportunities after PLC developed CFA/CSAs.

4-6th grade students in need of Tier 3 intensive intervention will receive small group instruction targeted to their assessed needs provided by RSP teacher and/or RSP support staff.

Lunch/Afterschool tutorial will be offered to selected students to support mastery of standards utilizing supplemental contracts..

Instructional materials and supplies will be provided to support classroom instruction including equipment lease.

 - Identification for targeted students will be based on data collected from ATLAS or Power BI targeting student groups such as EL, African American, foster youth and SWD.

Action 3

Title: Mathematics K-6th

Action Details:

Wolters will implement a school-wide comprehensive math program focused on the shifts required by the CCSS for mathematics:

- Focus: The lesson focuses on the grade-level cluster(s) and/or standard(s) at the appropriate level of depth.
- Coherence: The lesson intentionally connects content to appropriate mathematical concepts within and across grades.
- Rigor: The lesson intentionally targets the aspect(s) of rigor (conceptual understanding, procedural skill, and fluency, application) called for by the standard(s) being addressed.

Teacher learning will continue to focus on high quality instruction, the eight mathematical practices and making connections to content. Student learning/support will be based on whole group instruction utilizing MLD, cooperative/collaborative learning groups, and targeted small group instruction to improve mastery of grade level standards.

Details: Explain the data which will specifically monitor progress toward each indicator target

1. SBAC and iReady Math will be utilized to monitor progress towards meeting grade level goals. ILT will review disaggregated data by student groups as data is available (iReady, CSA, CFA)
2. A minimum of three grade-level common formative assessments will be developed/refined based on alignment analysis and iReady Math data outcome.
3. CFA will be designed and/or refined to monitor student mastery of standards prior to iReady 2 and SBAC. PLCs will plan re-engagement and/or enrichment for target groups of students. PLCs will develop online assessments and tasks to build on digital literacy skills that parallel CFAs and SBAC. PLCs will create calendars which indicate instructional windows for each CFA/CSA administration, analysis, reflection, and development of an instructional response plan for each CFA.
4. 3-6th Grade PLCs will utilize IABs as Interim/Summative Assessments for key domain areas. PLCs will develop action plans and targeted instruction based on IAB results.

4. 3-6th grade PLCs will determine the administration window of mathematics IABs

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

TK-6th grade students will have daily access to tablets in order to learn, practice and apply mathematics content in the context of online tasks and assessments. Tablets will be purchased to improve the ratio of tablets to students. Materials and supplies, such as but not limited to, paper, pencils, notebooks, journals, copier, dry erase pens etc. will be provided as needed. Maintenance to site and technology will be provided as needed based on site and technology needs.

Tier 1 support will be provided in the form of small group instruction based on CFA outcomes for SWD, ELs, and AA. Supplemental contracts for tutoring at lunch and after school for targeted students based on assessed needs.

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Field trips were utilized by all grade levels this year.

Events and club activities were limited due to lack of club advisors.

Weekly classroom music and performance groups (band, strings, choir) were provided.

After school sports opportunities were provided.

Student of the Month and Wildcat of the Week were announced in classrooms, with opportunities to have their picture taken and displayed in the cafeteria.

Technology was implemented in K-6 to prepare students for workplace competencies.

According to survey data, 88% of students responded favorably to "My school prepares me for life with real-world experiences" as compared to districtwide elementary average of 85%

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Elementary athletics limited to grades 3-6 per district policy.

Supplemental contracts for clubs and activities were not utilized.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Clubs were limited due to contracts for afterschool activities being unfulfilled.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Recruit leaders for activities and clubs afterschool and at lunch.
Encourage 100% participation in studytrips and schoolwide events.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Attendance:

Communication of importance of school attendance via school messenger, class dojo, teacher communications, SSC, and ELAC.

Office Assistant/HSL completed attendance phone calls for absent students

Weekly schoolwide reward for students with perfect attendance

Suspension:

Behavior assembly presented to all students in the fall and spring semesters.

Guidelines for success posted in all classrooms

Wildcat Promise (a list of aspirational statements) created and posted in every classroom.

RCA provided tier 2 social and emotional support through CICO and small group instruction targeting SEL skills

Implementation of Second Step Lessons.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Attendance: Wolters made a 4.6% improvement for schoolwide Chronic Absenteeism. The students with disabilities, African American, and Hispanic student groups are disproportionately higher than all students.

2022-2023:

Total Chronic Absenteeism - 40.1%

Suspensions: Suspension rates are lower compared to 2022-2023 for all and student groups. In 2022-23, data shows that 55 students were suspended from a total of 416 students enrolled for a total of 13.2% of the student body. Currently there have been 25 students suspended from a total of 486 students enrolled for a total of 5.1% of the student body. This is a 61% decrease.

Root cause analysis: Students with disabilities and African American/Black students have the highest rates of both Chronic Absenteeism and Suspension. These factors create a negative feedback loop where students that are disengaged from the school community find themselves being denied the ability to make connections and suspended days out of school count toward chronic absenteeism. Students may be

suspended at a higher rate when they feel less connection to or engagement with the school. This year our resources were spread thin. We had no Intervention Specialist, our Family Foundations therapist had a full case load with a waiting list, we did not have a consistent system for PBIS at the school wide level, and we did not provide regular incentives for attendance. There is also a disconnect between the school and the community where we provide opportunities to connect and strengthen bonds, but the community has yet to become as actively engaged as we would like to see. Parent Coffee Hour, Family Engagement Hours, and committees like ELAC and SSC are not consistently engaged with outside a small group who is highly engaged and involved in multiple ways at the school. The school must do a better job of connecting to the community and finding ways to engage students in our identified groups to reduce both suspensions and chronic absenteeism.

This year we did continue the "My Brother's Keeper" mentoring group for African American/Black boys and we started a similar group for girls.

In the 22/23 school year African American/Black students were suspended at a rate (29.2%) more than double that of all students (13.1%). In the 23/24 school year they were (as of this writing) suspended only 1% more than all students (8.3% compared to 7.3%). While this is still an equity gap, the plans we have implemented in the 23/24 school year have resulted in a significant reduction in the suspensions of African American/Black students and a reduction in the rate at which they are suspended compared to all students..

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Intervention Specialist was lost to another position. Position was never filled by DPI.

Family Foundations provided services 3 days per week and we had a waiting list.

RCA did not provide small group SEL skills instruction during RTI. RCA provided conflict resolutions, one-on-one SEL goal setting/progress monitoring, and crisis response.

All 4 Youth counselor provided therapy services limited to specific student qualifications.

Caught being good/positivity tickets not implemented.

Weekly and monthly incentives for attendance were inconsistent.

Assemblies and presenters to provide real world experiences not consistently provided.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Provide funding for a maximum of 3 day per week for mental health services through a School Social Worker.

Increase funding for visual and performing arts materials and/or services.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

Action 2

Title: Suspensions

Action Details:

Wolters will implement a Climate and Culture component and a tiered level system of social-emotional supports to decrease suspensions; keeping students in school on target to graduate. The site Culture & Climate Team will lead the work in building systems and processes to continuously improve the culture and climate of the school for all students, staff, and parents.

- All PK-6 grade teachers will implement behavior management plans, CHAMPS/MAC expectations, Second Step, Class Meetings, Olweus Bullying Prevention to promote personal responsibility and social skills to reduce office referrals, reduce suspension rates and enhance time in class. This would be considered a Tier I structure because it pertains to all students at Wolters.
- Identified students will have opportunities to participate in social-emotional and targeted positive behavior support systems through pull-out/push-in support provided by the RCA and CWAS. This would include Tier II students who are identified as needing these supports.
- Students needing ongoing intensive support will have the opportunity to participate in individual therapy provided by School Social Worker and/or All Four Youth Counseling. Students in crisis will be referred to the school psychologist. Tier III students.

A Targeted Support Team (TST) will identify and review Tier 1, Tier 2, and Tier 3 students to ensure necessary interventions, supports and monitoring occur using the Wolters TST form. TST Team will consist of but not be limited to Admin, School Psychologist, IS, RCA, School Social Worker, Nurse, RSP teacher, and speech therapist.

Goal 4 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture staff survey - percent favorable in organizational culture domain	✓	85.17 %	88.8 %	2023-2024	89.9 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Through the engagement field trips, CHAMPs implementation schoolwide, and SEL lessons through Olweus and 2nd Step curriculum contributed to the growth on almost every domain in our staff climate and culture survey.

Continue to provide resources and supplies in support of academic program implementation.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

The following goals was met:

By Spring 2024, Wolters will increase positive responses on the Panorama Staff survey, Q8 (We have a culture that provides staff with the following: Recognition for the work we do) by 15% (65%-80%) as indicated by rubric element 1.6 Staff Engagement. Our fall data was 80%.

Further data analysis will determine our next steps in providing resources, materials, and professional learning for our staff in order to provide equitable services top our students. This will take place during our Spring CCT Summit on 4/9/24.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

WoW not consistently implemented

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Mission, Vision, Collective Values, and Goals were collaboratively generated and adopted by the staff.

Wildcat staff of the Week recognition.

Staff shout-out box where staff can spotlight outstanding contributions of their co-workers.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.

Goal 5 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture family survey - percent favorable in family engagement domain	✓	82.02 %	87.1 %	2023-2024	88.2 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Families participated in the following events:

Bingo Nights, Back to School, Donuts with Dad, Muffins with Mom, Santa Shop/pictures with Santa, music performances, sports/games after school, SSC meetings, ELAC meetings, Parent Engagement Hour meetings, monthly coffee hour, quarterly award assemblies, Parent-teacher conferences.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

All families are welcomed on campus. They are given the opportunity to see their children's activities. Families are invited to participate in our school events. However, parent engagement levels remain lower than we hoped.

In the fall, HSL will make direct contact to parents of targeted student groups via phone, email, letter invites to attend special events/workshops.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

At this time we are executing our vision for this goal.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2024/25 SPSA.

Our family climate and culture survey is improving in all metrics therefore we continue to implement the strategies and actions that are working for us.

Step 4: Educational Partner Involvement. Share the specific student group data from the metrics section and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC), and school staff, as required. Record feedback and suggestions from each group below.
