

Birthday Book Club

The Media Center will be offering the Birthday Book Club here at West Clay Elementary. The club is intended to help extend our Media Center Book Collection.

To join the Birthday Book Club, a student is to include **\$20.00** with the completed form below and give it to Mrs. Musolino. The student is allowed to choose a book from the selected group of new arrivals in the Media Center during their birthday month. We will then prepare a bookplate with the student's name and date of birth and attach it to the selected book. The book will be checked out to the student for two weeks before it is placed on the library shelf.

The book club funds will be used to purchase additional titles. Children with summer birthdays will also be included and can select books in August or May. Forms should be turned in by

September 6th for all students, even if your child's birthday falls later in the year.

Make checks payable to West Clay Elementary
